Chapter 217 “Stowaway”

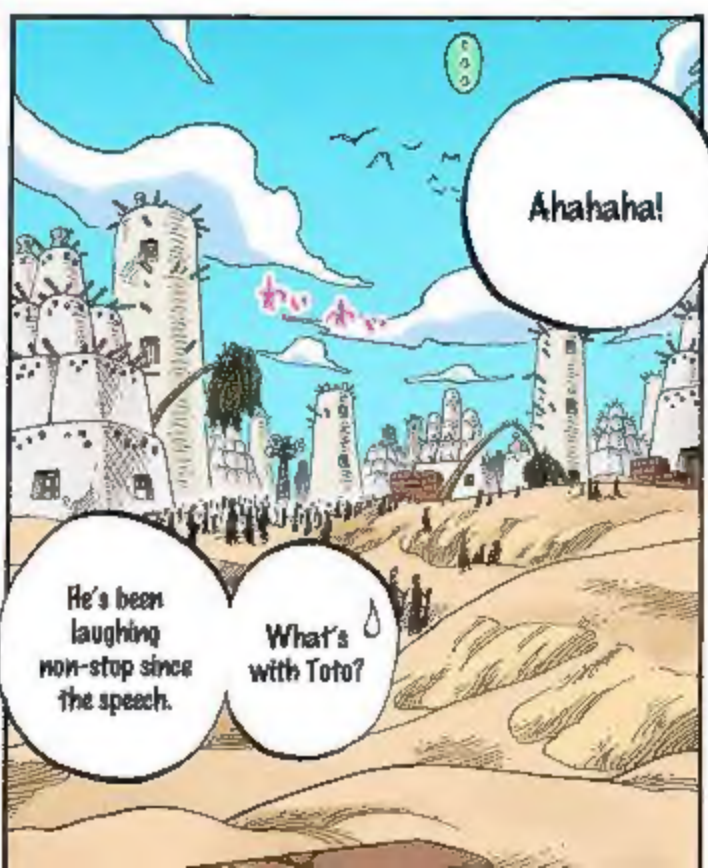

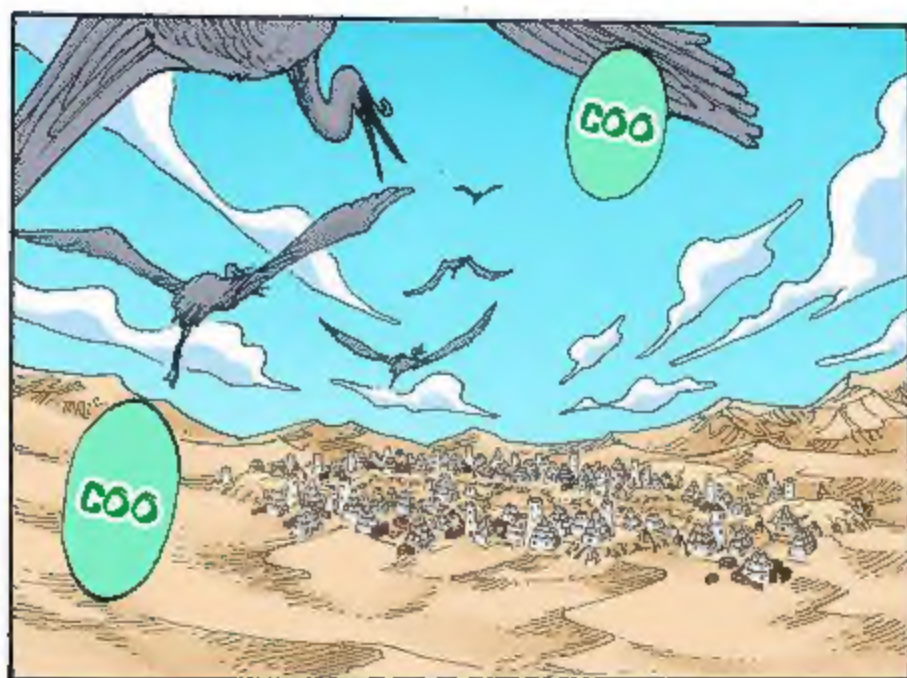

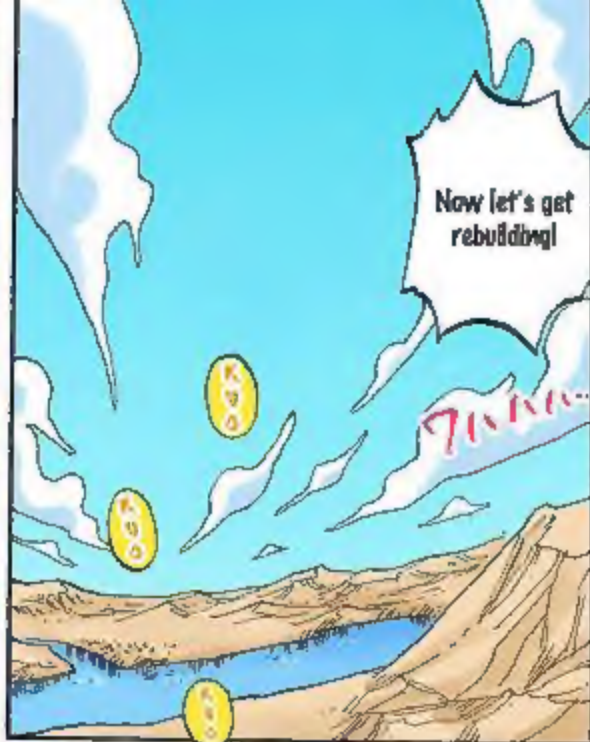

HACHI'S OCEAN FLOOR STROLL VOL. 31
"SAVE THE CATFISH VILLAGE! TREASURE TRADED FOR INGREDIENTS."

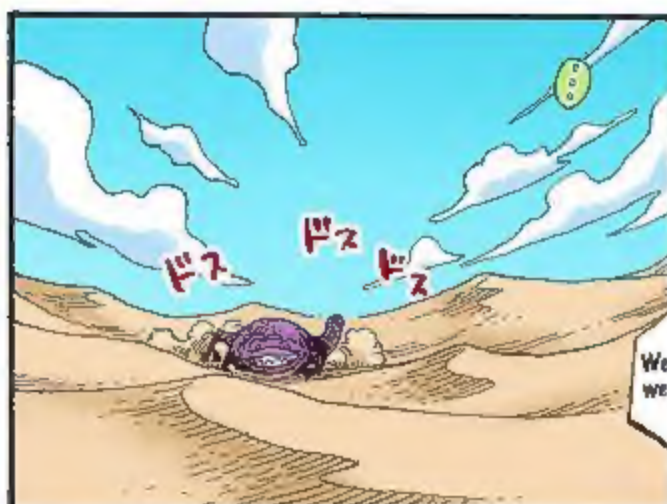

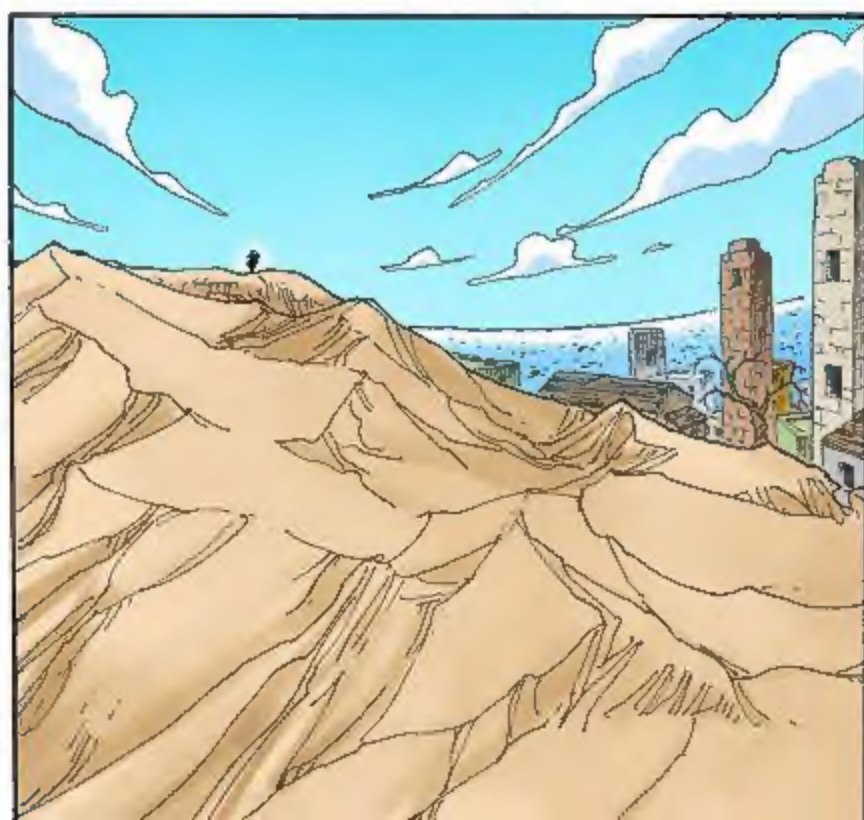

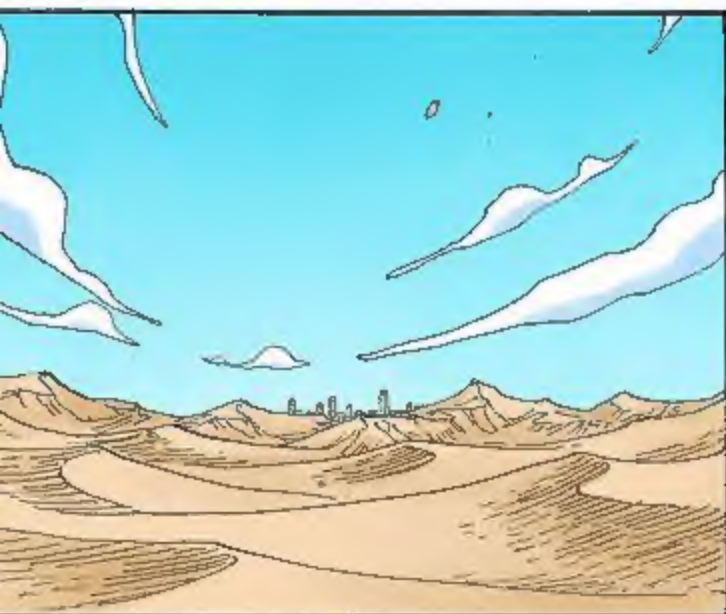

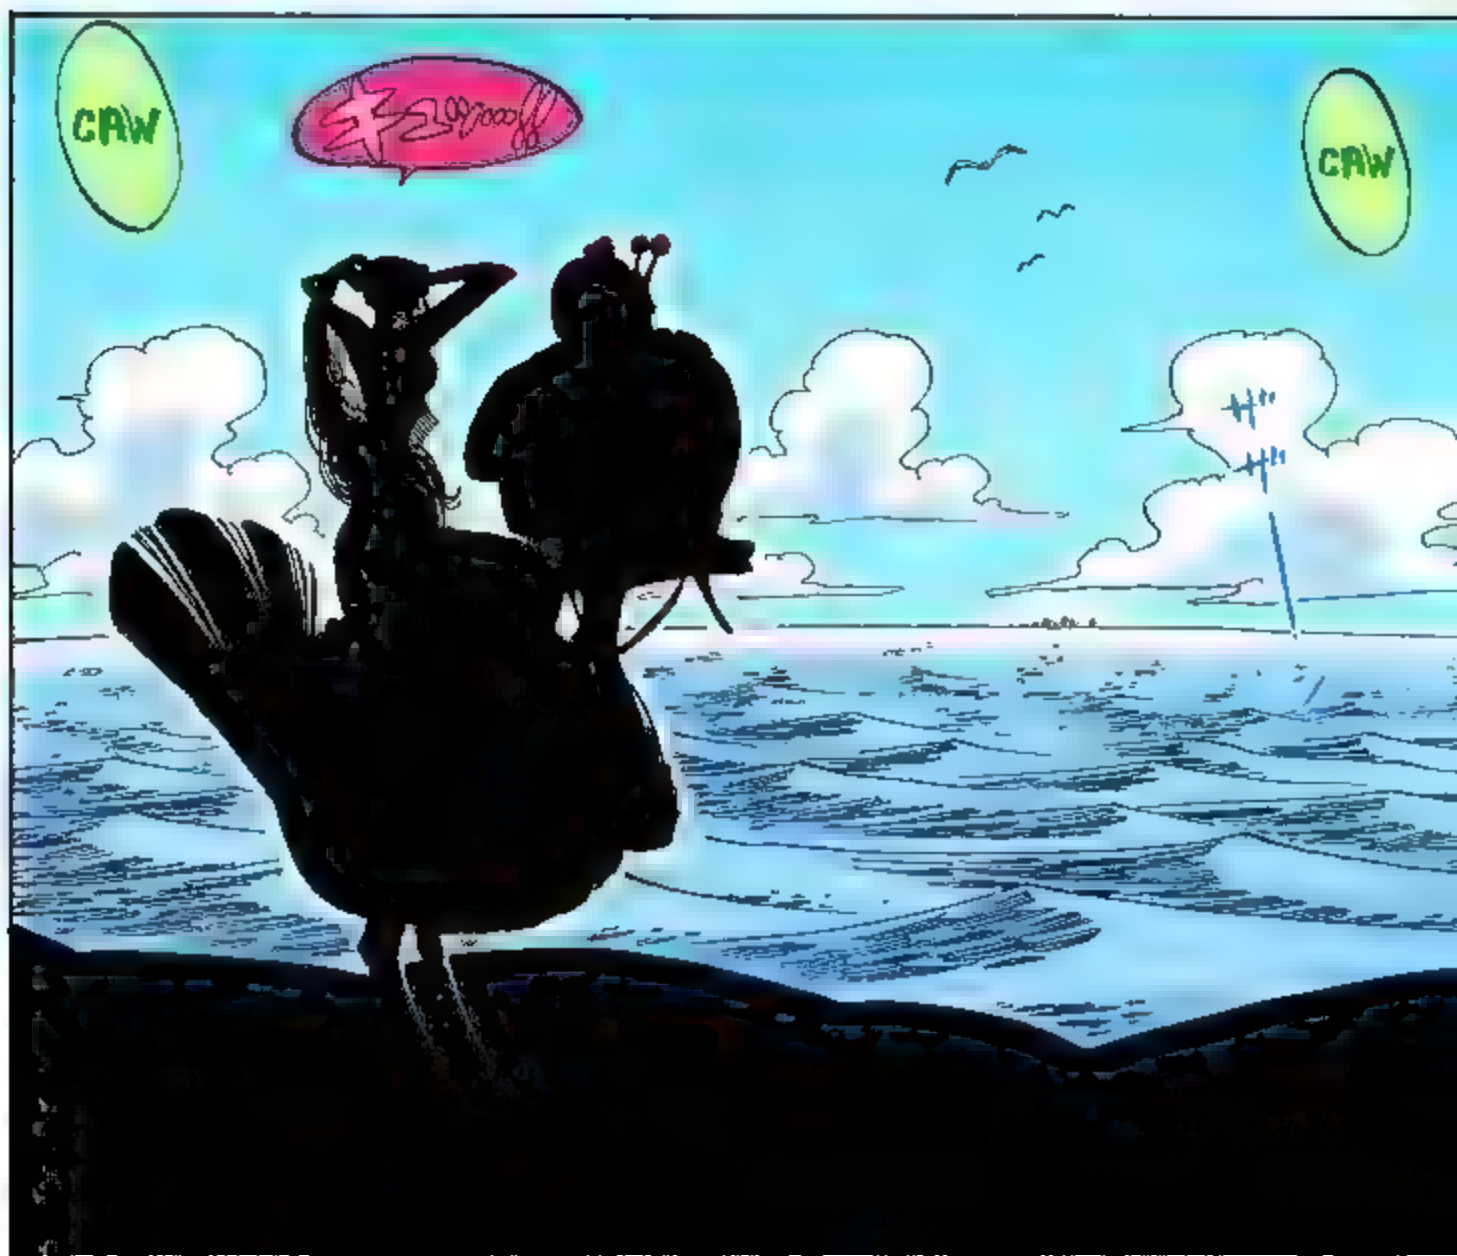

COME BY
AND DRINK
SOME
MORE OF
YUBA'S
WATER
ONE DAY!

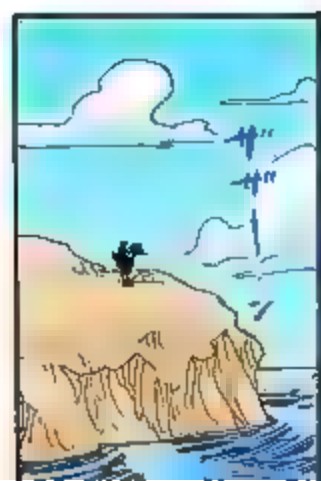

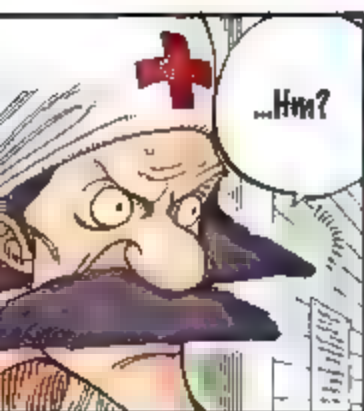

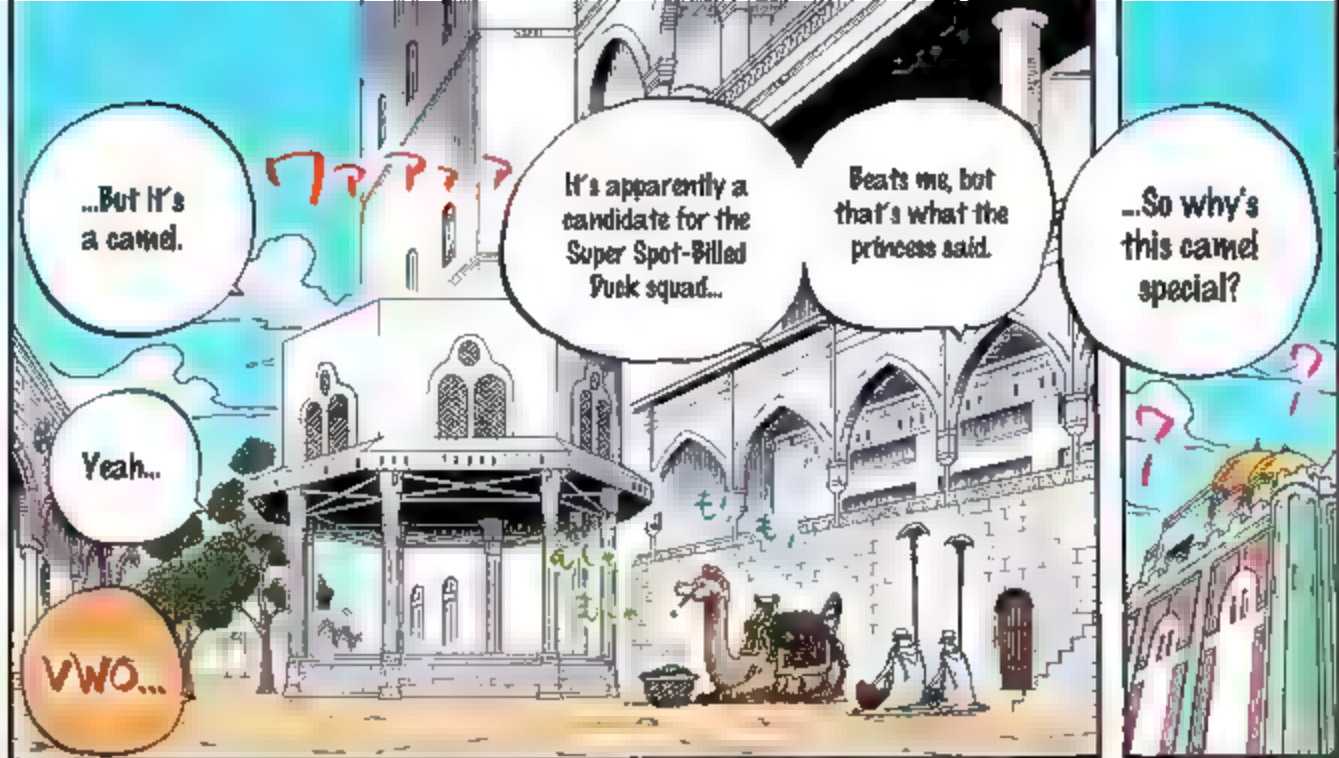

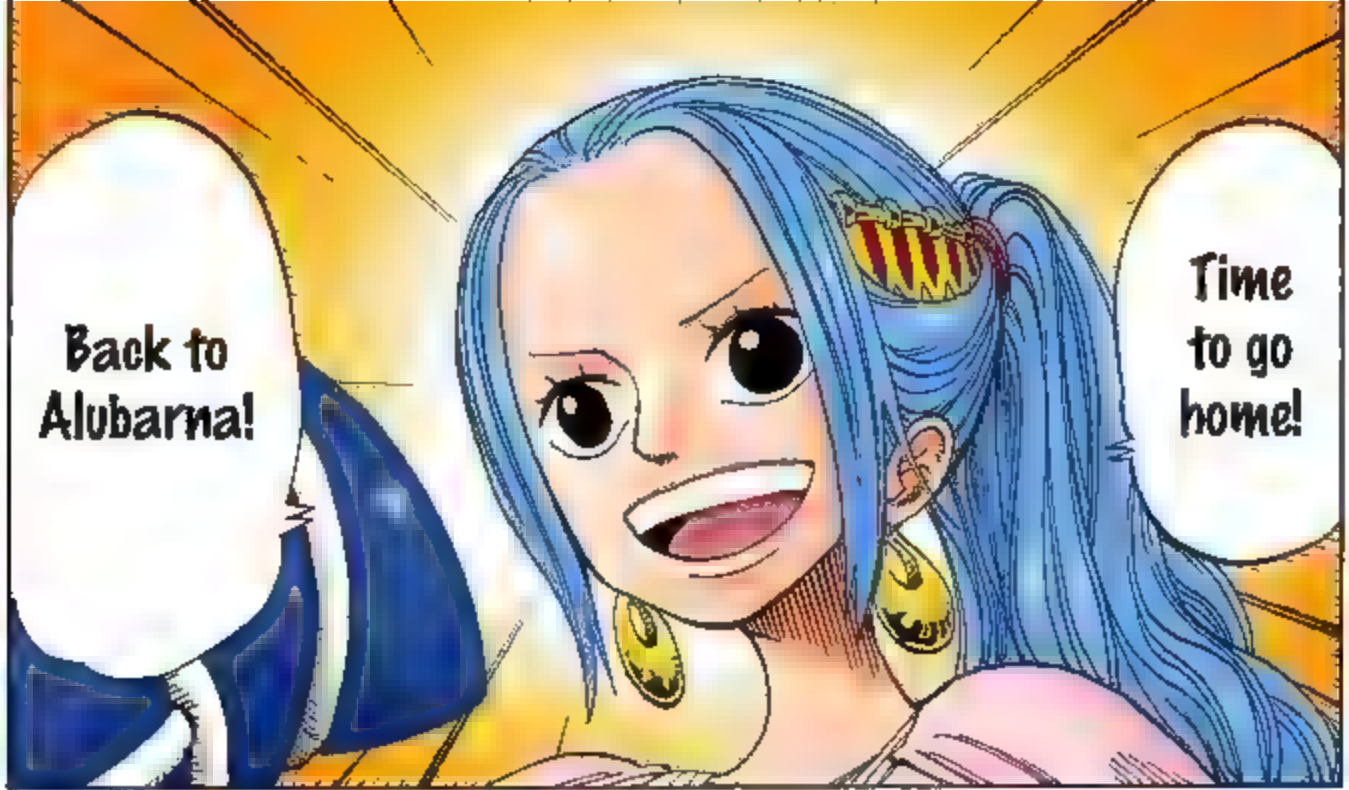

TAKE
CARE,
LUFFY!

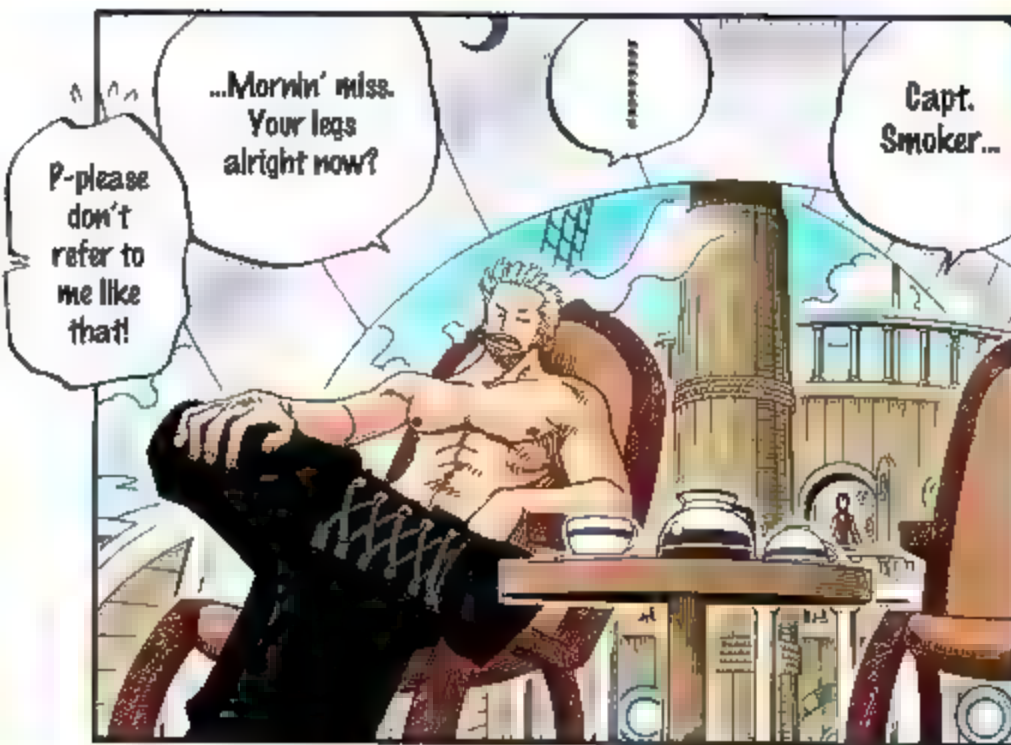

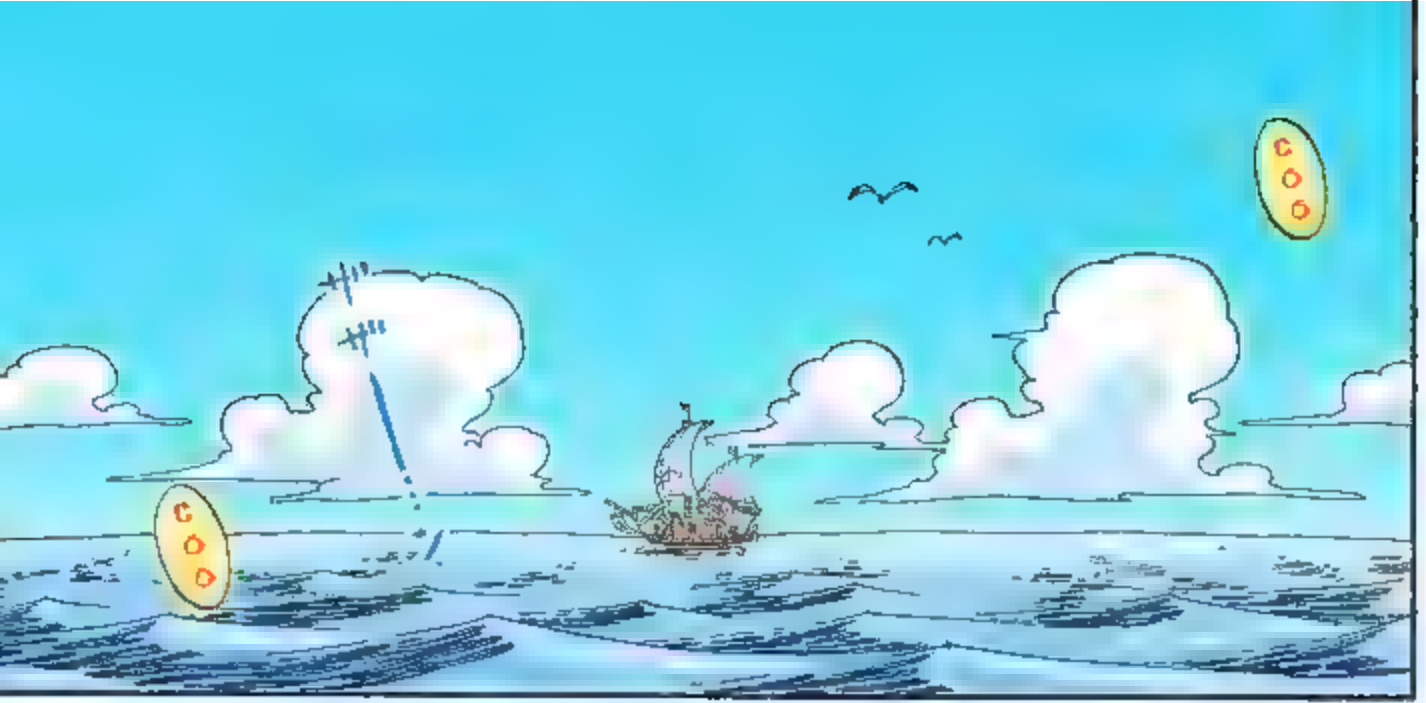

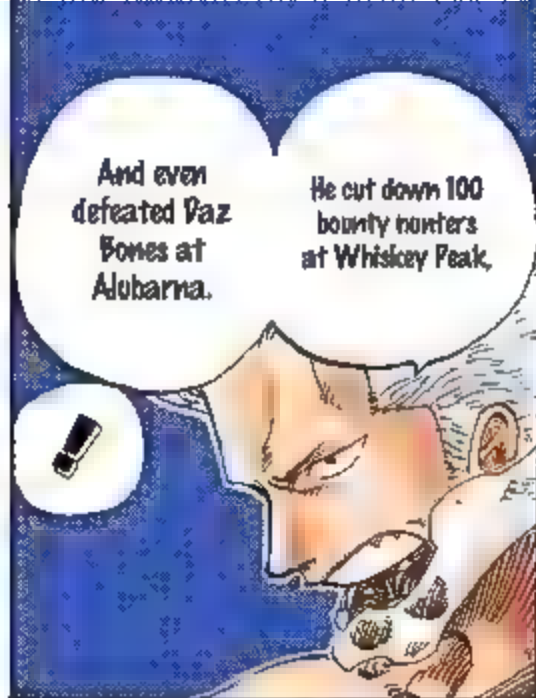

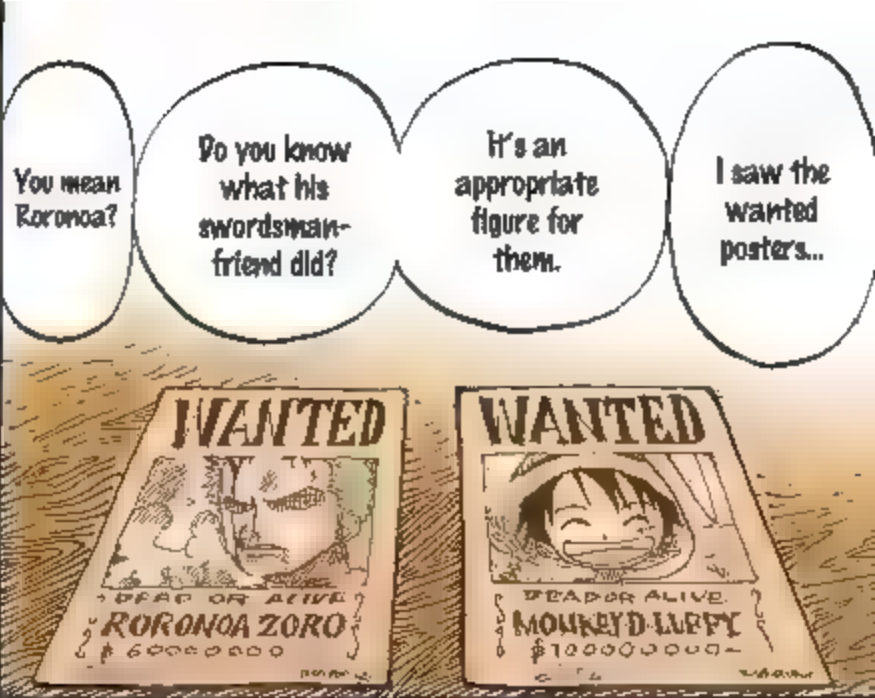

And even defeated Vaz Bones at Alubarna.

He cut down 100 bounty hunters at Whiskey Peak,

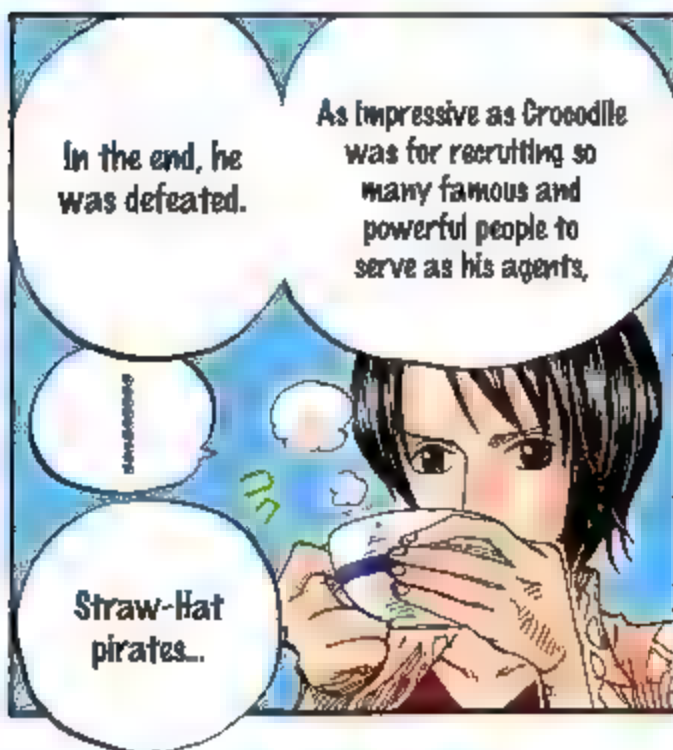

You mean Roronoa?

Do you know what his swordsman-friend did?

It's an appropriate figure for them.

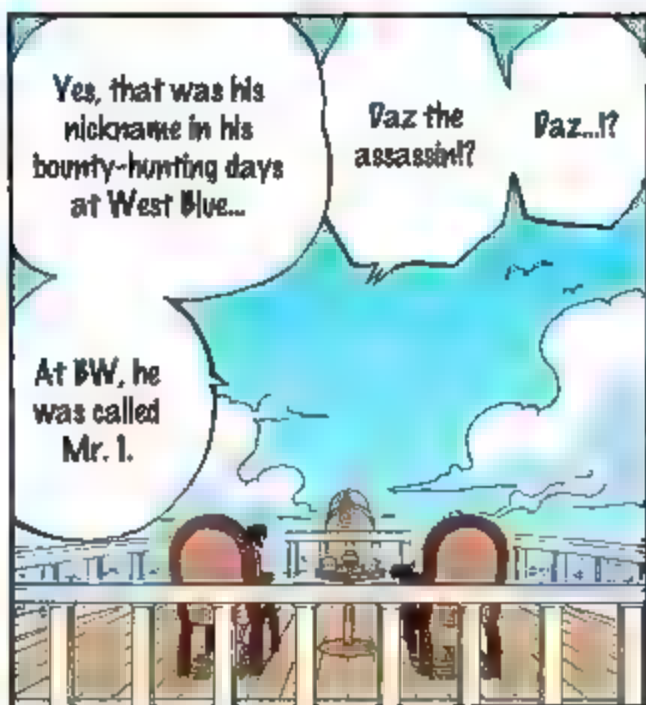

I saw the wanted posters...

In the end, he was defeated.

As impressive as Crocodile was for recruiting so many famous and powerful people to serve as his agents,

Straw-Hat pirates...

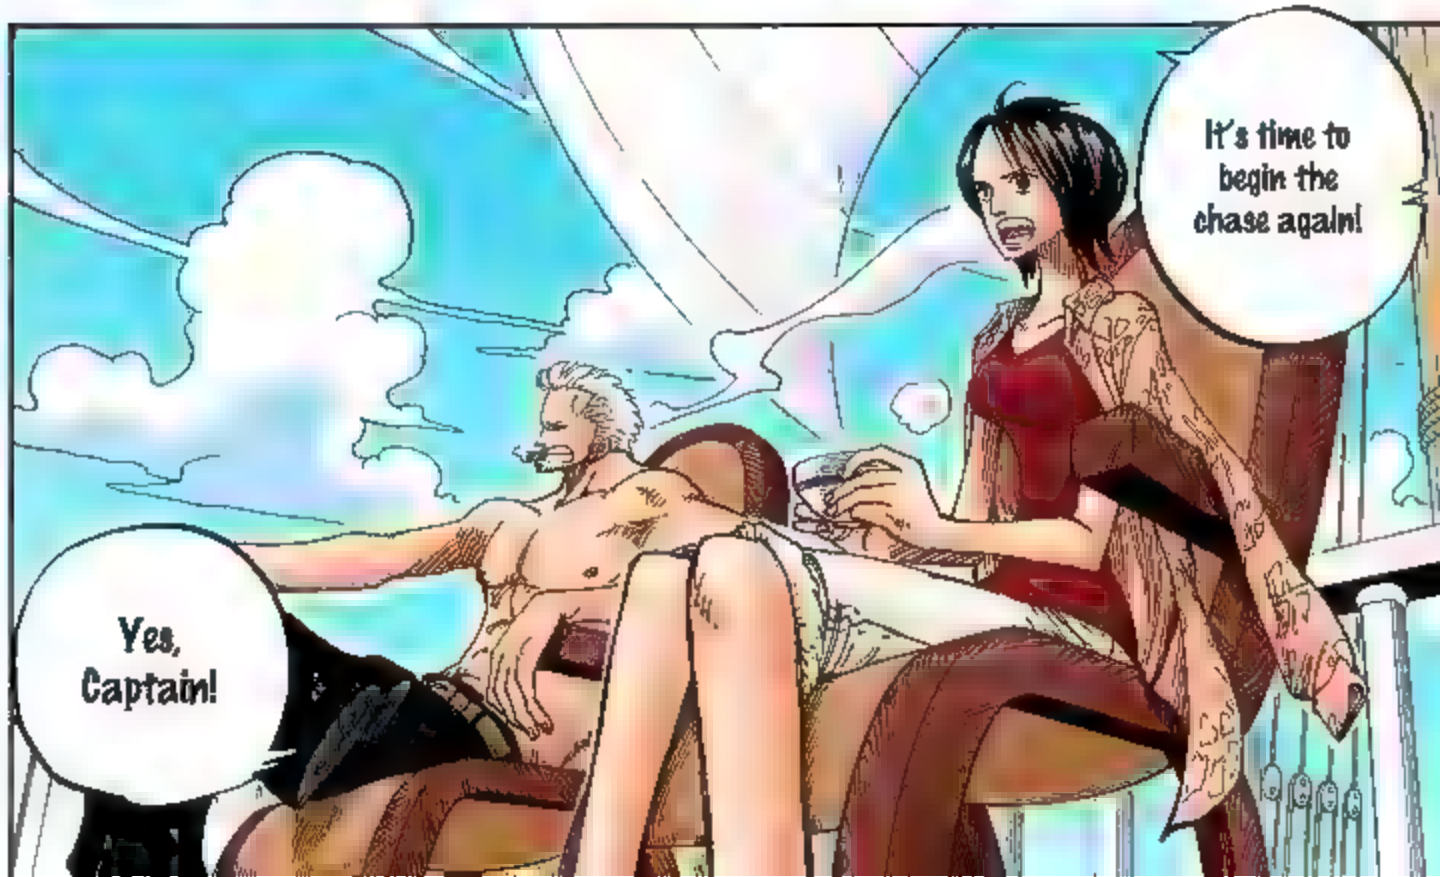

Yes, that was his nickname in his bounty-hunting days at West Blue...

Vaz the assassin?

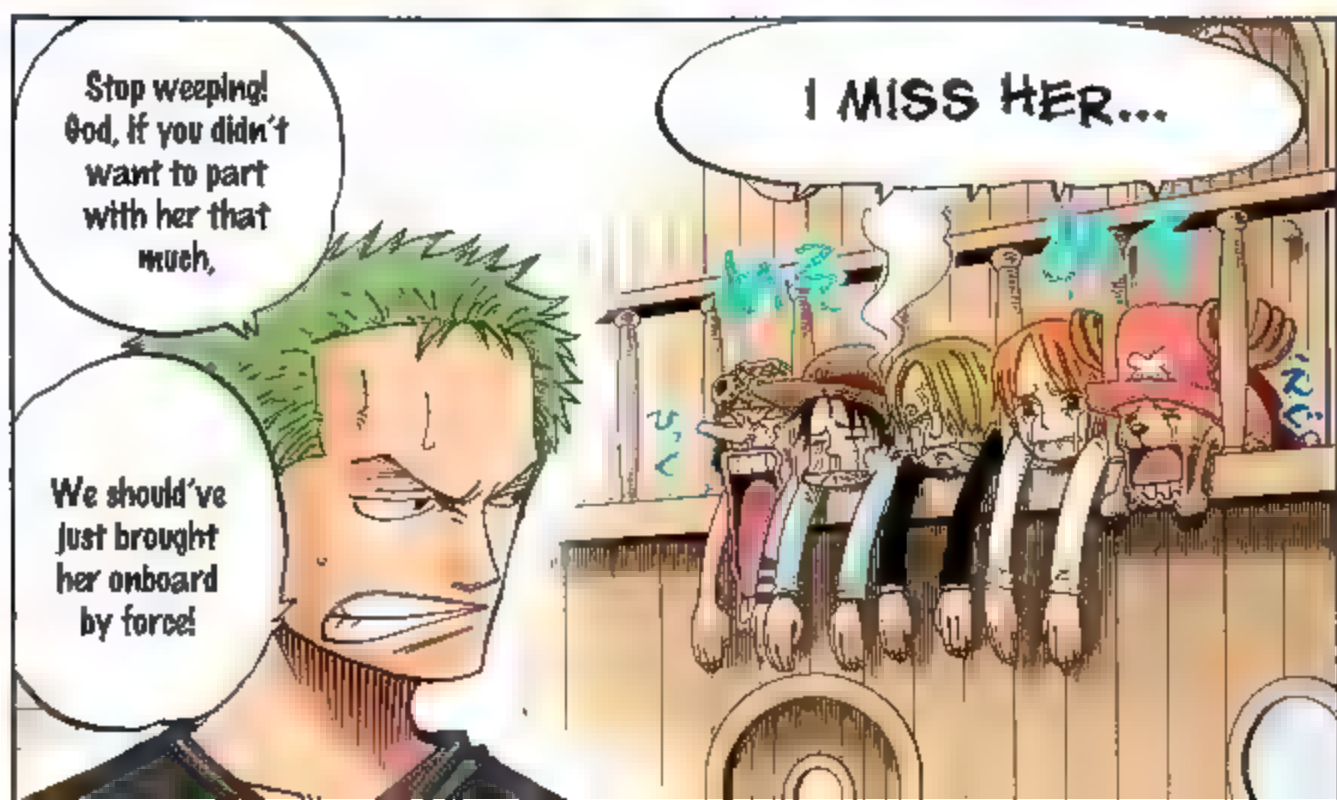

Vaz...!?

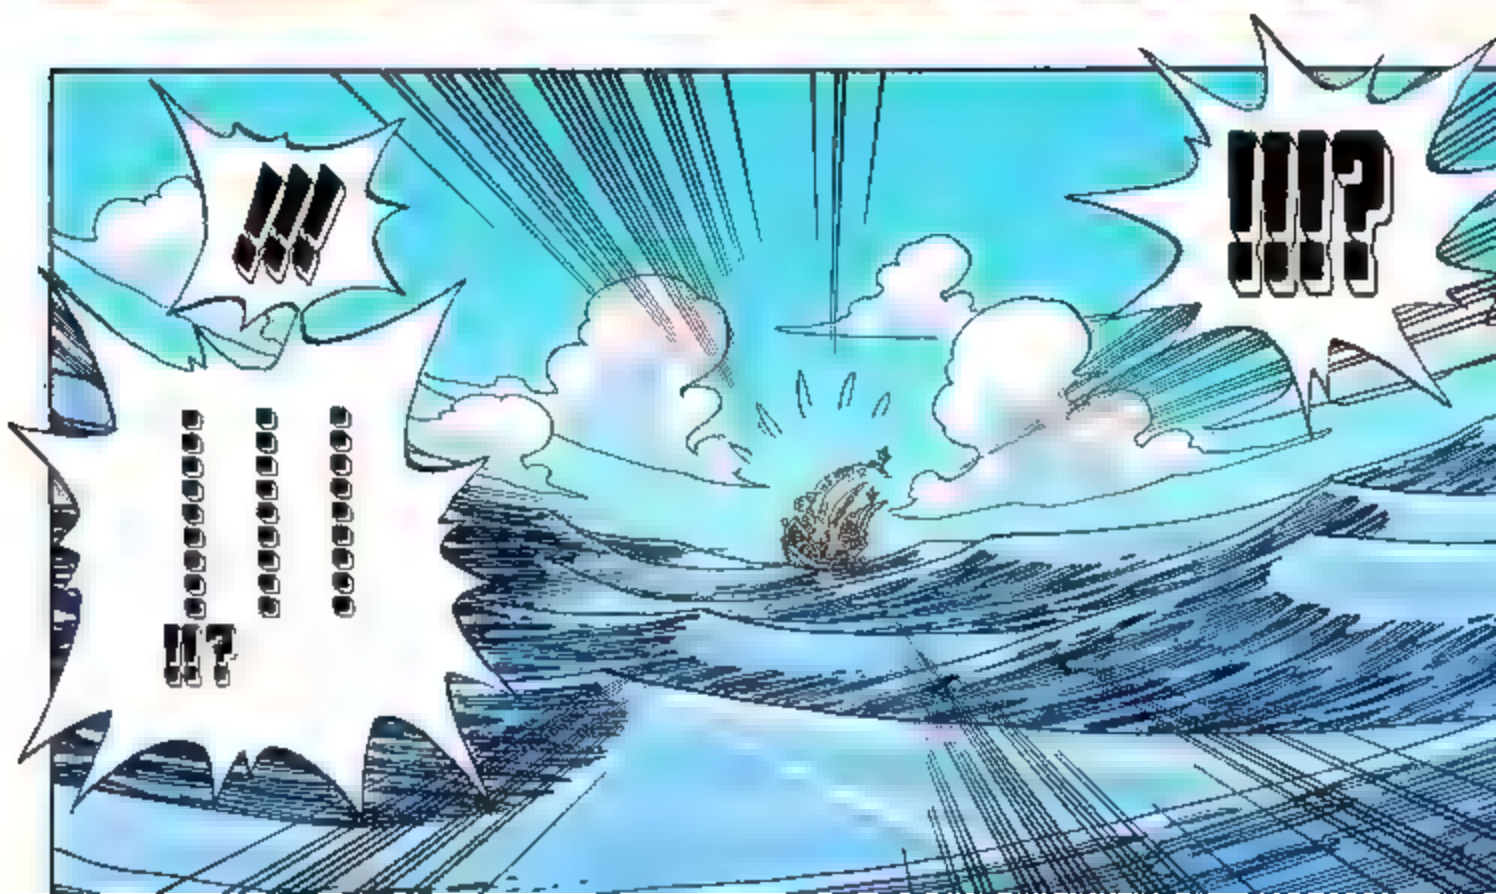

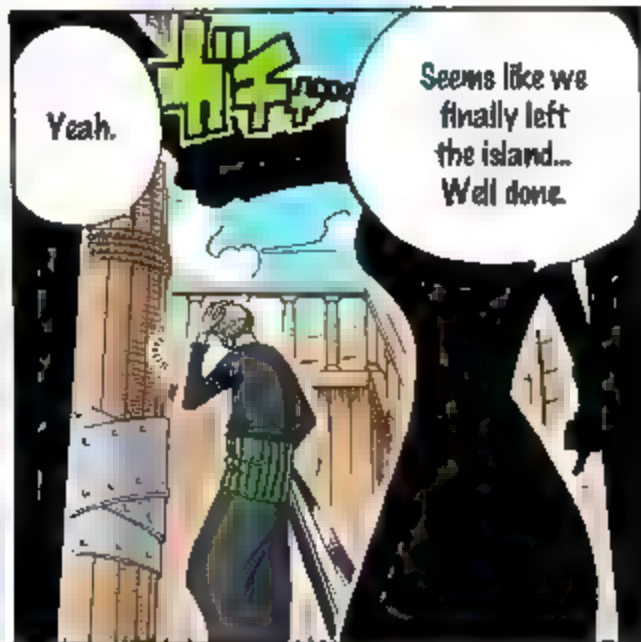

At BW, he was called Mr. 1.

Yes, Captain!

It's time to begin the chase again!

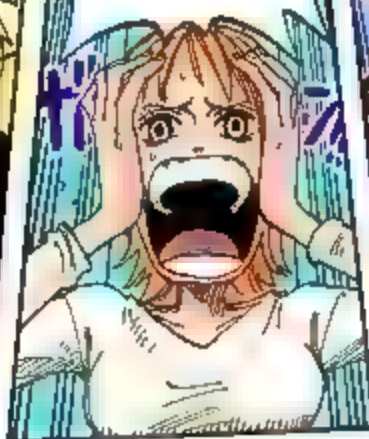

ENEMY
ATTACK!
ENEMY
ATTACK!

Oh my, such
a lovely lady!

WHAT ARE
YOU DOING
HERE?

HERE TO
AVENGE YOUR
ORGANIZA-
TION? FINE,
I'LL TAKE
YOU ON...

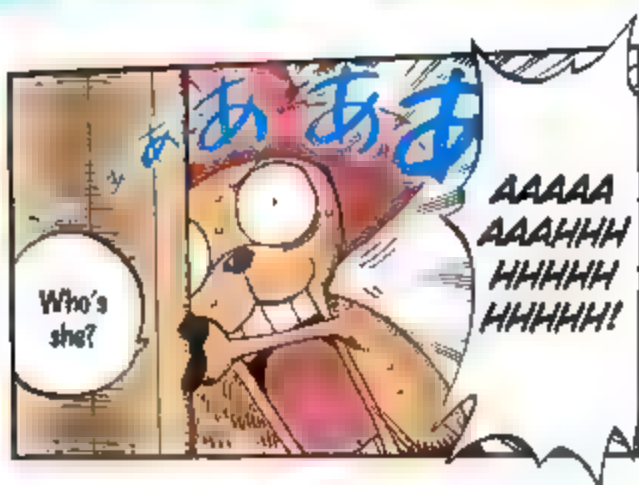

So you're
alive?

Ah!
It's you!

Who's
she?

AAAAA
AAAAHH
HHHHH
HHHHH!

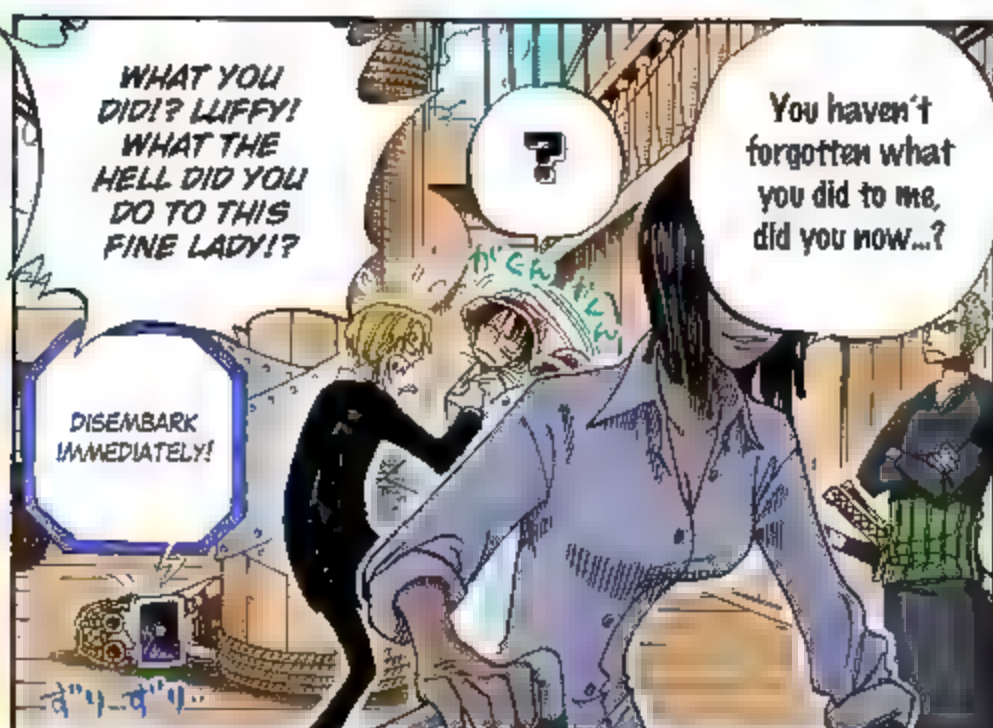

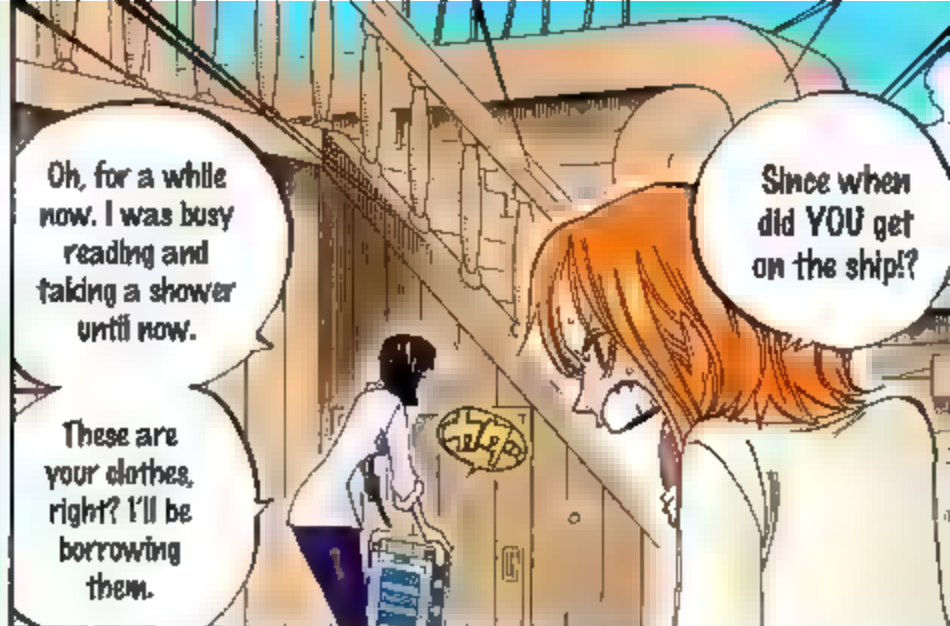

I told you
before,
didn't I?

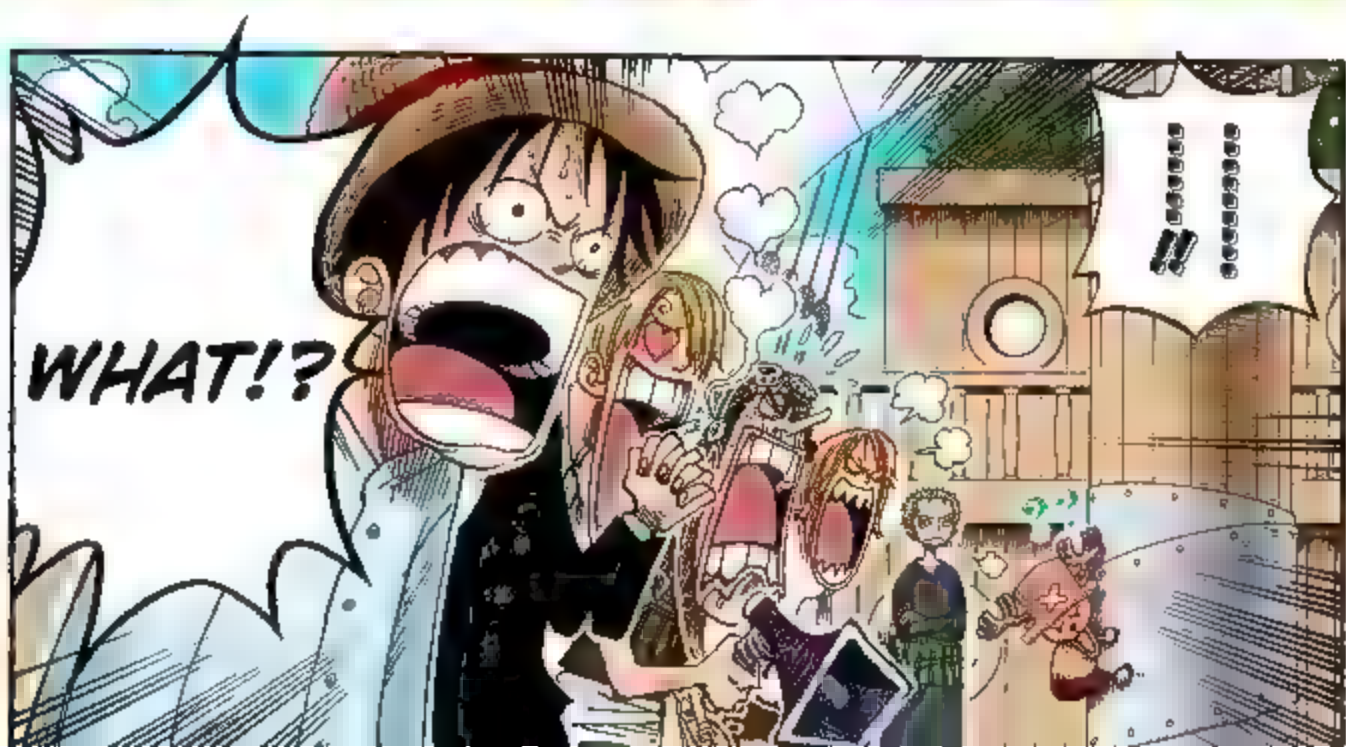

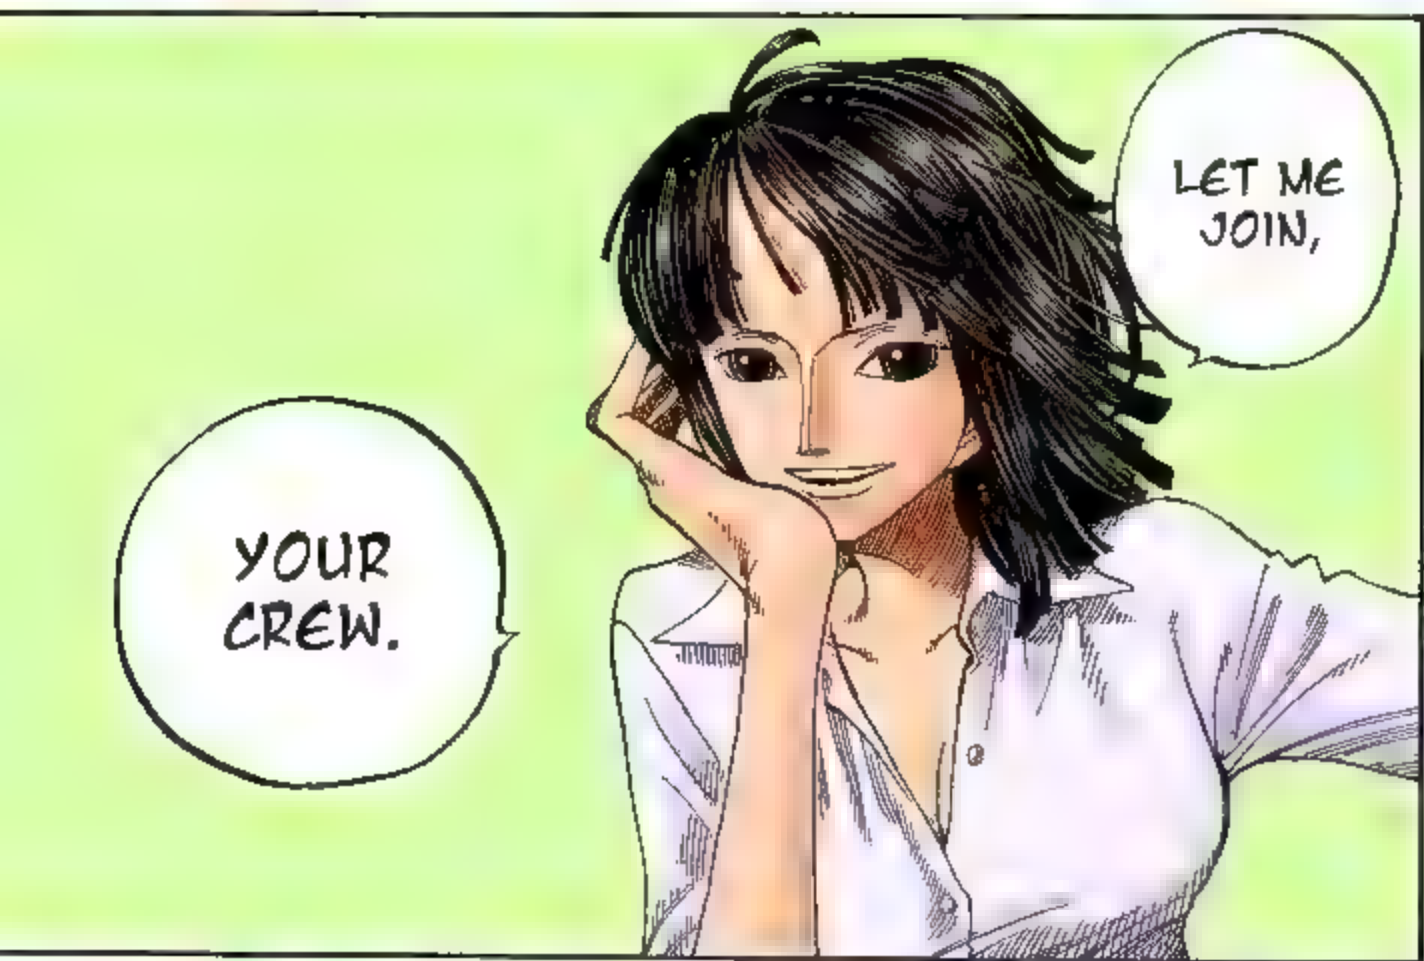

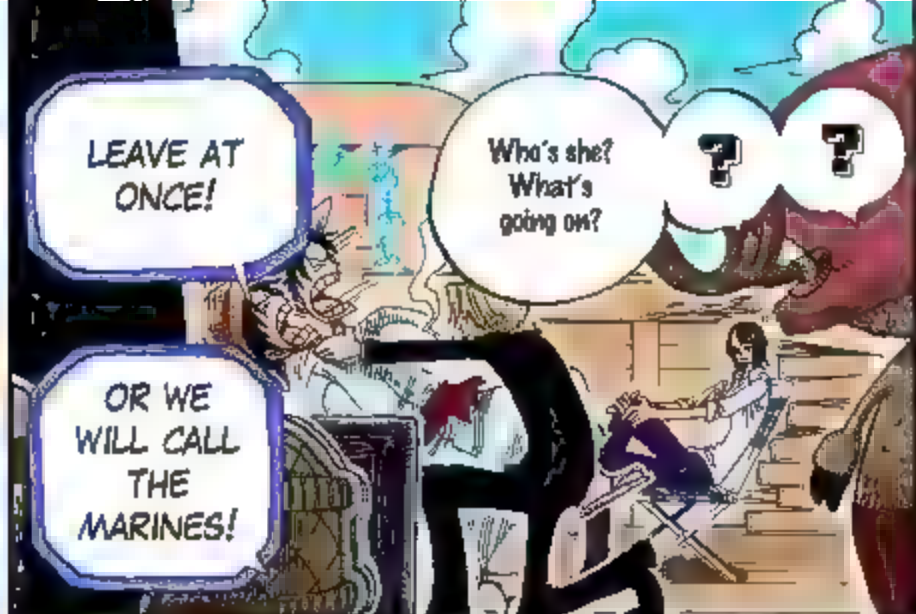

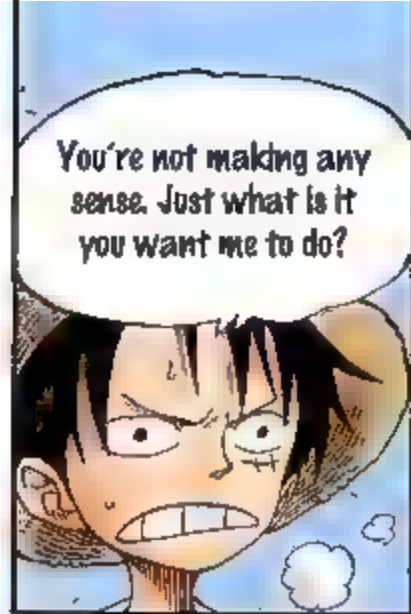

WHA!
HANDS?

Please don't point
those savage
objects at me.

AHH!

Chapter 218

“Why a Log Pose is Round”

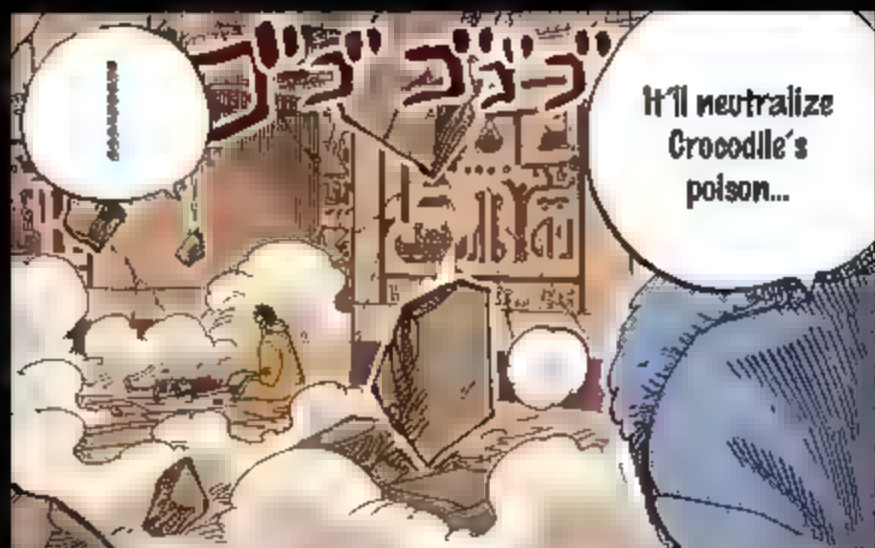

HATCHI'S OCEAN FLOOR STROLL VOL. 32
"OPENED UP IN A HURRY! LEGENDARY TAKOYAKI STAND!"

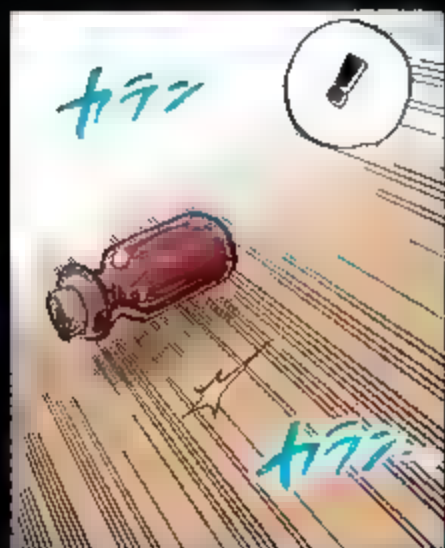

Have him
drink this
quickly.

Here.

It'll neutralize
Crocodile's
poison...

THERE'S
ONLY
HISTORY
WRITTEN
HERE.

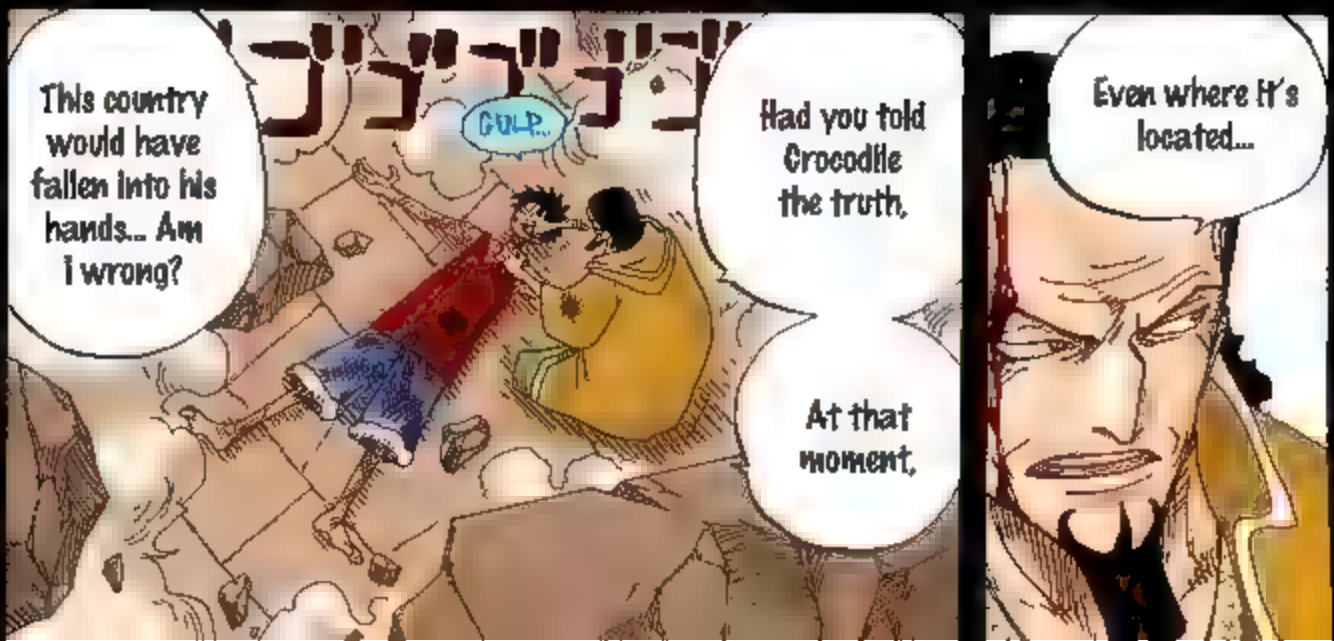

IT'S NOT
RECORDED.

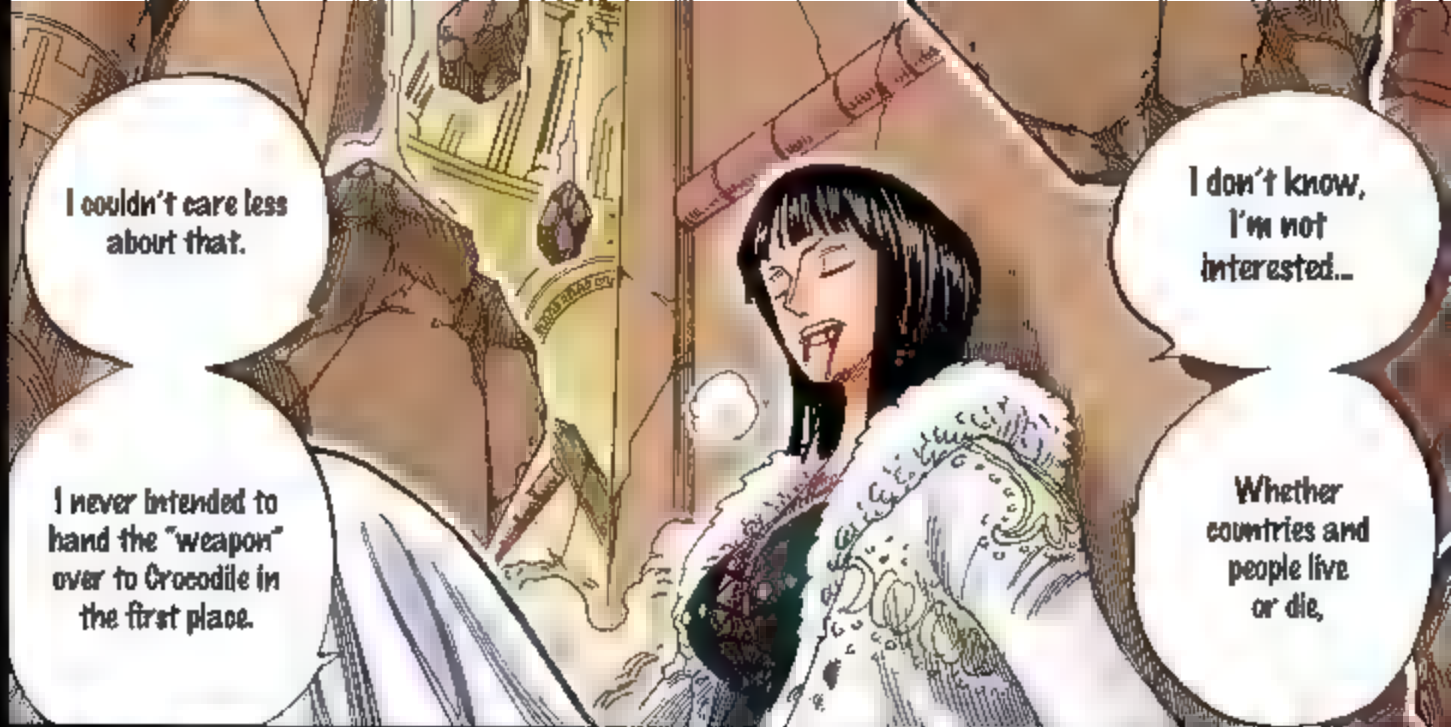

WHAT?

If he's a rubber
human... Then
he just might
survive.

Even if the
rubble buries
him.

I couldn't care less
about that.

I don't know,
I'm not
interested...

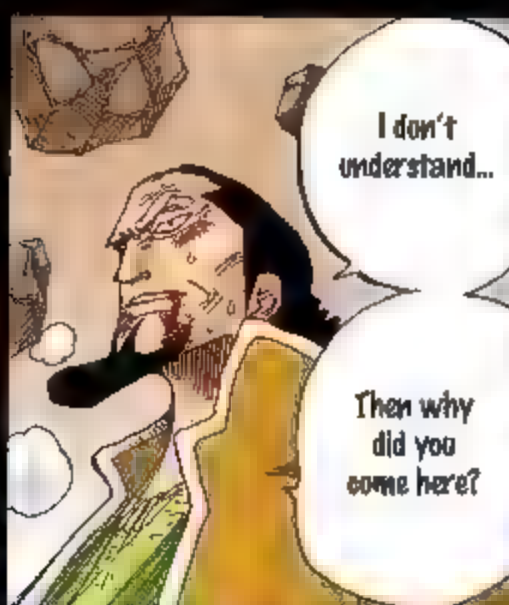

I never intended to
hand the "weapon"
over to Crocodile in
the first place.

Whether
countries and
people live
or die,

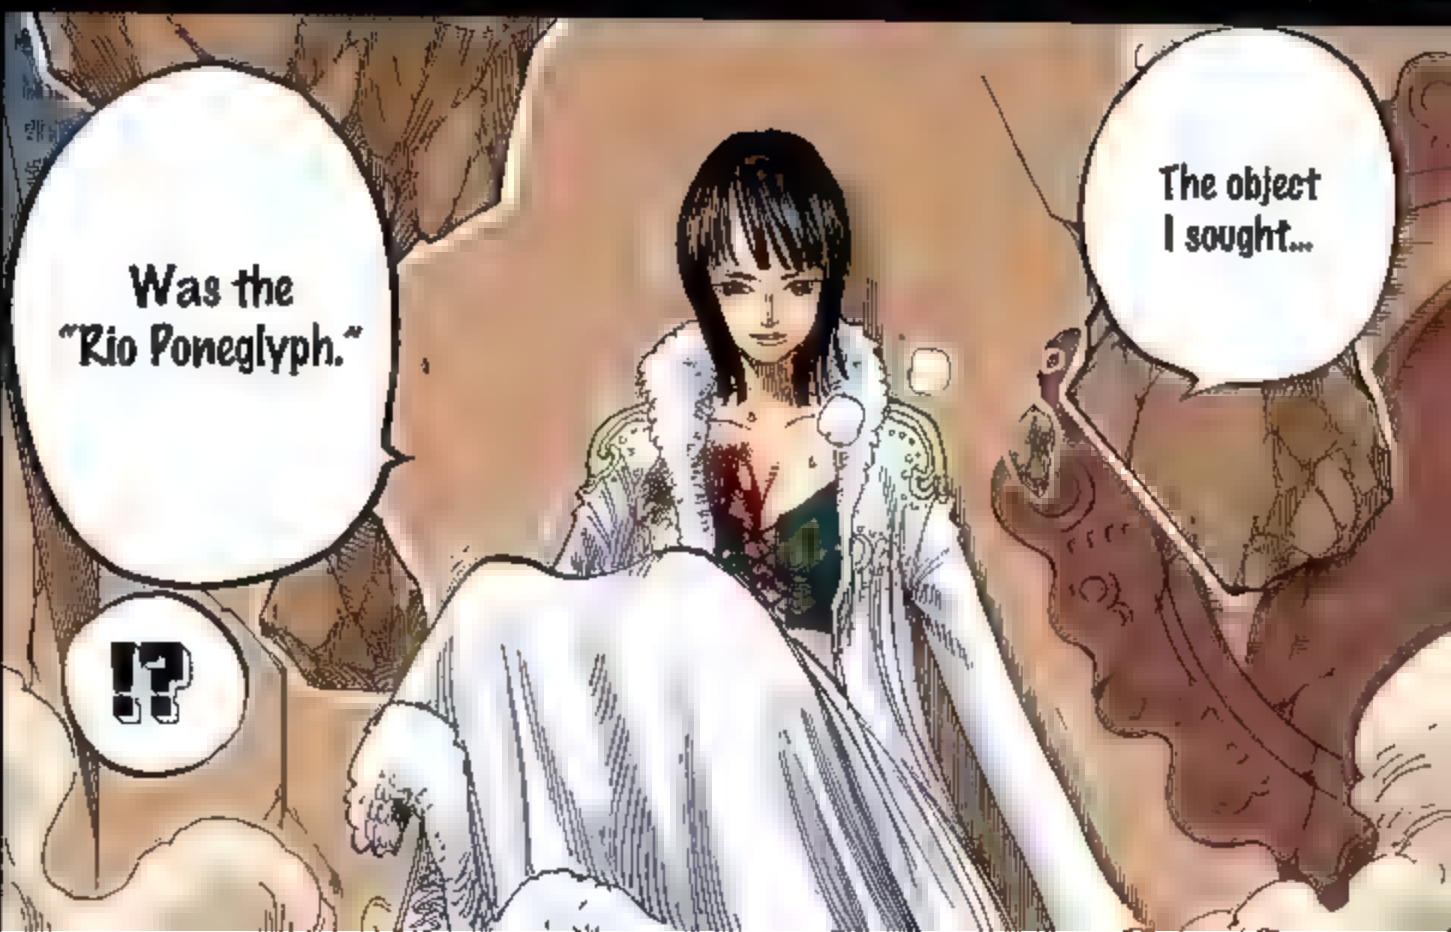

And "hope"
are two
different
things.

"Expectation,"

I don't
understand...

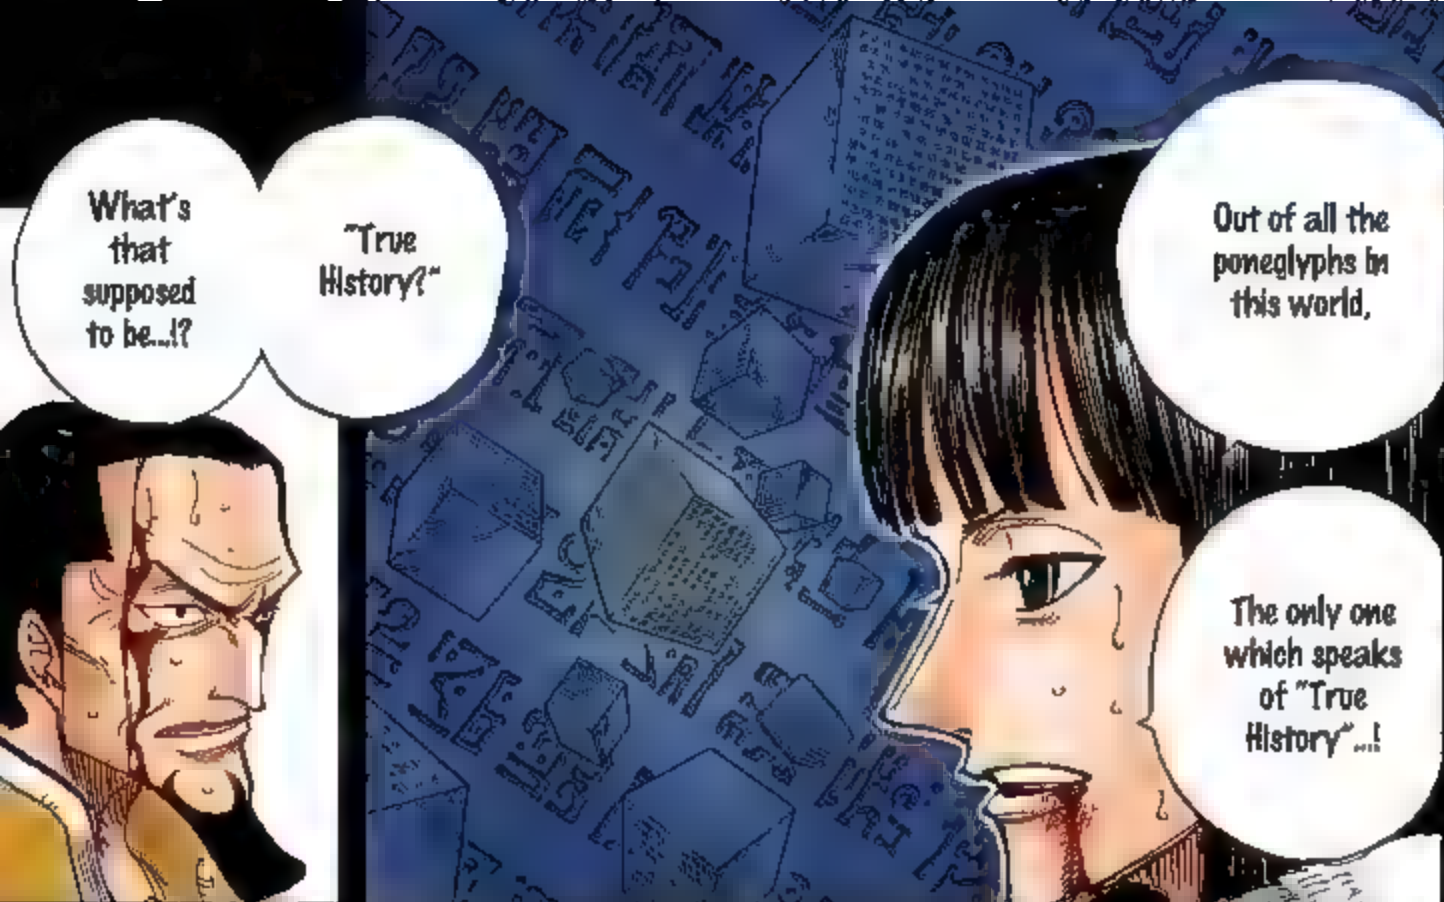

Then why
did you
come here?

Was the
"Rio Poneglyph."

The object
I sought...

!?

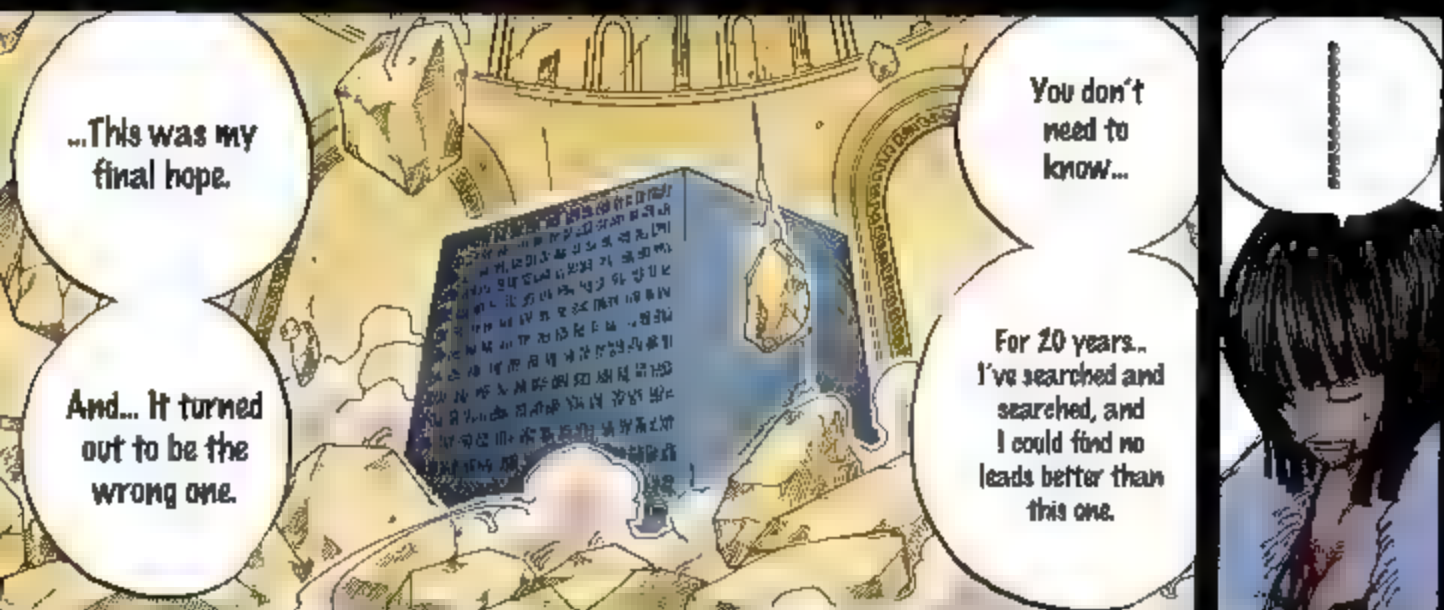

What's
that
supposed
to be...!?

"True
History?"

Out of all the
pomegranates in
this world,

The only one
which speaks
of "True
History"...!

...This was my
final hope.

And... It turned
out to be the
wrong one.

You don't
need to
know...

For 20 years..
I've searched and
searched, and
I could find no
leads better than
this one.

.....

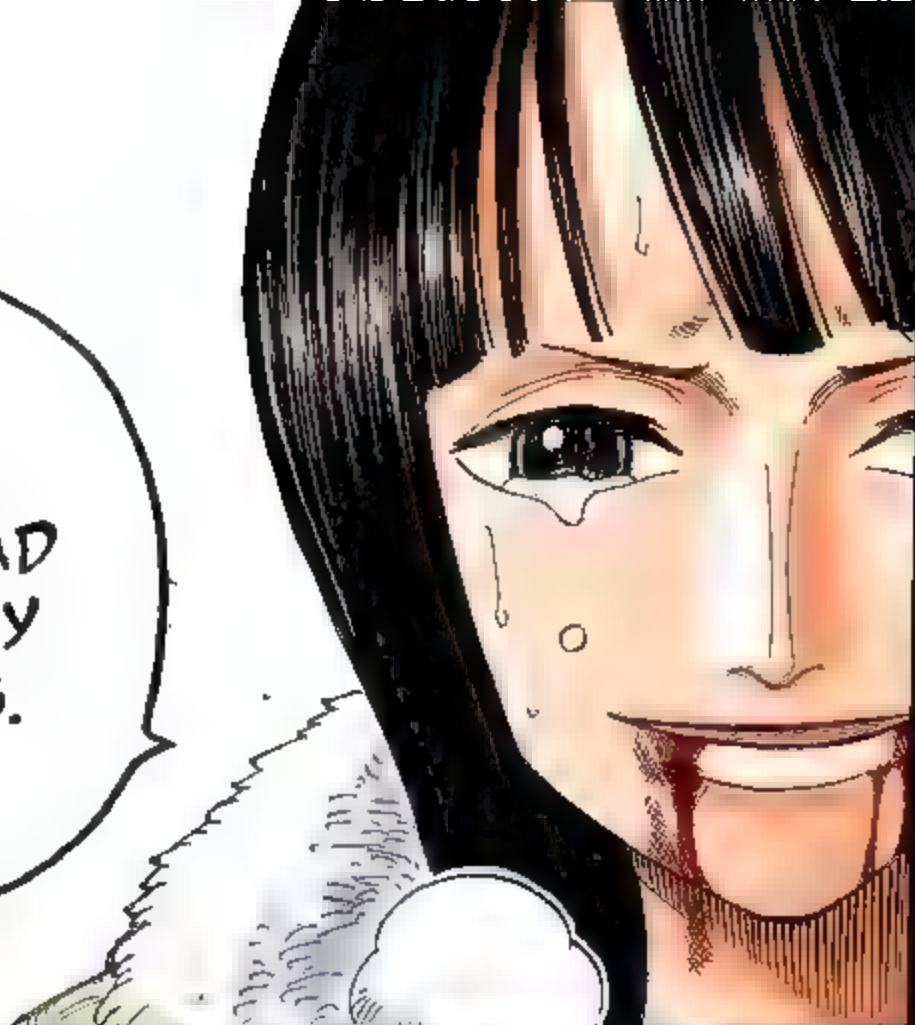

All I wanted
was to know
"History"...

If I'm to die
here, then
that's fine...

I'm tired of
following
down this
path in life...

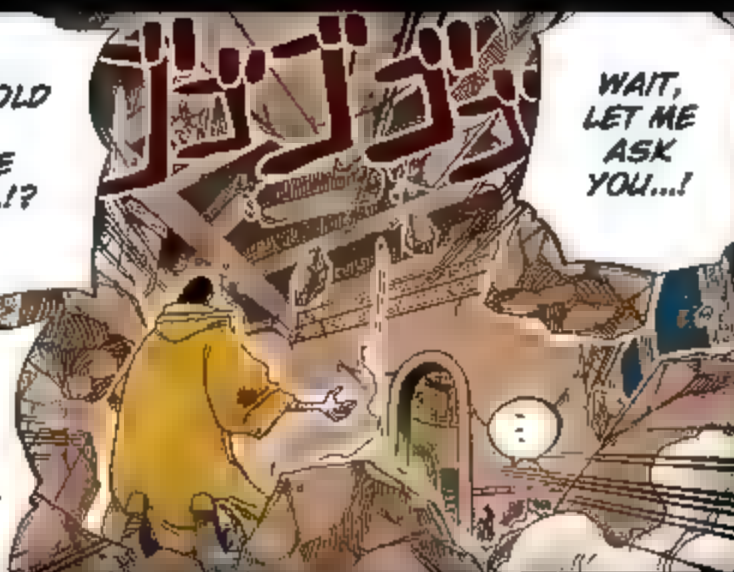

BUT MY
DREAM HAD
TOO MANY
ENEMIES.

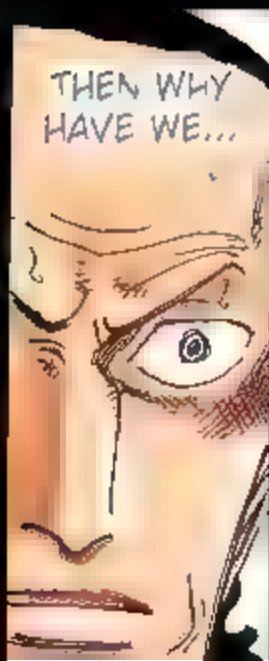

CAN THE "UNTOLD
HISTORY"...
ACTUALLY BE
CONSTRUED...!?

ARE YOU
SAYING
THAT'S
WHAT THE
"PONEGLYPHS"
RECORD!?

WAIT,
LET ME
ASK
YOU...!

THEN WHY
HAVE WE...

Alright.

Let's head up.

I can't believe it...

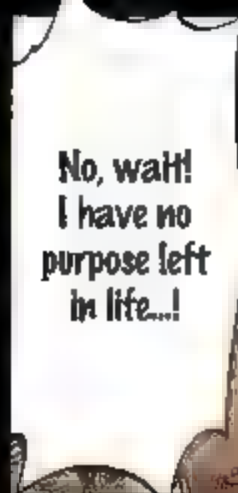

WHA!?

?

Just leave me behind!

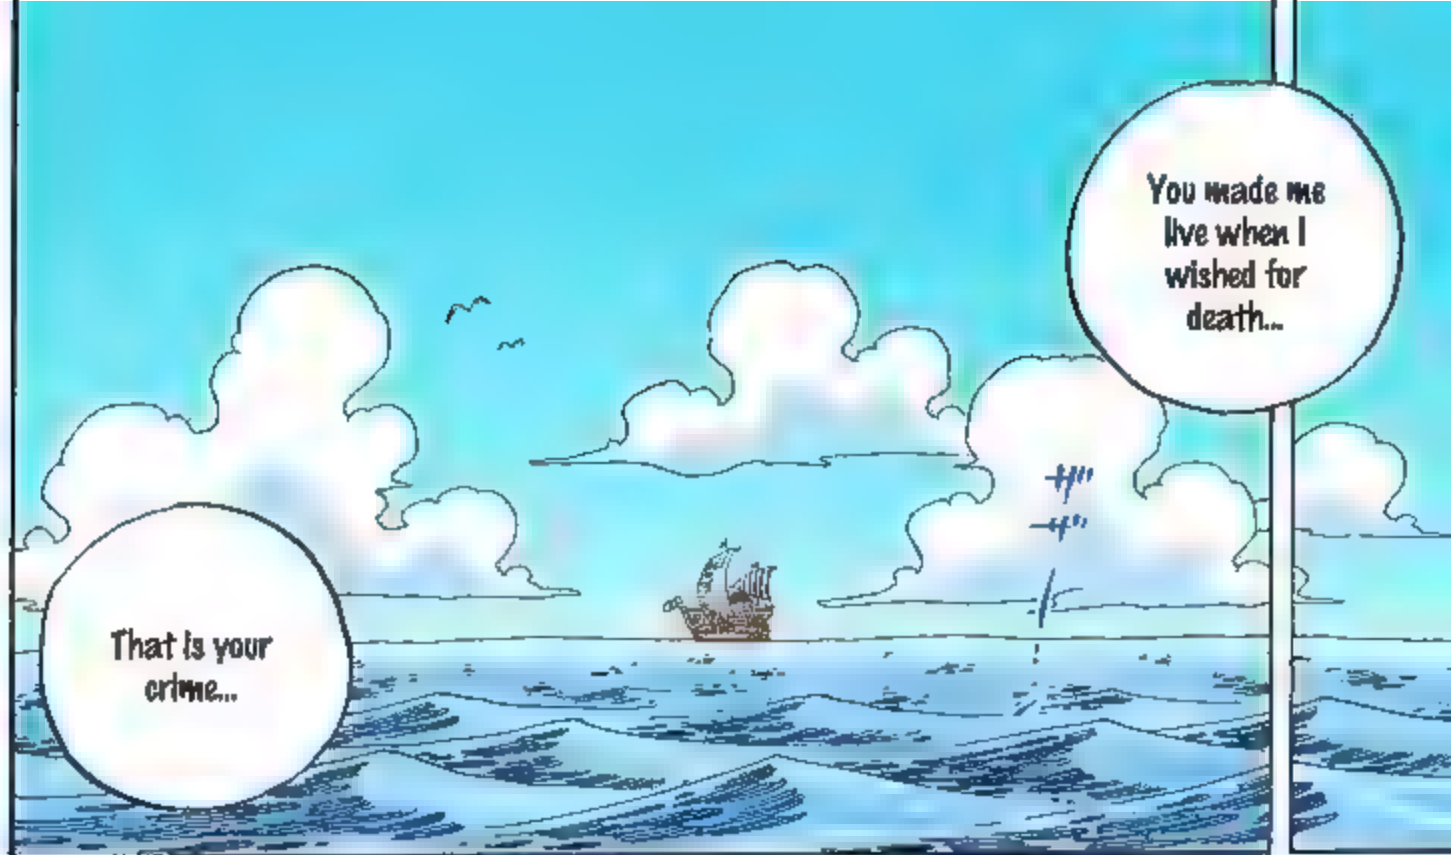

No, wait!
I have no purpose left in life...!

Why the hell should I listen to you?

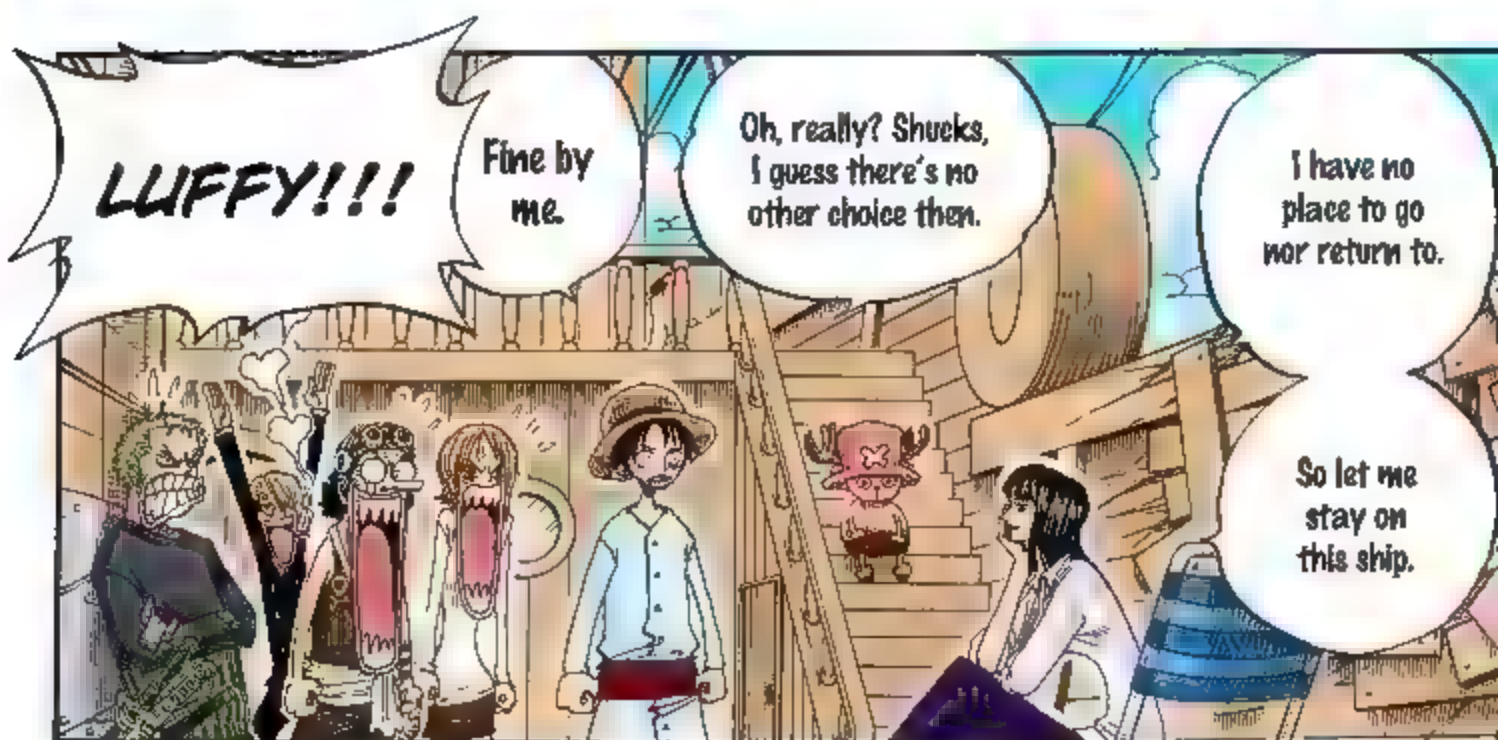

!!!?

That is your crime...

You made me live when I wished for death...

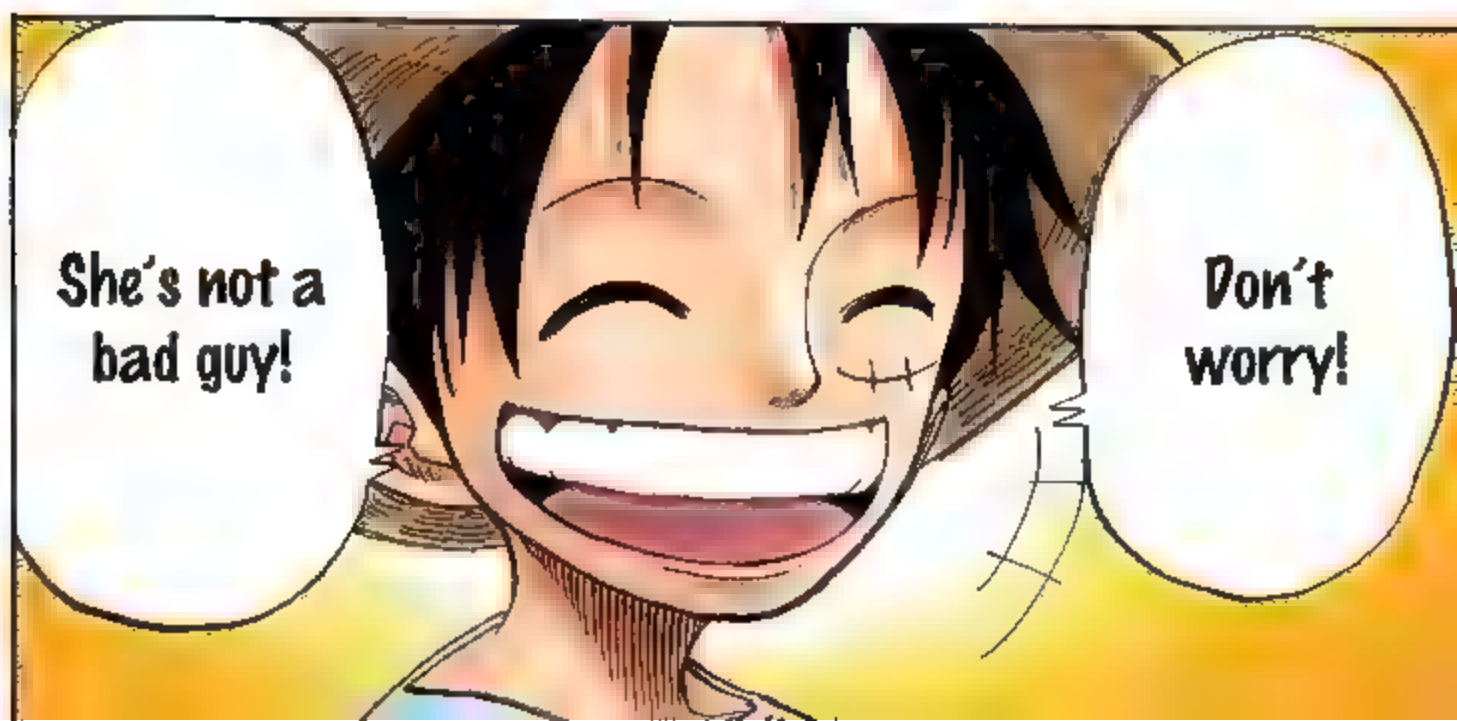

LUFFY!!!

Fine by me.

Oh, really? Shucks, I guess there's no other choice then.

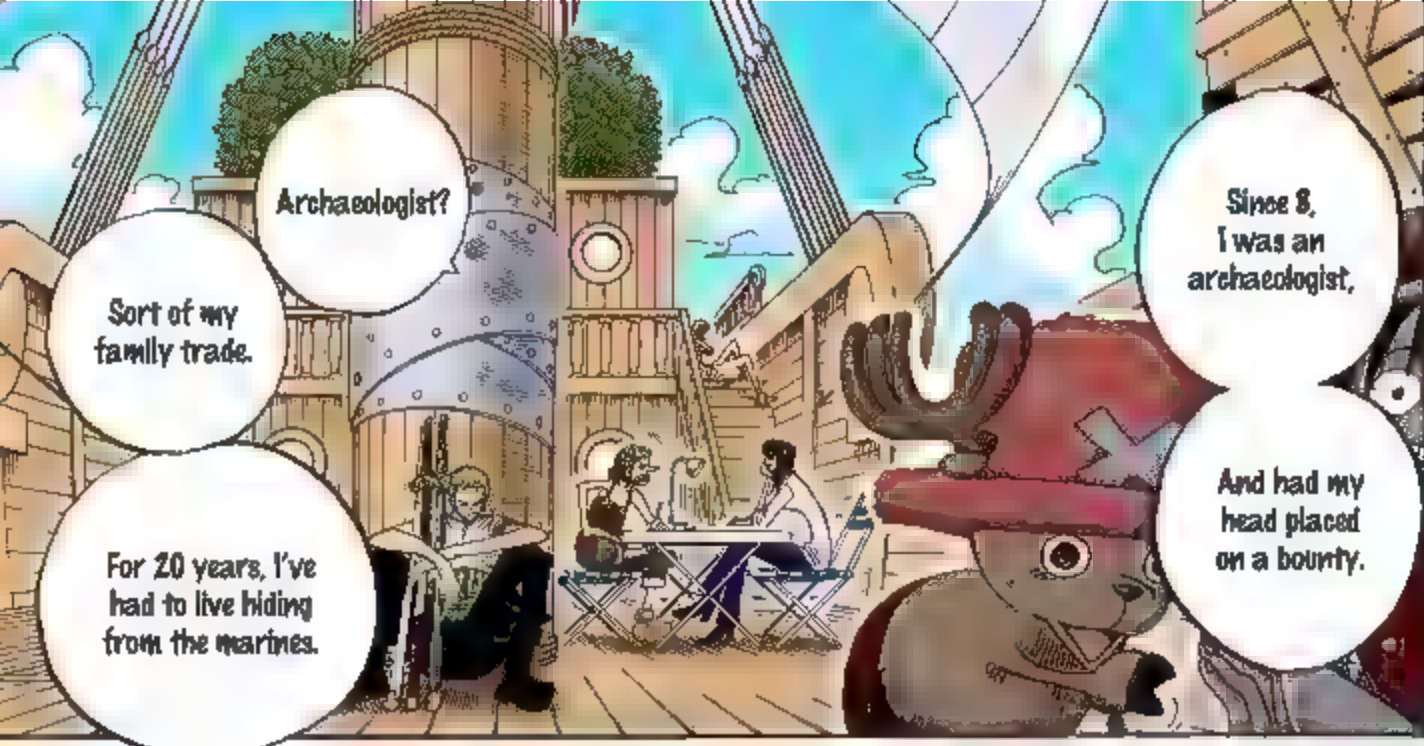

I have no place to go nor return to.

So let me stay on this ship.

She's not a bad guy!

Don't worry!

Archaeologist?

Sort of my family trade.

For 20 years, I've had to live hiding from the marines.

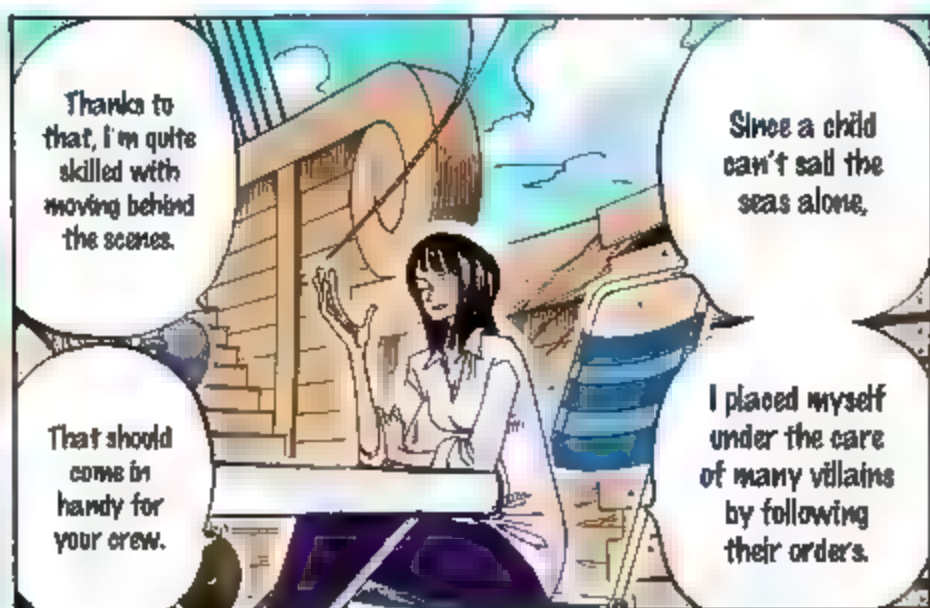

Since 8, I was an archaeologist,

And had my head placed on a bounty.

What would you say is your specialty?

Heh, you sound confident...

Thanks to that, I'm quite skilled with moving behind the scenes.

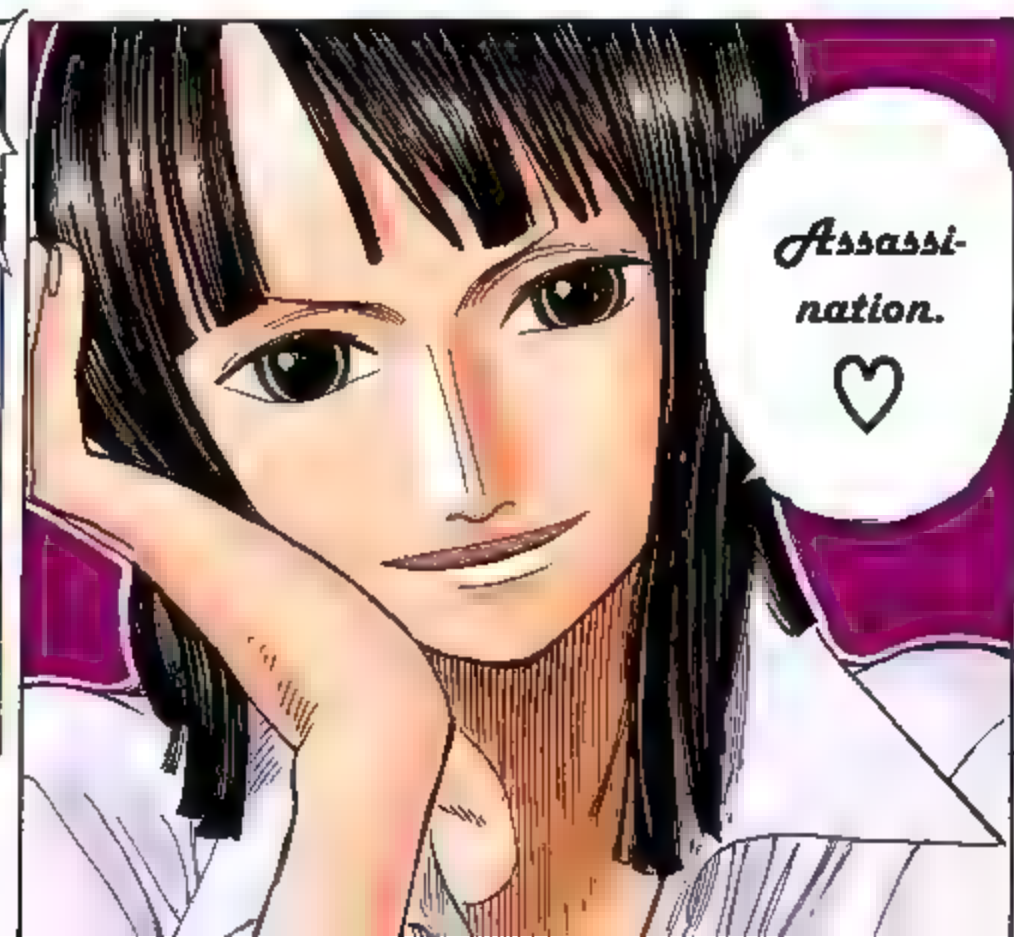

That should come in handy for your crew.

Since a child can't sail the seas alone,

I placed myself under the care of many villains by following their orders.

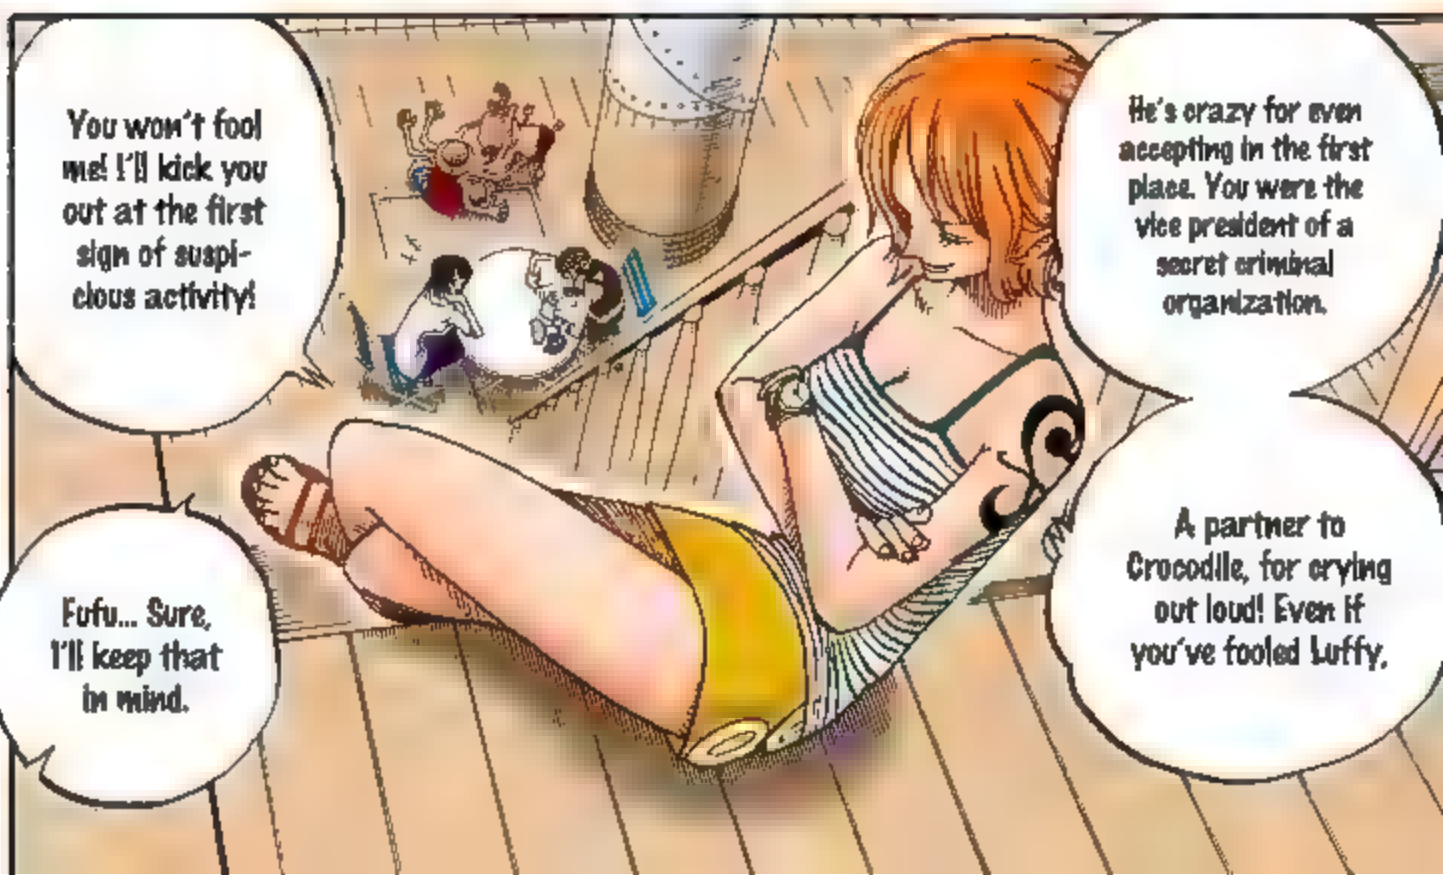

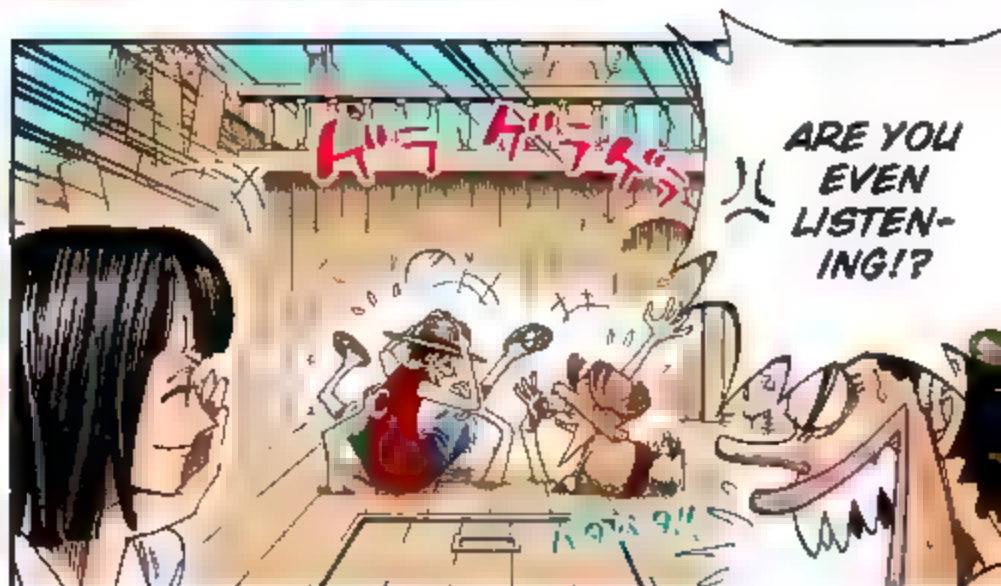

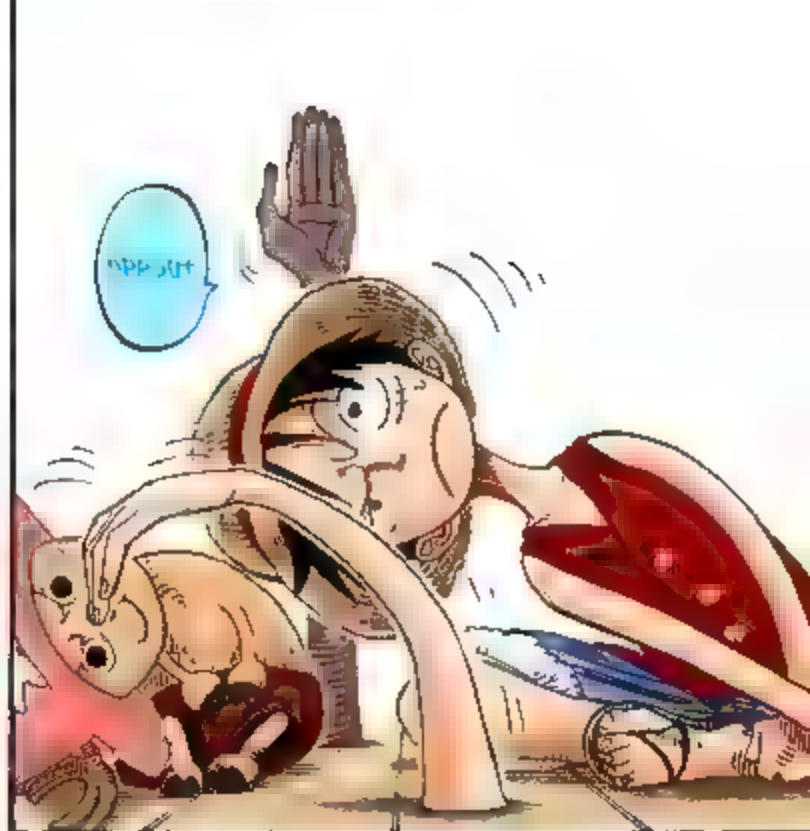

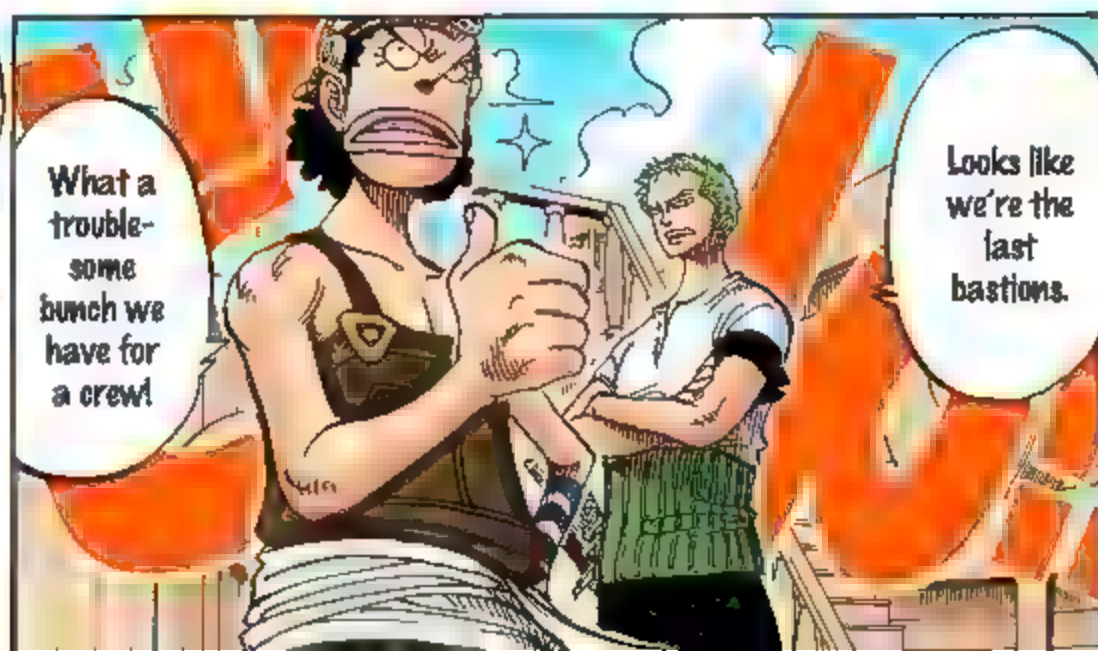

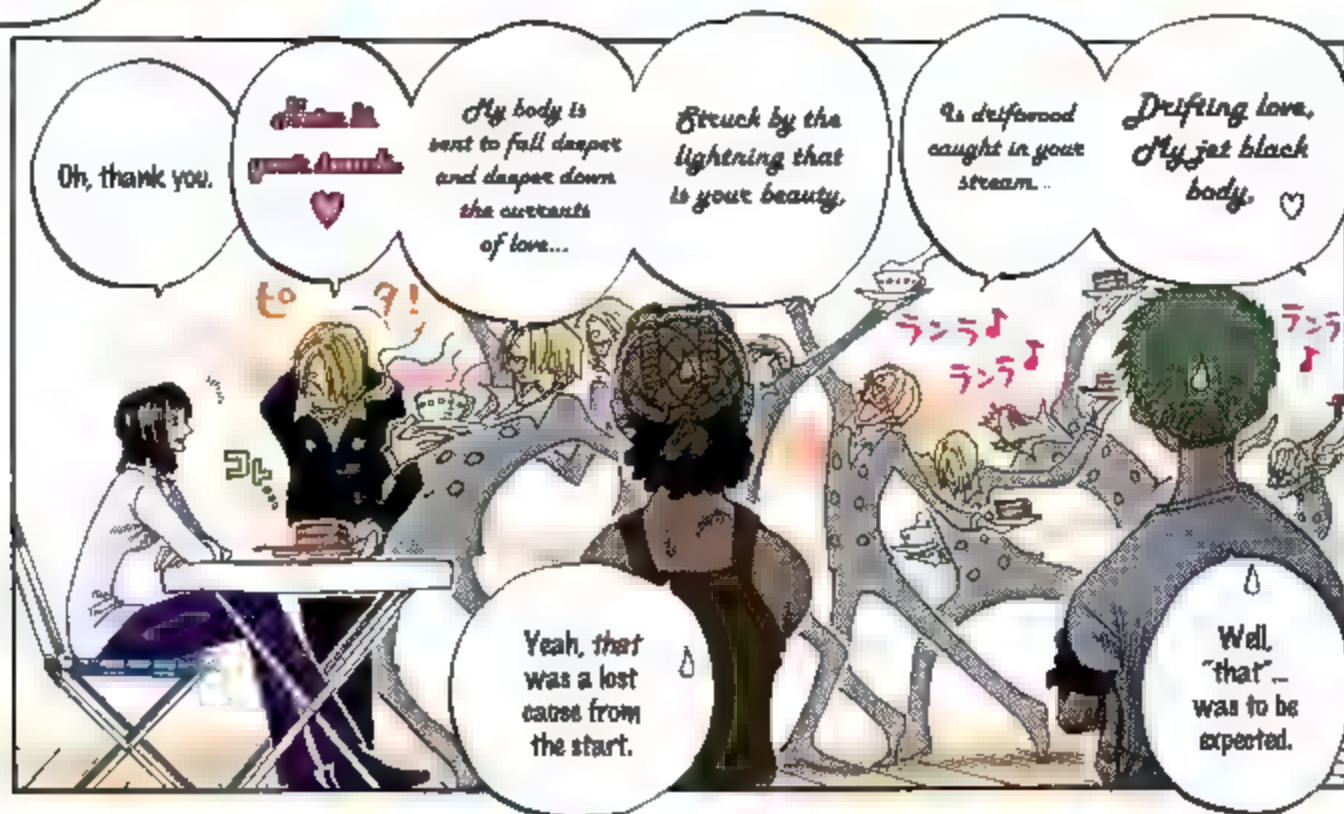

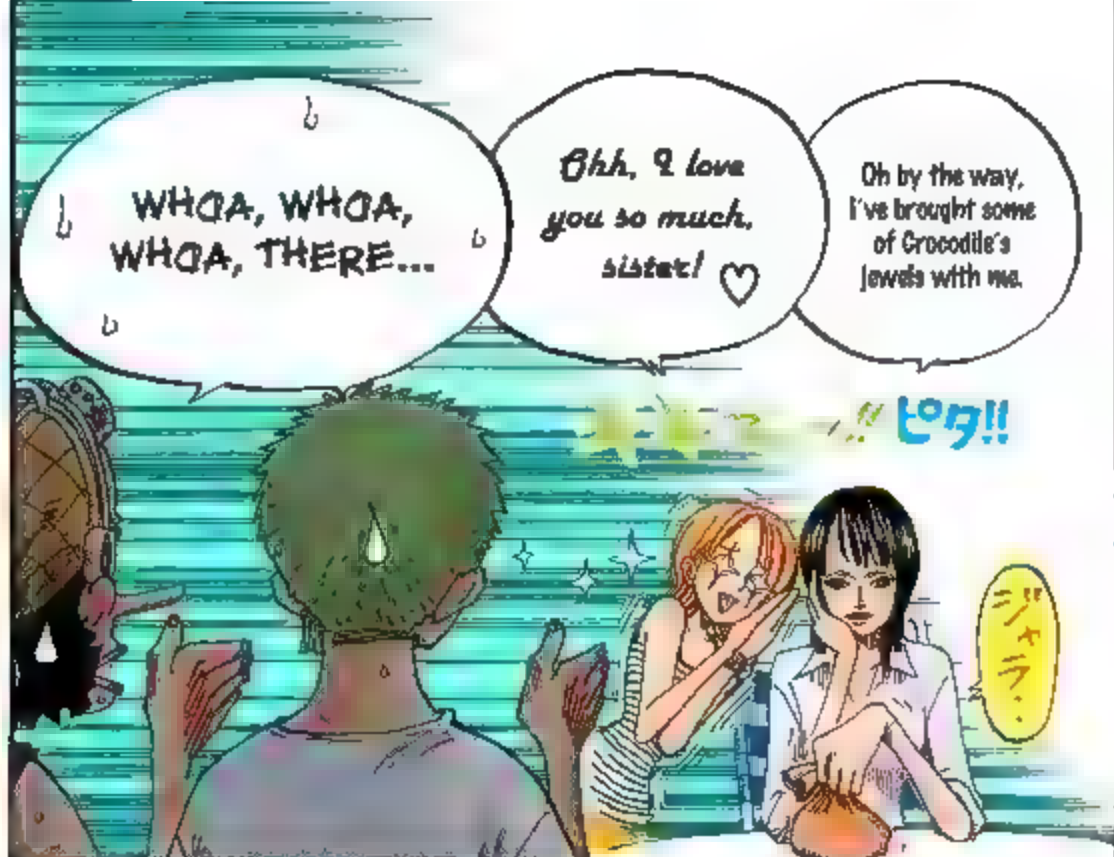

LUFFY! AFTER CAREFUL INVESTIGATION, I'VE COME TO THE CONCLUSION THIS WOMAN IS WAY TOO DANGEROUS!

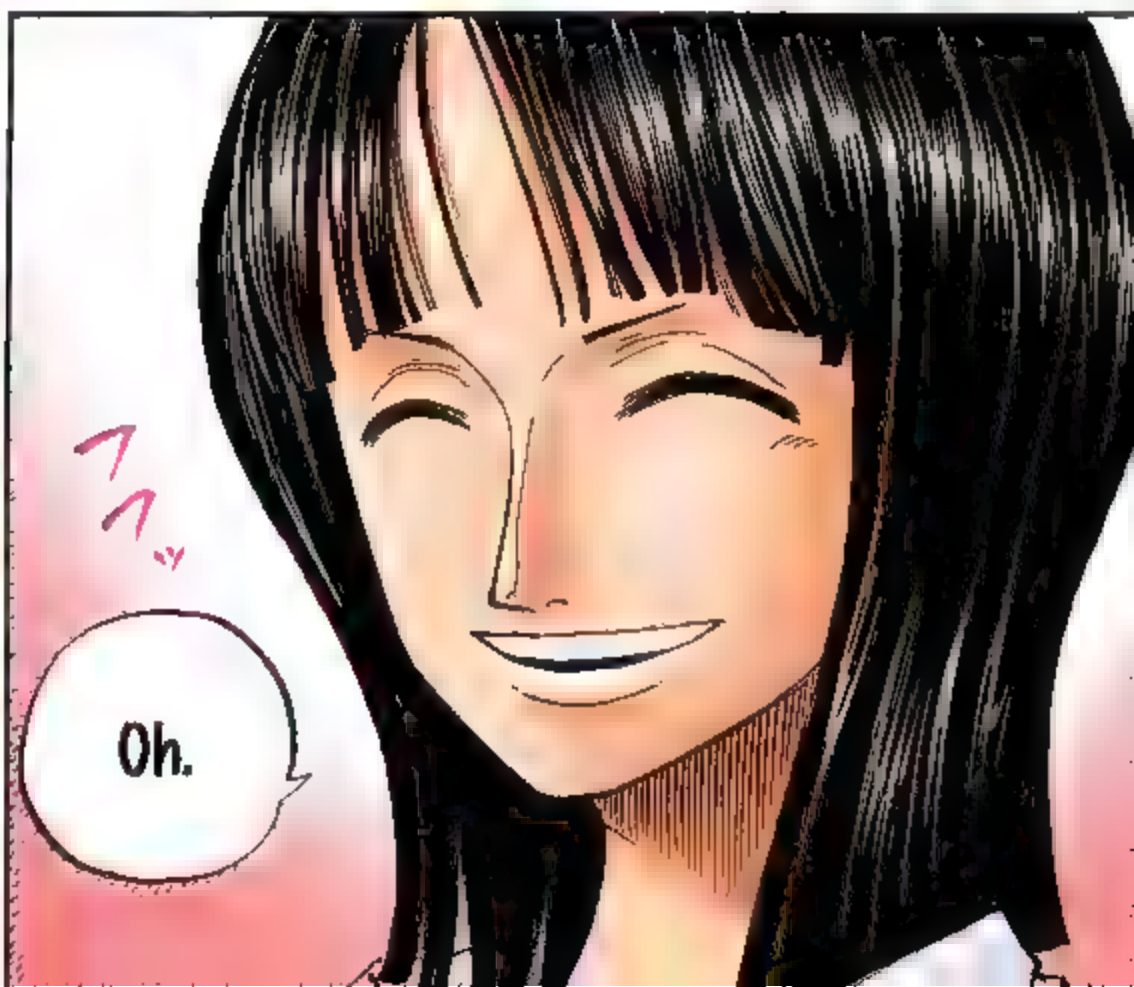

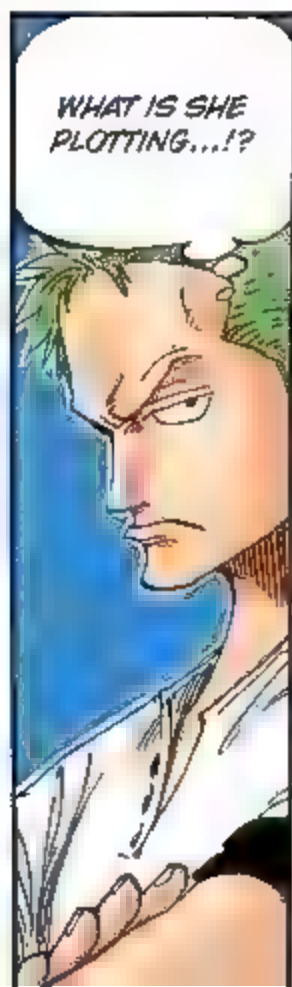

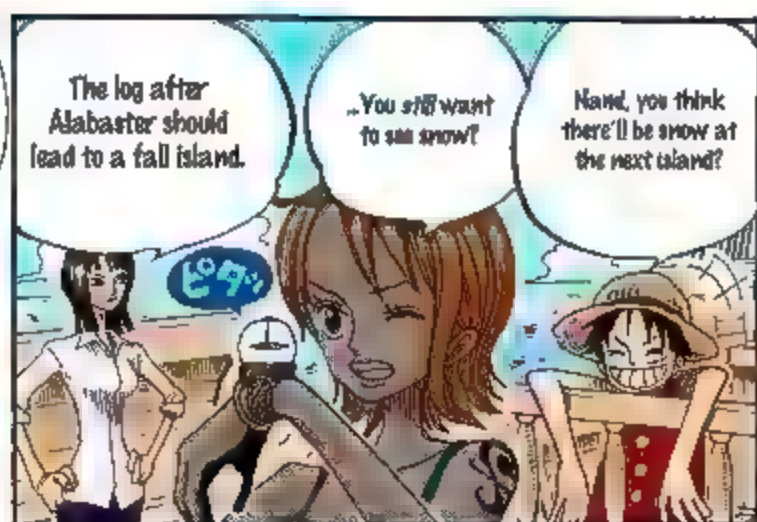

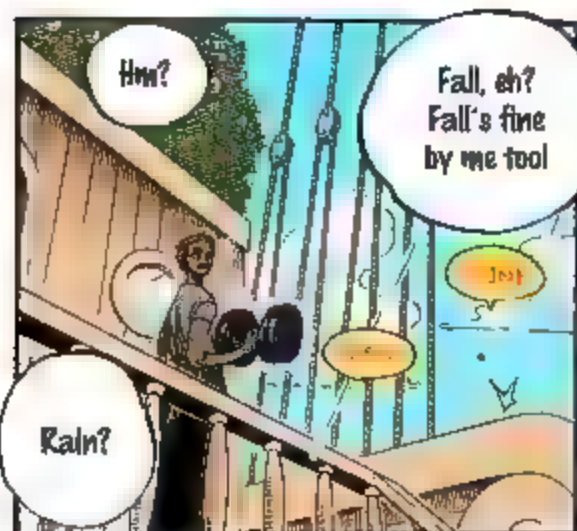

Assassination.

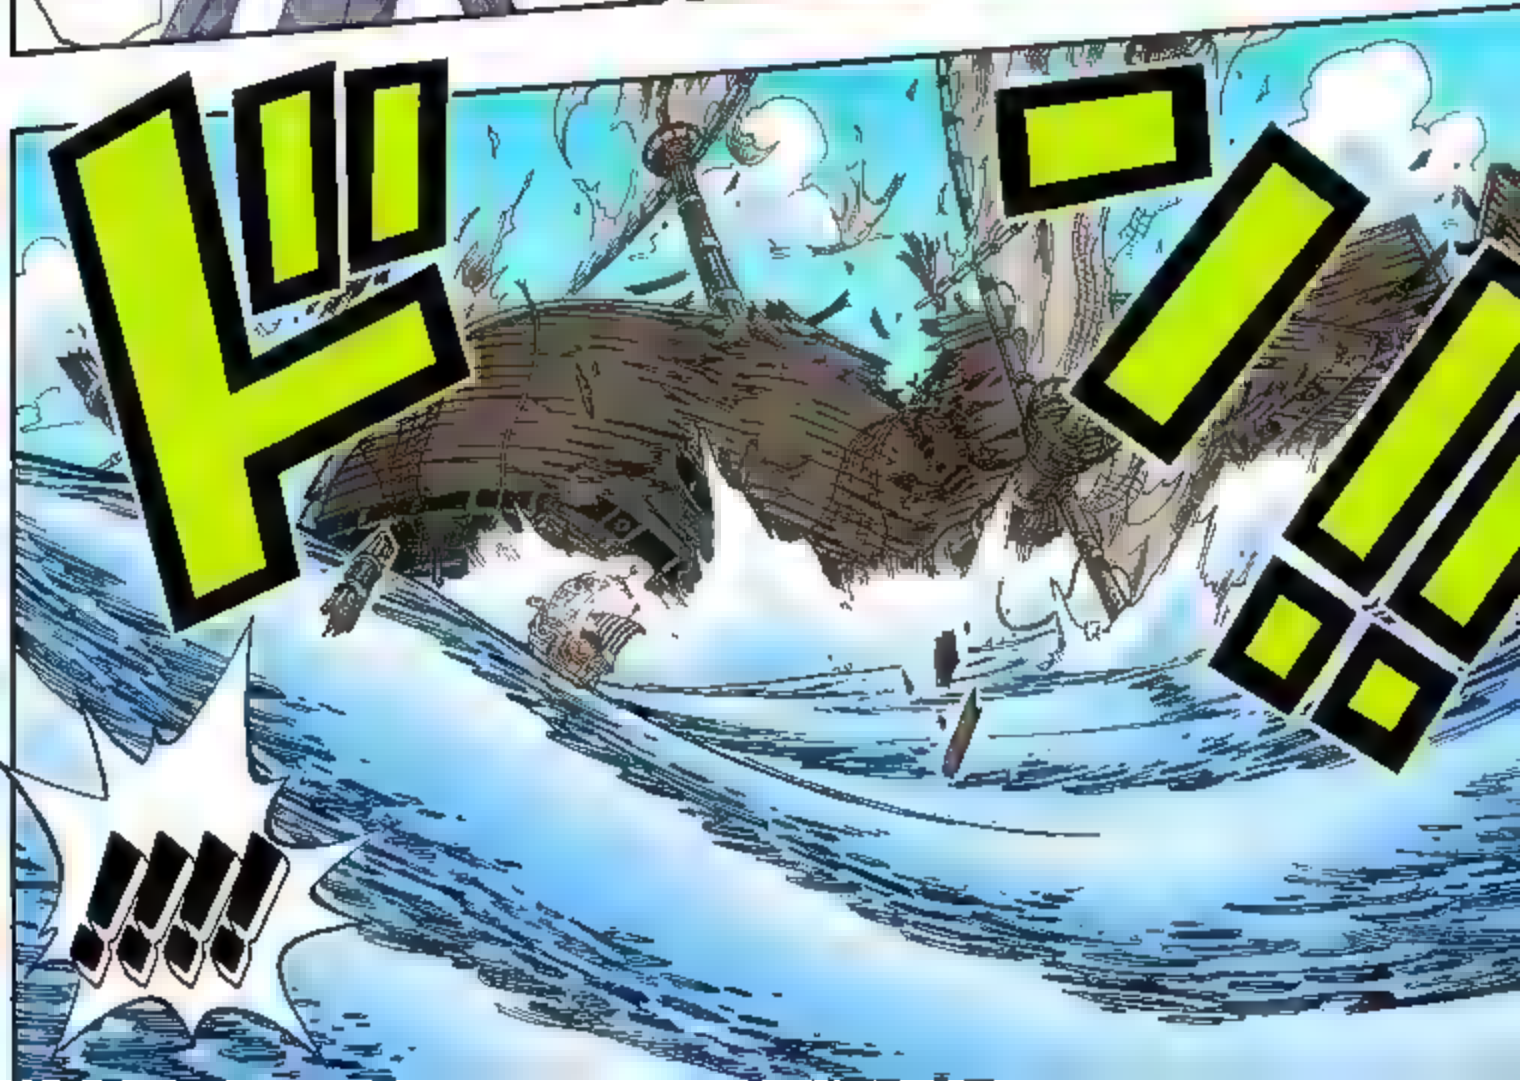

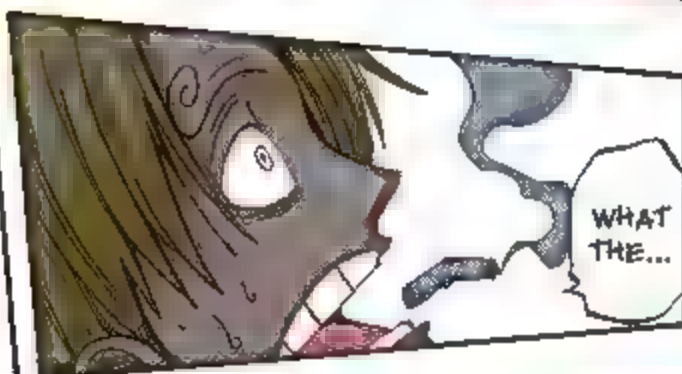

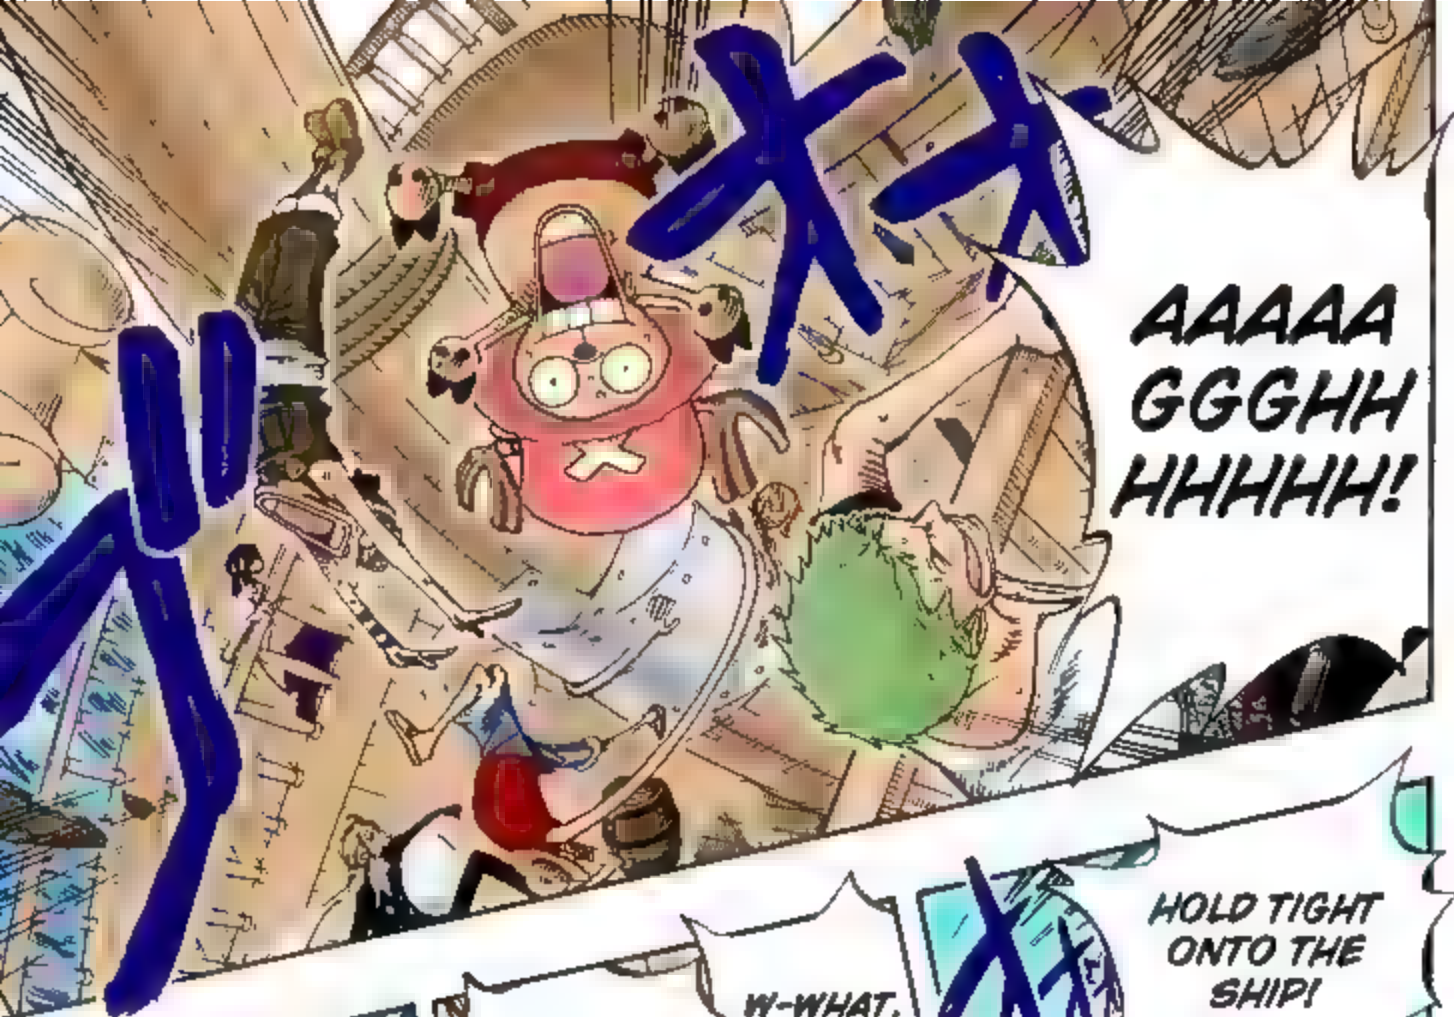

Everything
that humans
can imagine.

Can happen
in reality.
-Physicist
Willy Gallon-

AAAAA
GGGHH
HHHHH!

THERE'S STILL
MORE STUFF
FALLING DOWN!
WATCH OUT!

A DREAM!
YES, I
MUST BE
DREAMING!

W-WHAT,
WHAT,
WHAT?!

Whew,
that's a
relief!

A
DREAM!

HOLD TIGHT
ONTO THE
SHIP!

And then
slowly open
them again.

There's
nothing to
worry
about. Just
close your
eyes like so.

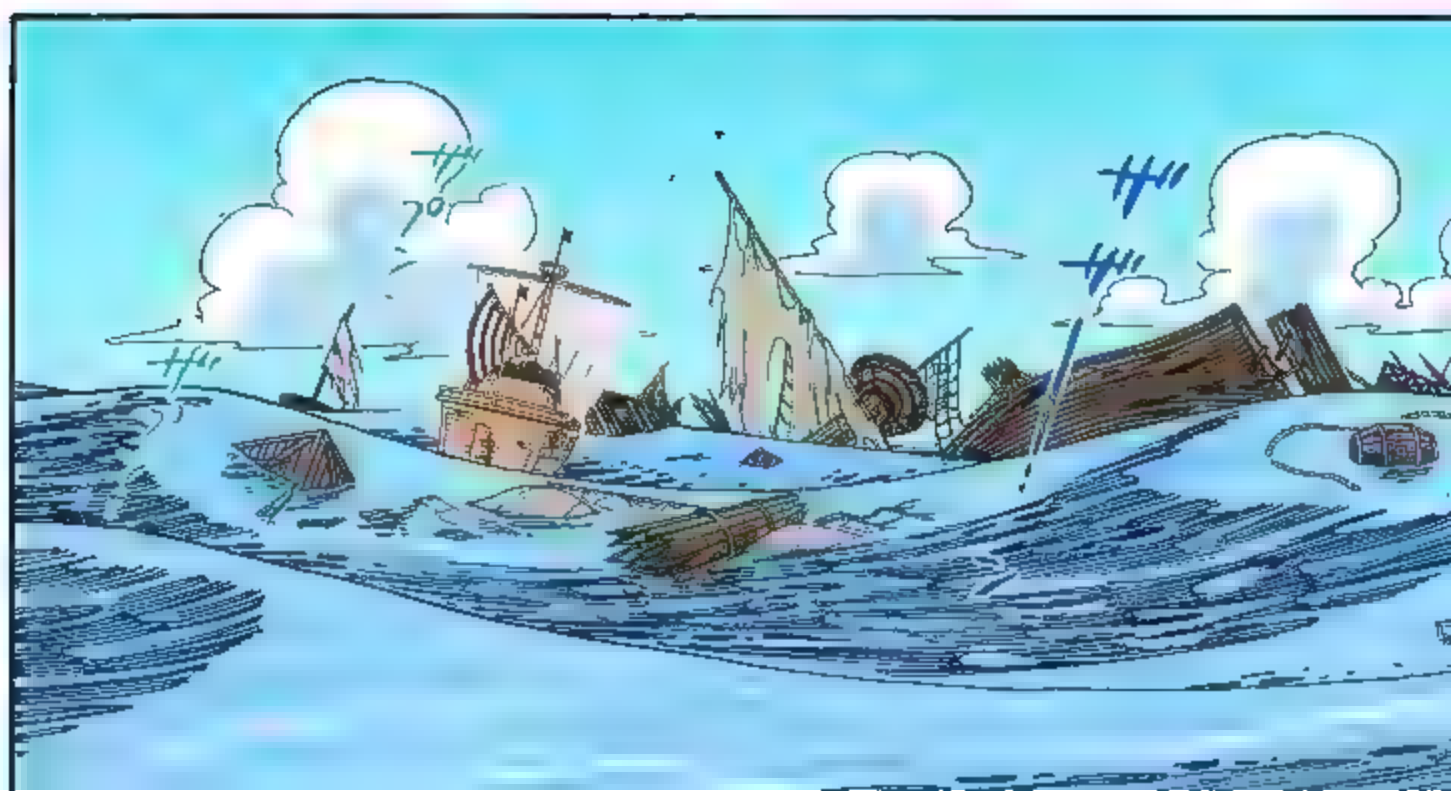

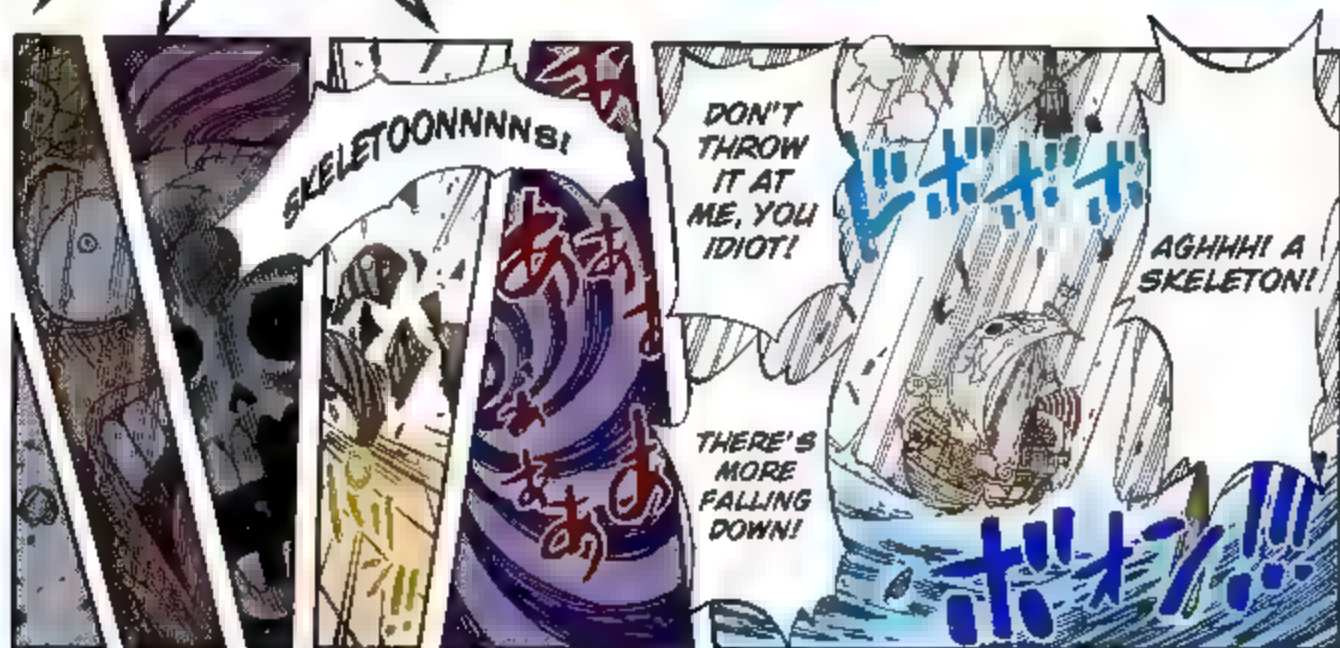

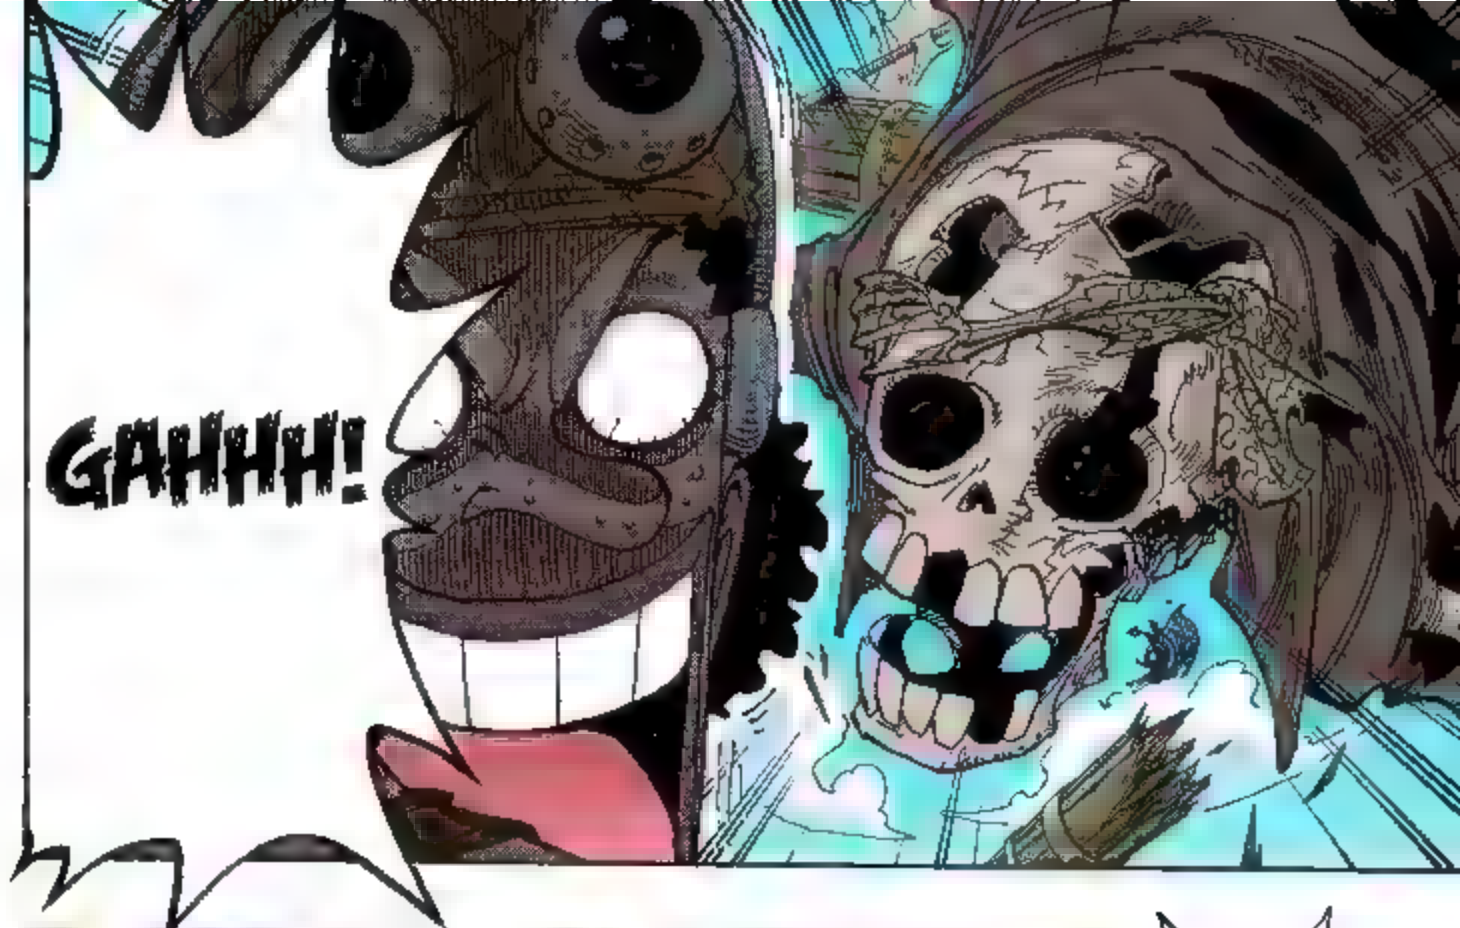

Alright!
Hm?
Usopp!

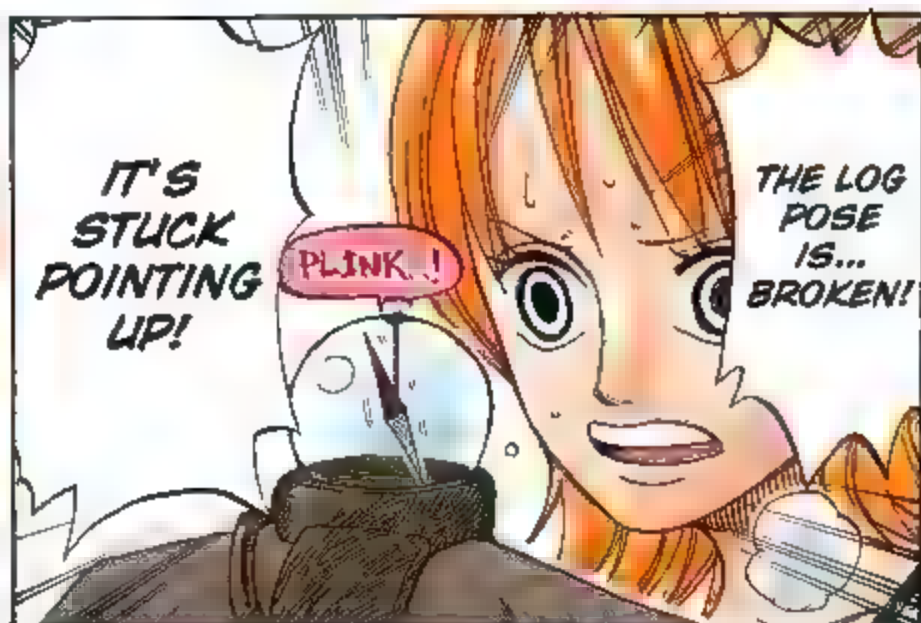

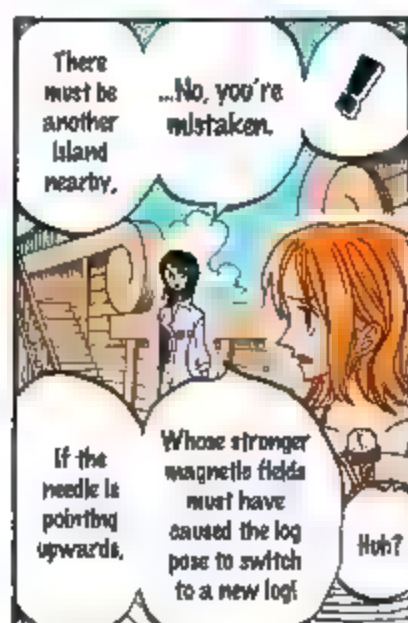

Luffy! Protect
the ship! She
can't take
much more!

AS IF THAT'D
WORK WITH
THESE
WAVES!

TURN THE
RUDDER!

And look...
It's a calm,
beautiful
morn-

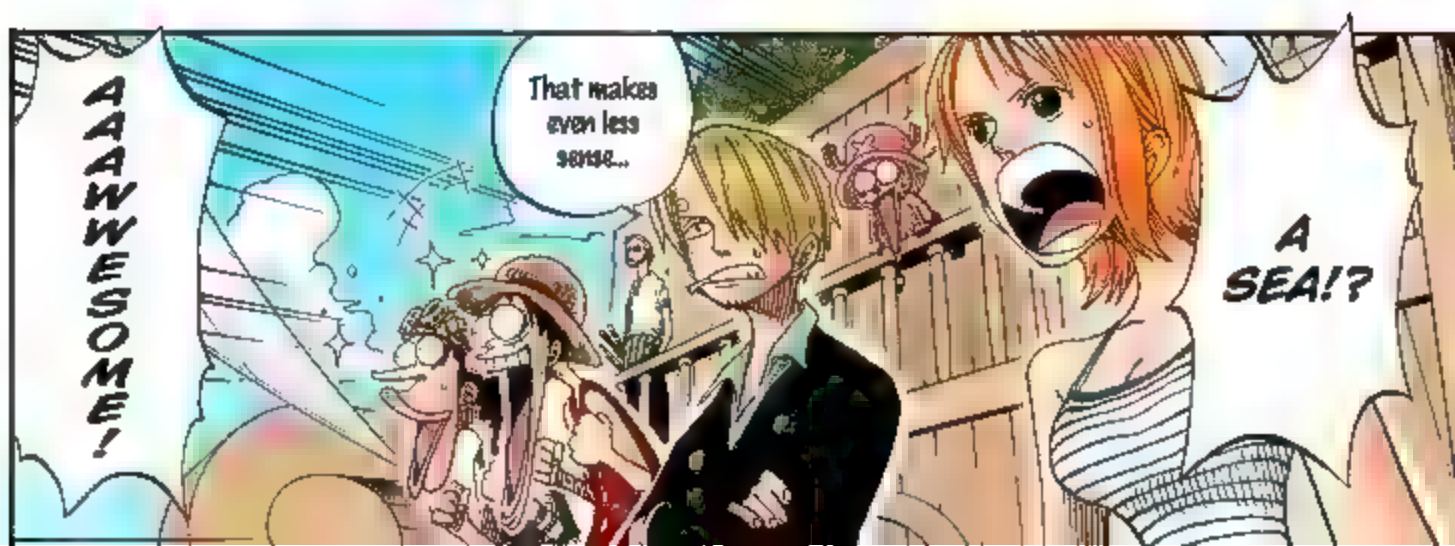

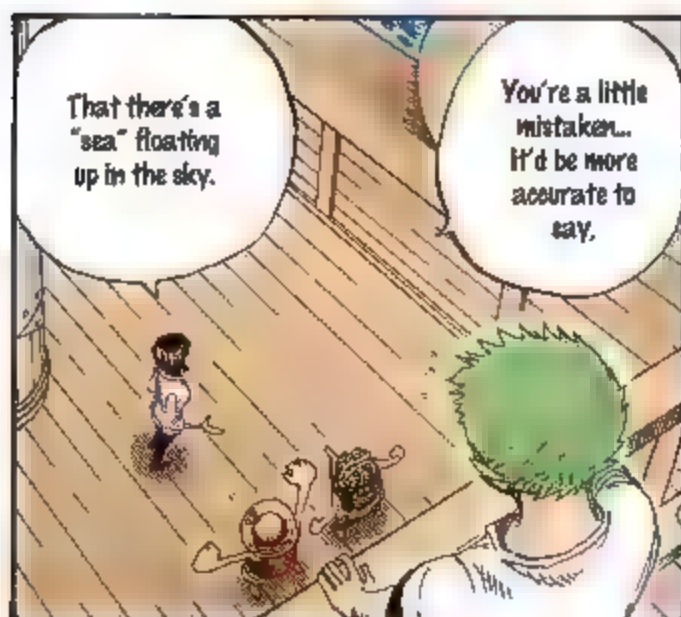

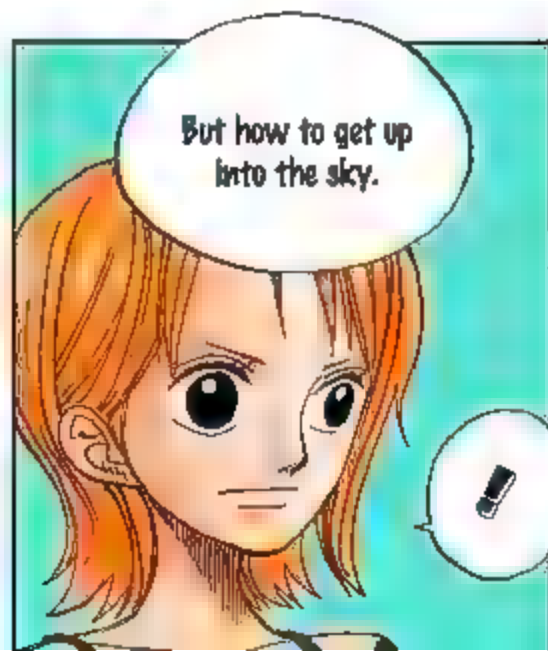

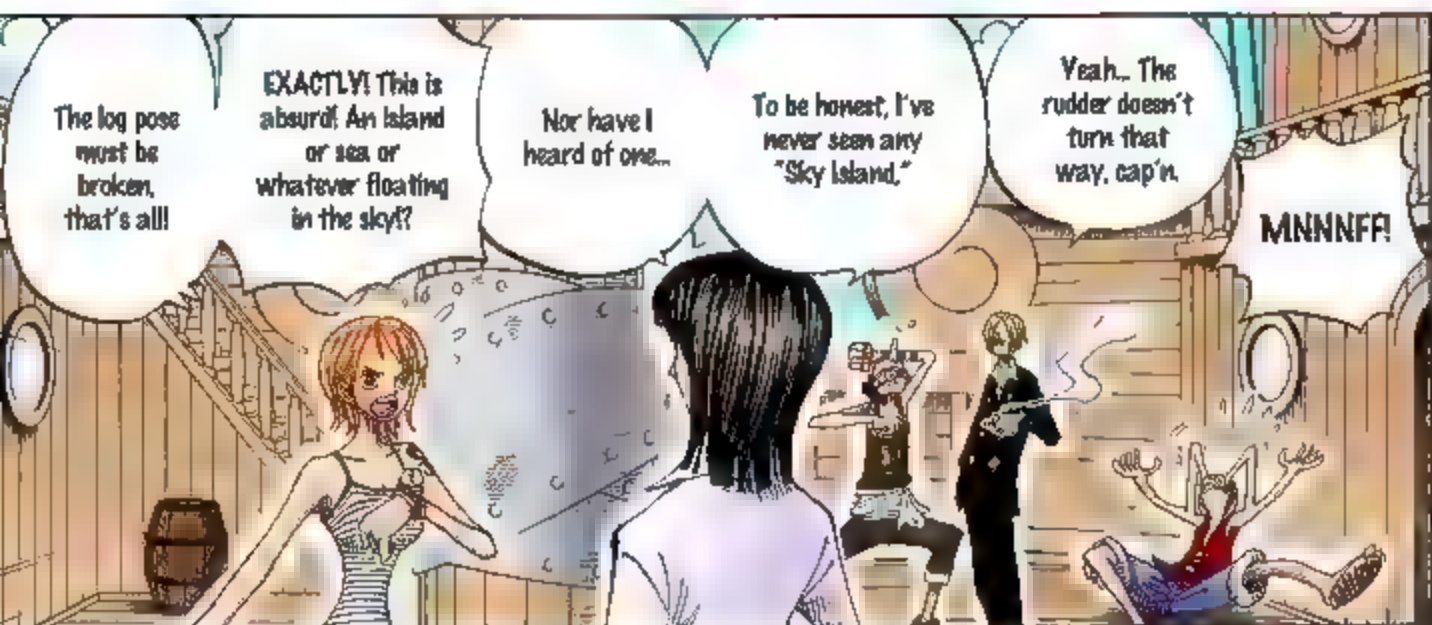

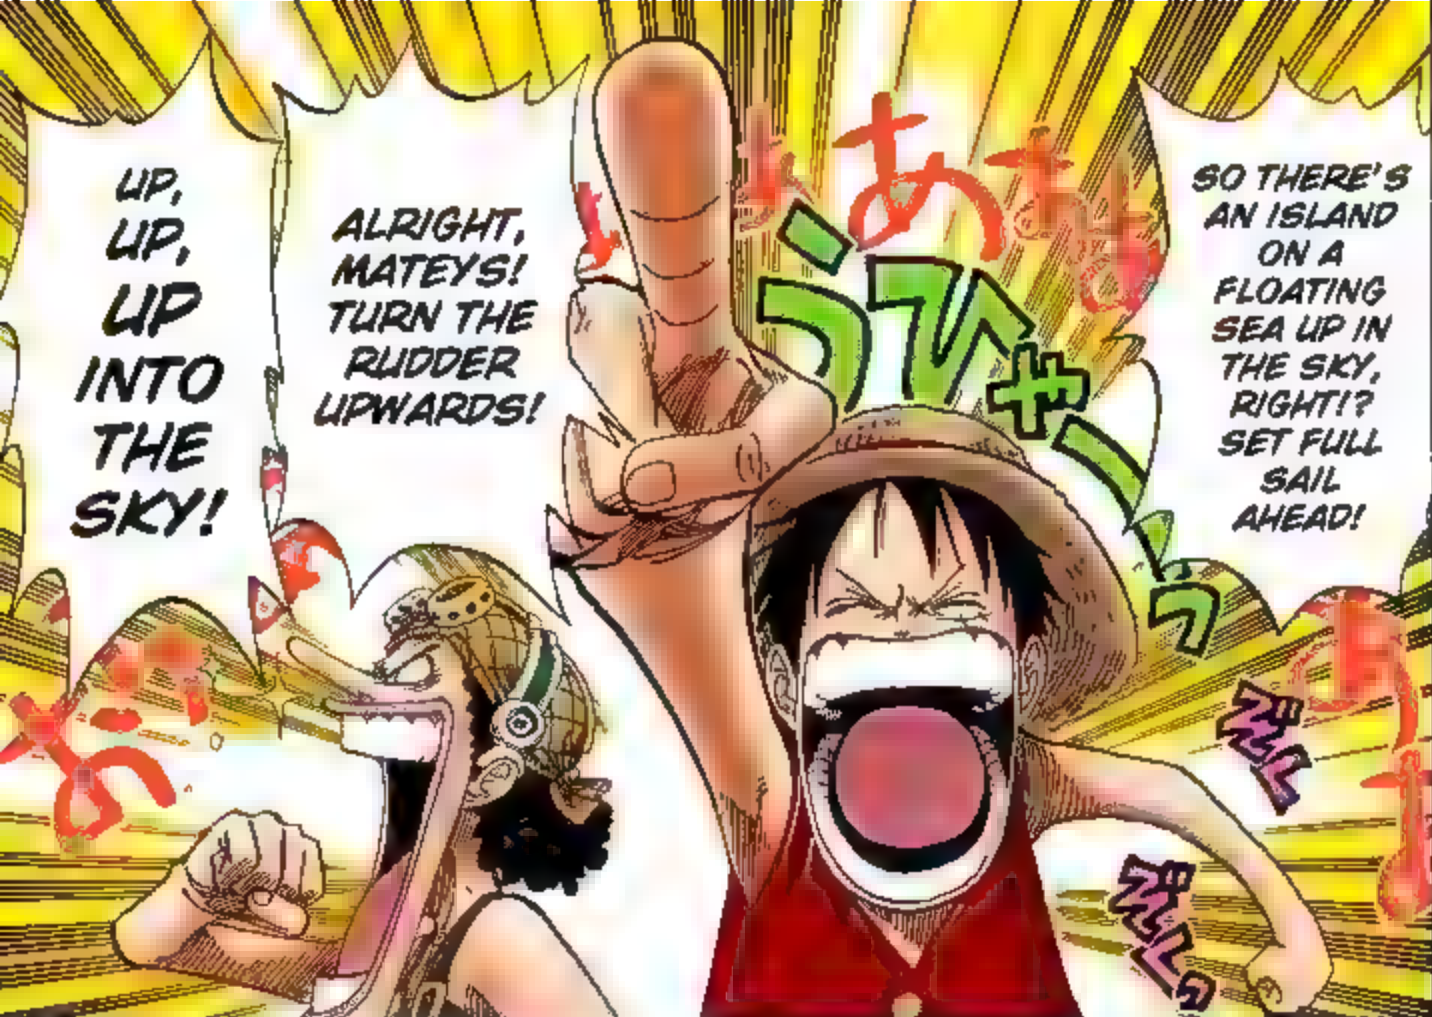

Chapter 219

“Salvage King Masira”

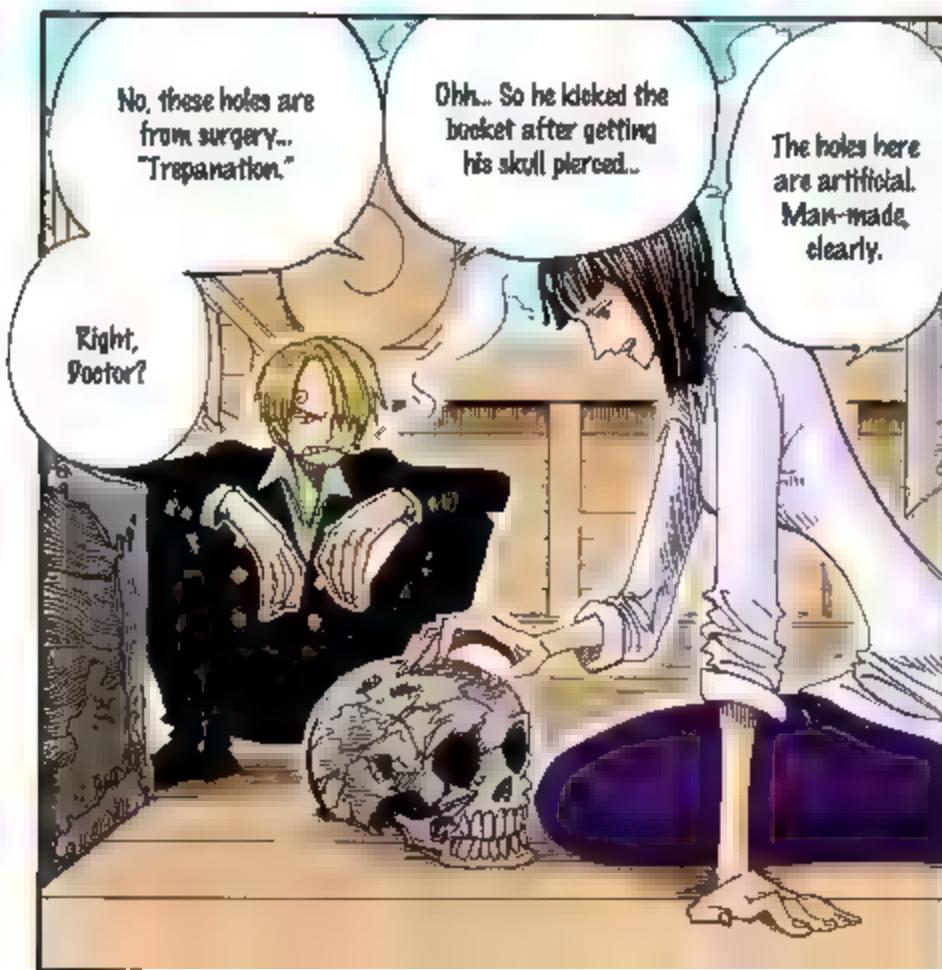

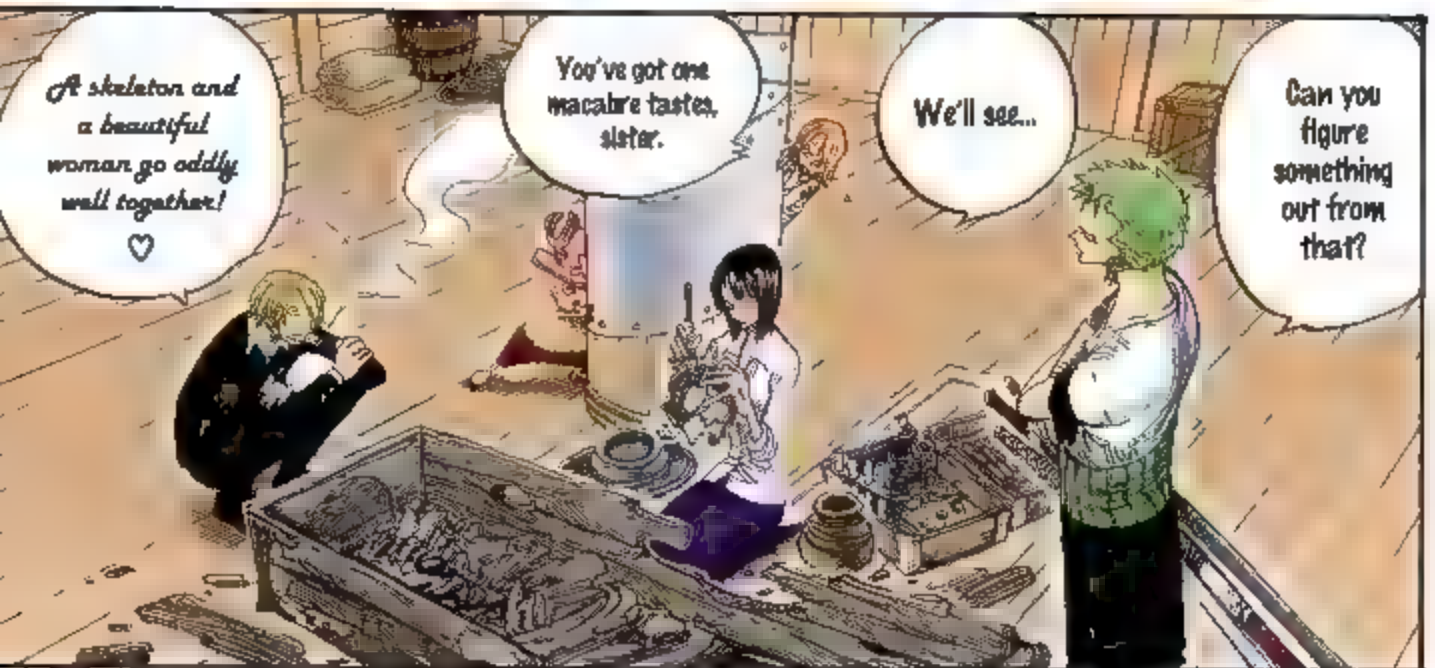

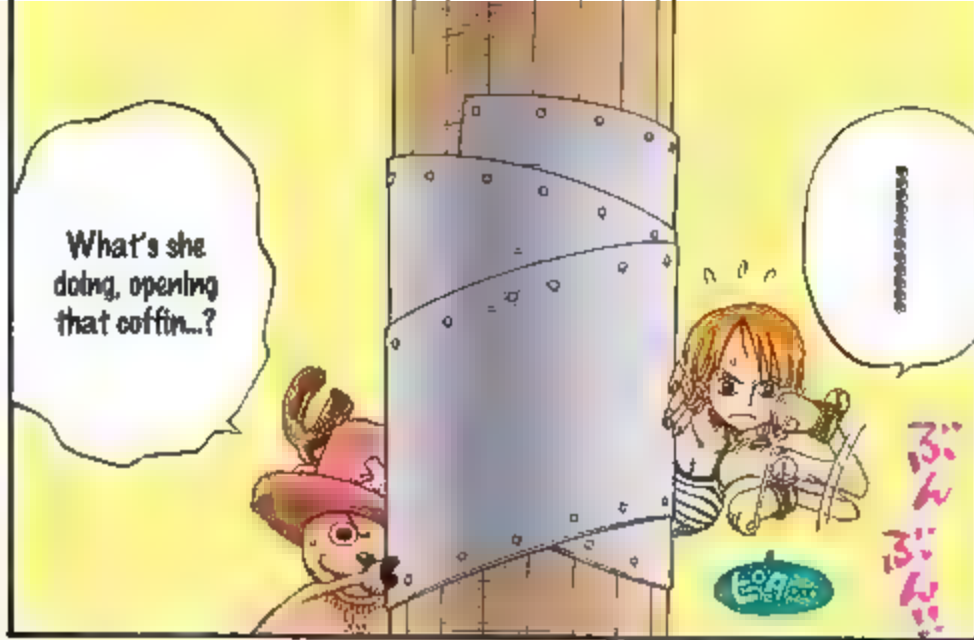

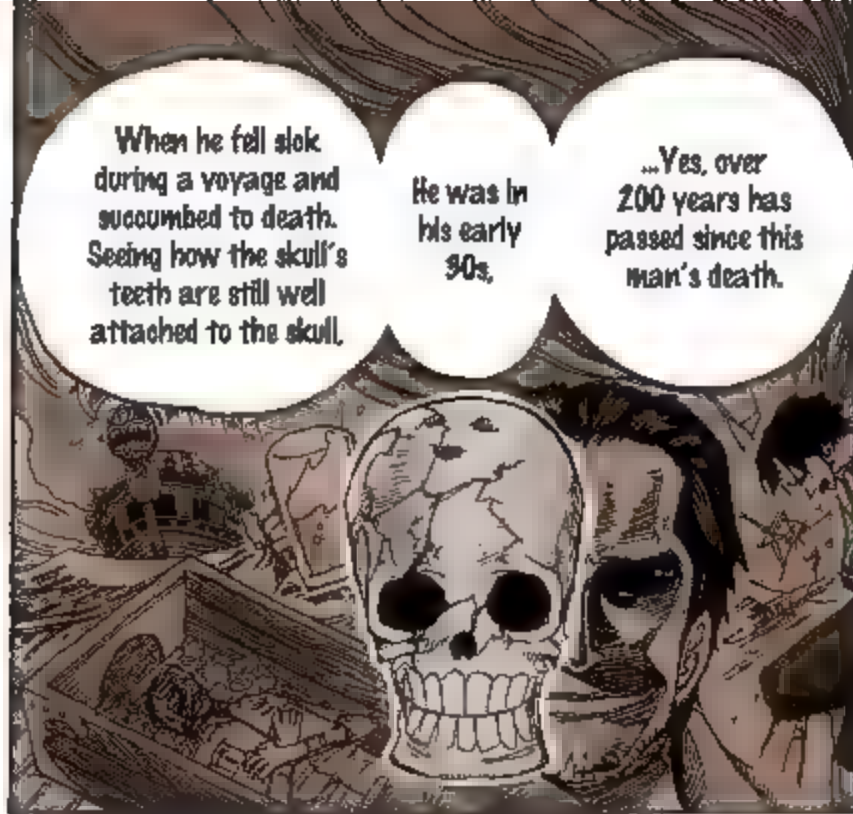

HACHI'S OCEAN FLOOR STROLL VOL. 33
"WITH CATFISH VILLAGE SAVED, THE LAST BOX WILL BE FOR A PROPOSAL!"

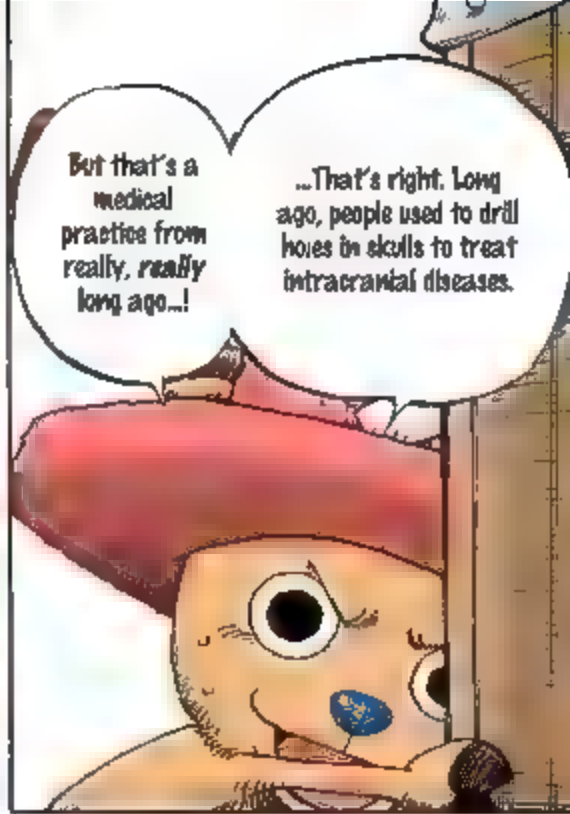

When he fell sick during a voyage and succumbed to death. Seeing how the skull's teeth are still well attached to the skull.

He was in his early 30s.

...Yes, over 200 years has passed since this man's death.

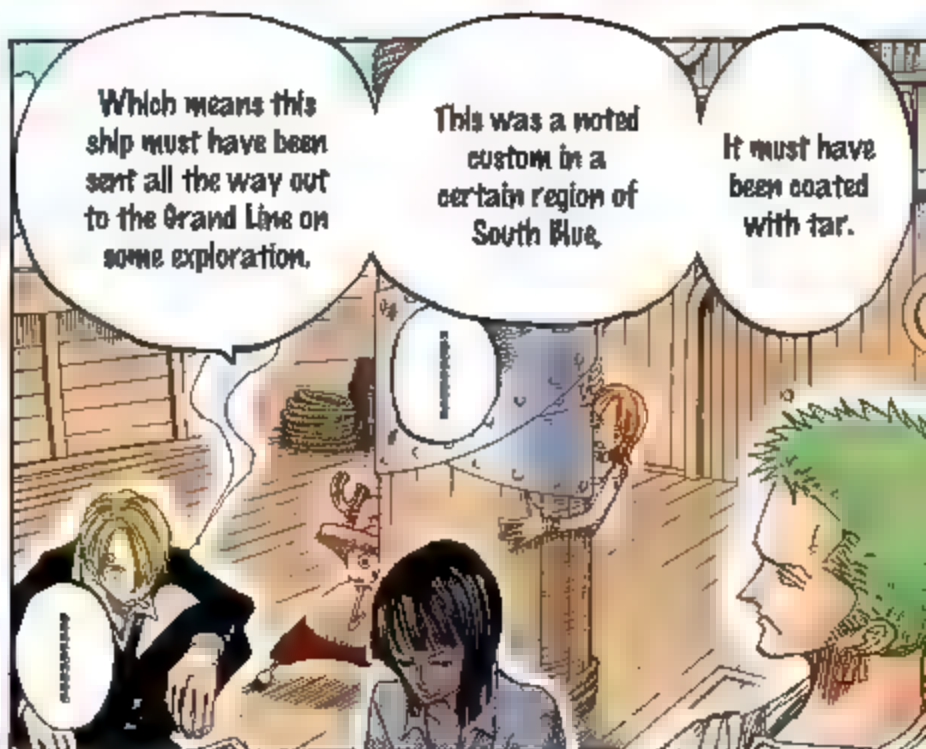

But that's a medical practice from really, really long ago...

...That's right. Long ago, people used to drill holes in skulls to treat intracranial diseases.

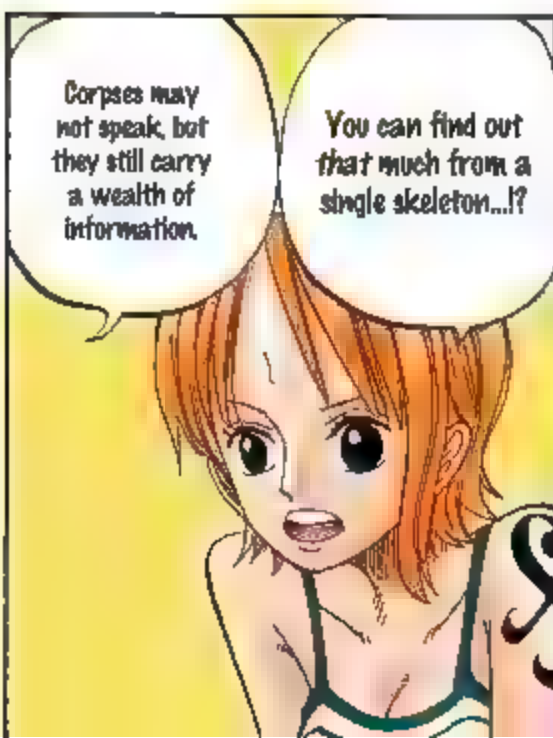

...Ah, here it is. 208 years ago, St. Briss set sail from the Briss Kingdom of South Blue.

Which means this ship must have been sent all the way out to the Grand Line on some exploration.

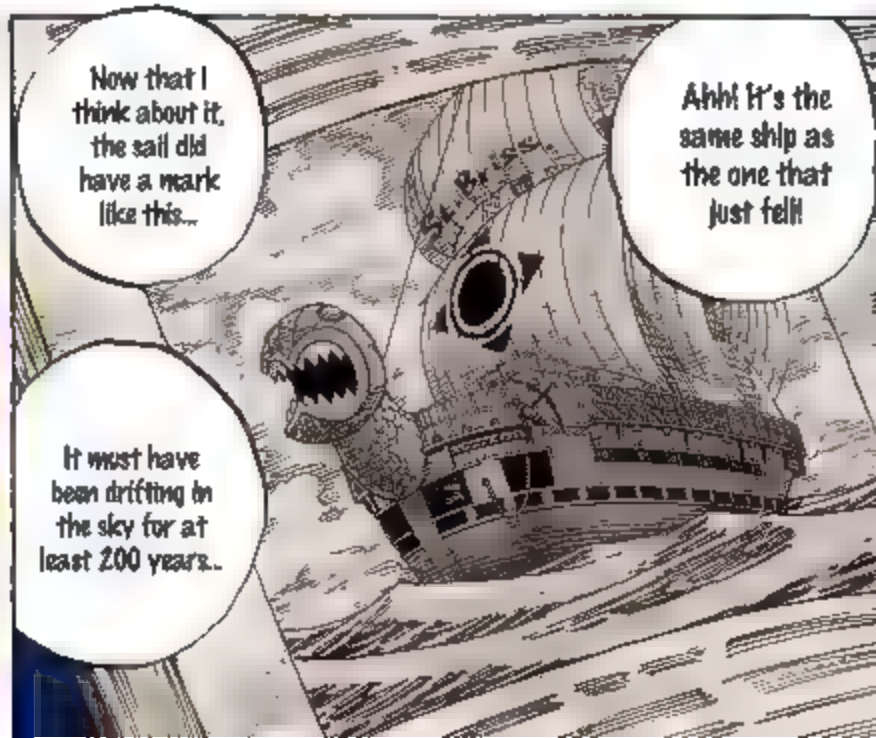

This was a noted custom in a certain region of South Blue.

It must have been coated with tar.

Corpses may not speak, but they still carry a wealth of information.

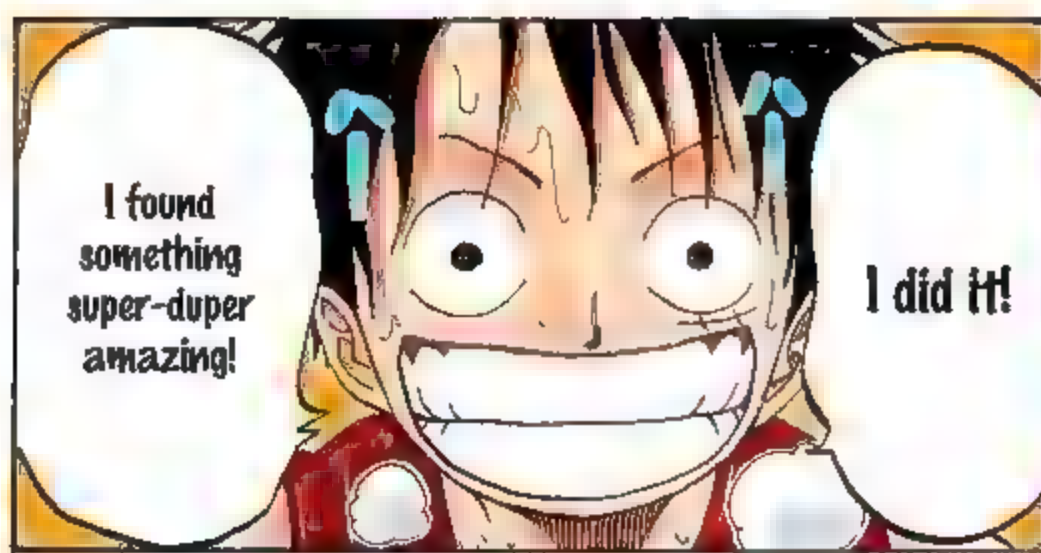

You can find out that much from a single skeleton...!?

Now that I think about it, the sail did have a mark like this...

It must have been drifting in the sky for at least 200 years...

Ahhh! It's the same ship as the one that just fell!

**A MAP
OF A...**

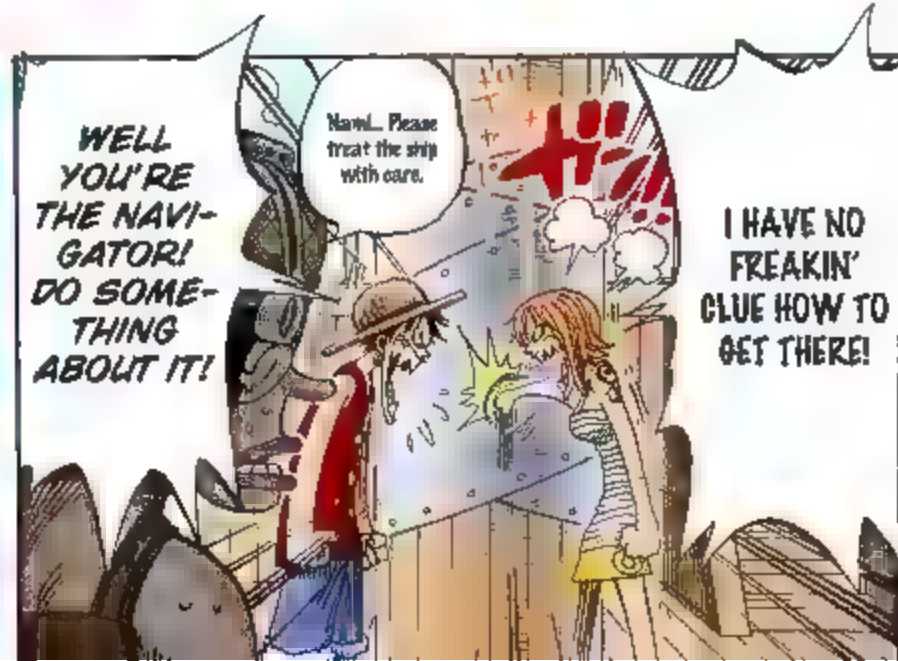

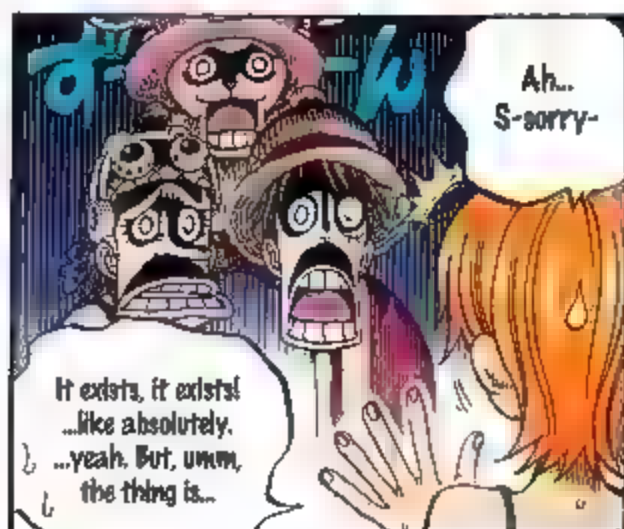

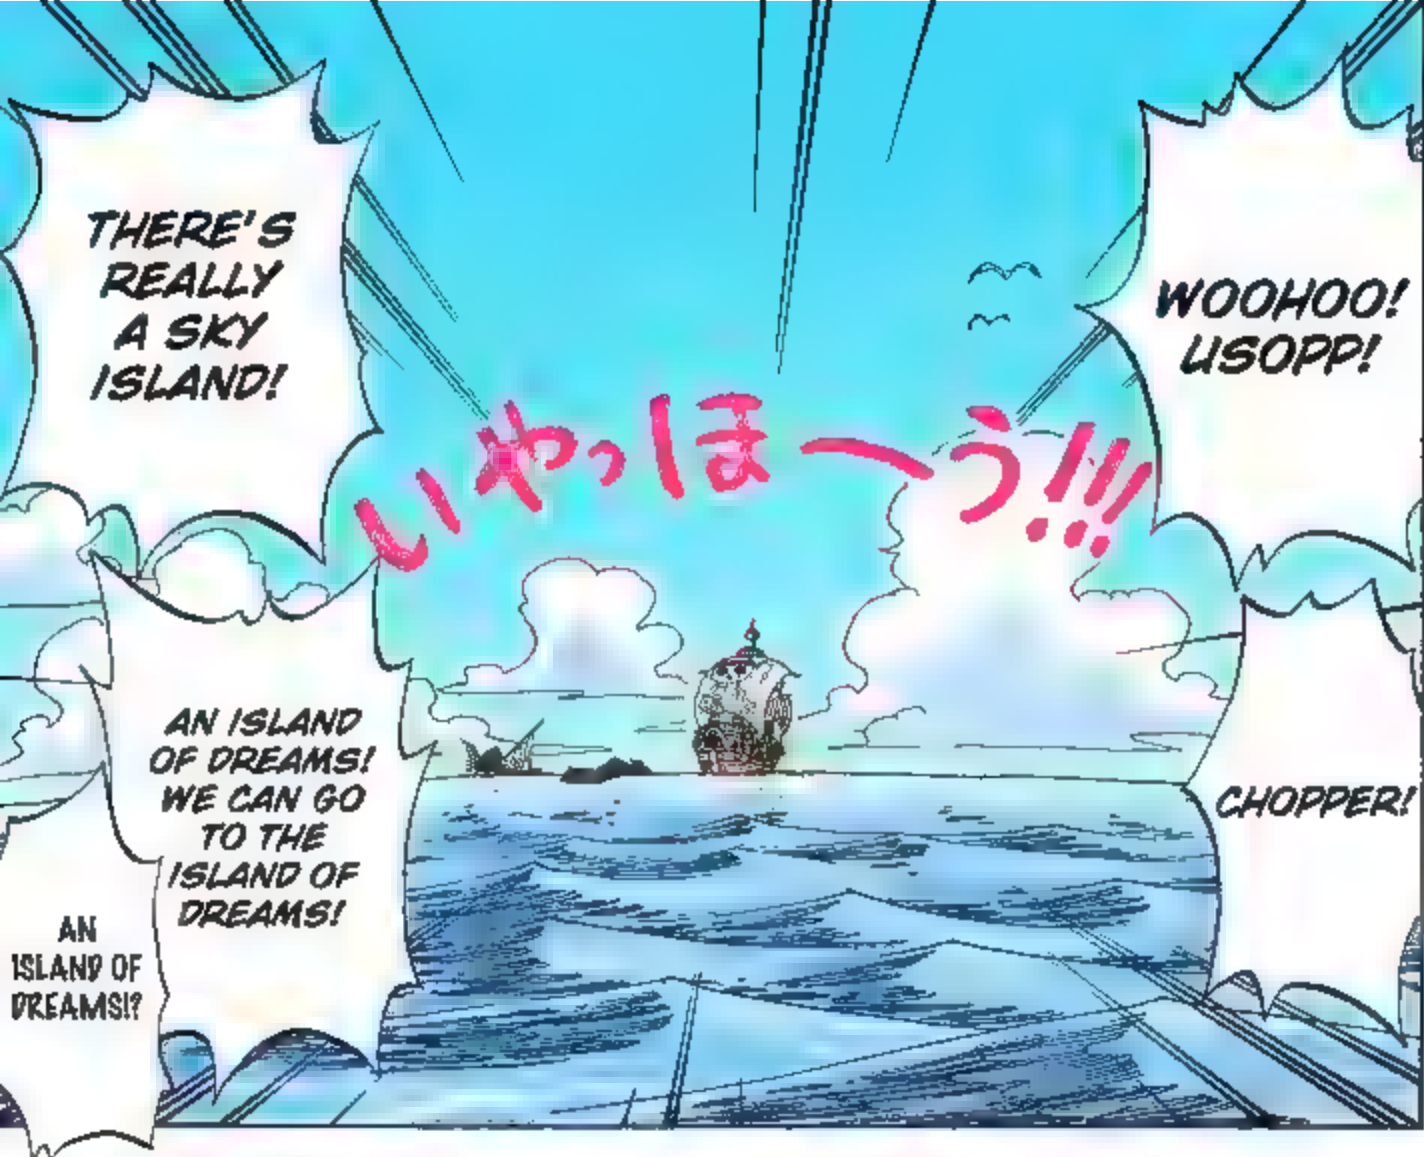

SKYPIEA

**SKY
ISLAND!?**

Does this
mean there's
really an
island up in
the sky...!?

**WELL!?
WELL!?**

Skypiea...

We've gotta get any remaining logs or journals on that ship somehow!

If that huge ship really went to the sky, then it must be possible for our ship to go too!

Like Robin said just now, what we need is information!

But it's already sunk below the surface.

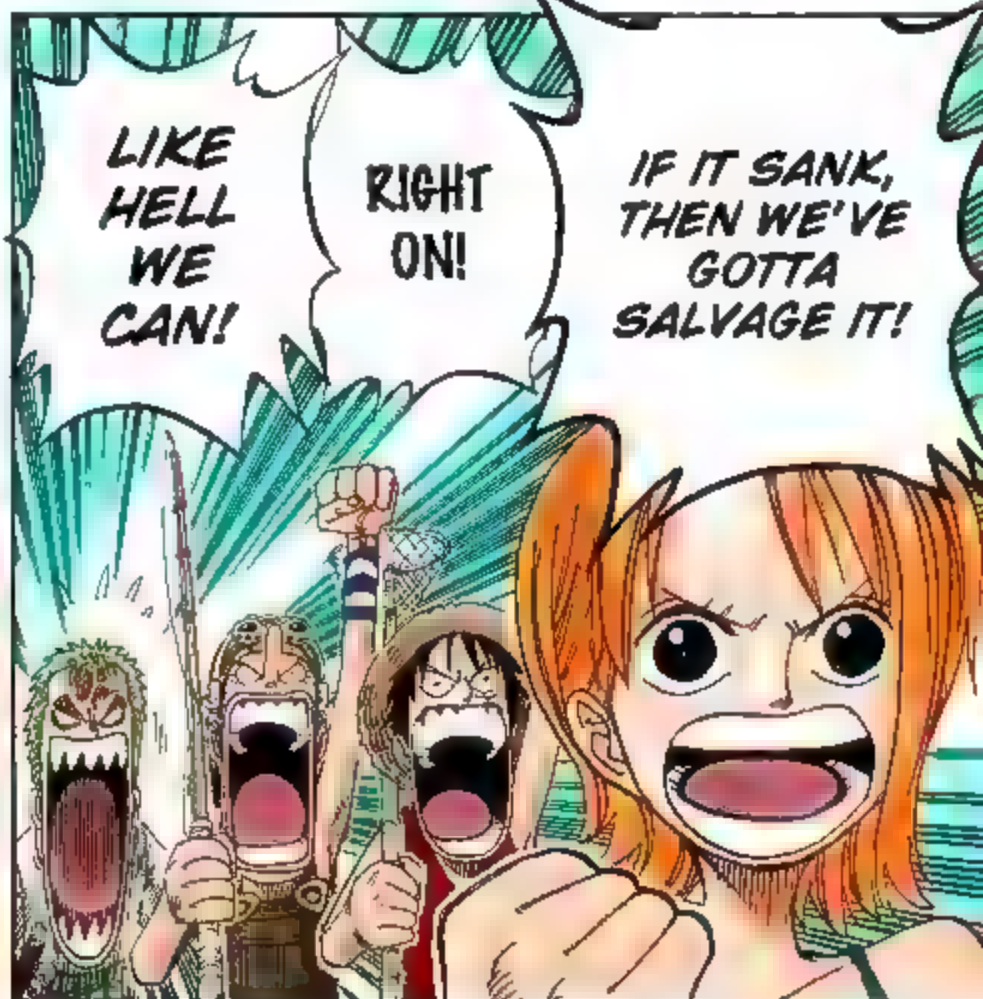

Ugh, this is getting nowhere! In any case, with the log pose-needle pointing upwards like this,

We can't exactly continue sailing!

It means lifting sunken ships back up to the surface... But that ship's too big for that to be possible.

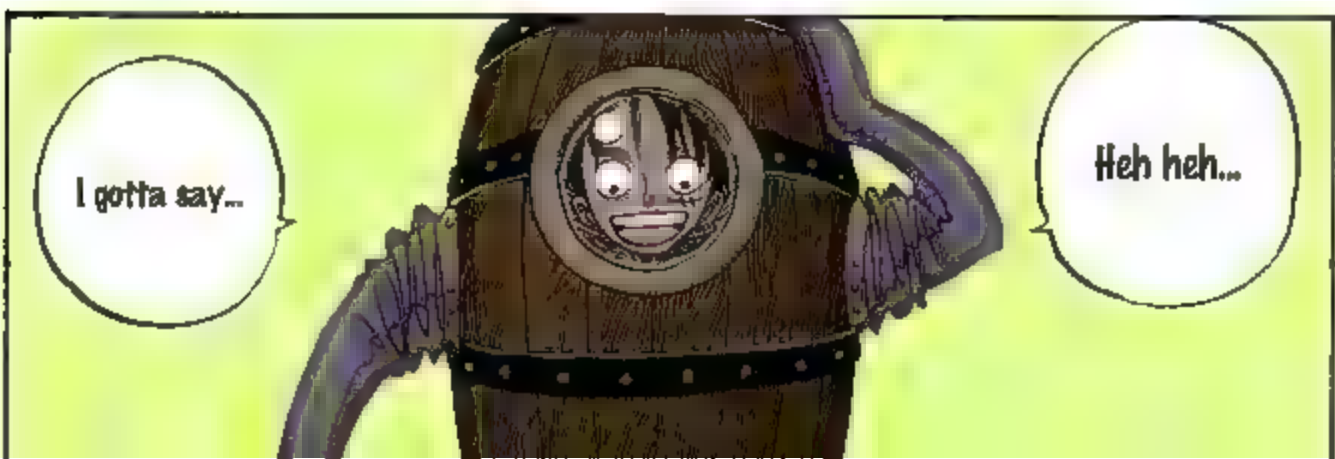

What does "salvage" mean?

LIKE HELL WE CAN!

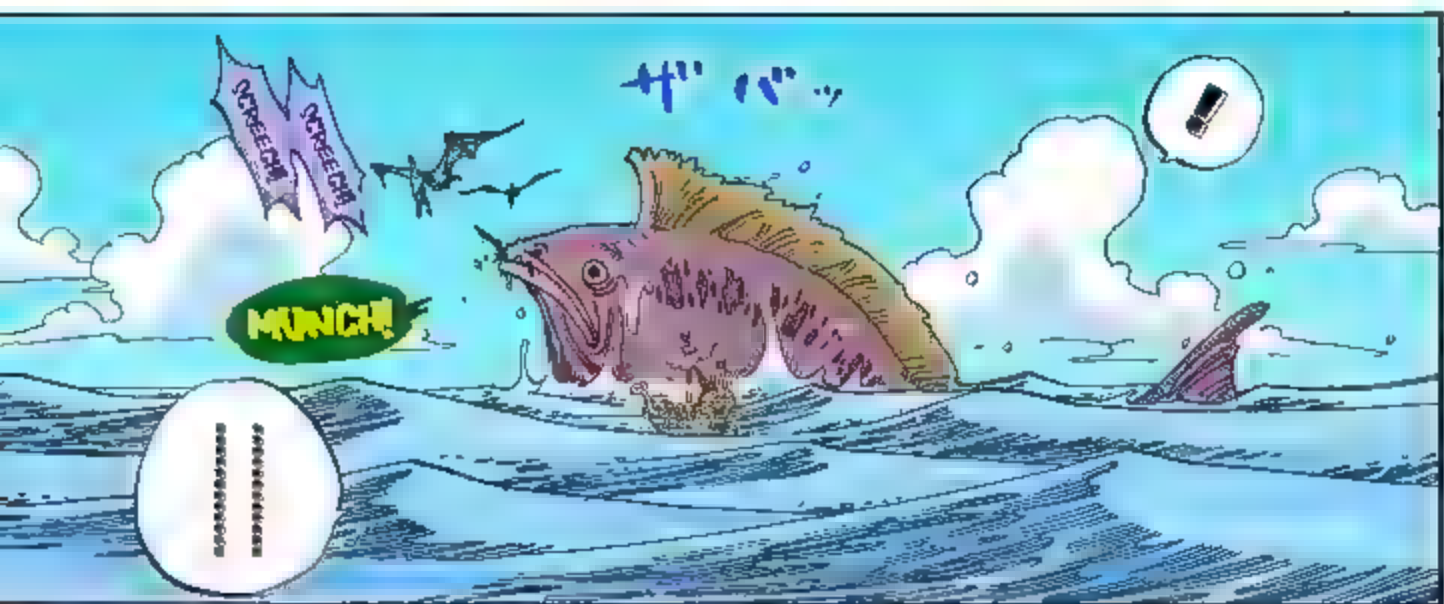

RIGHT ON!

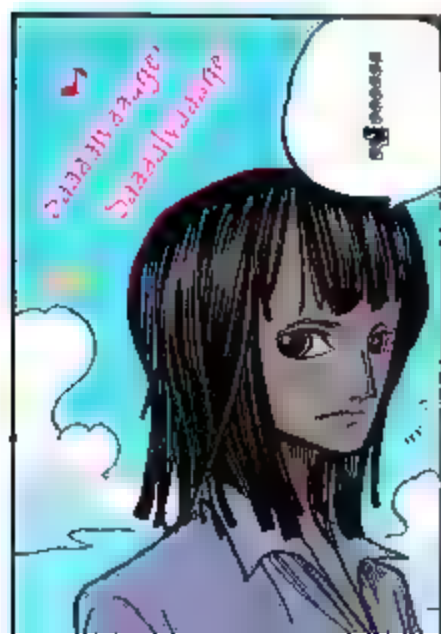

IF IT SANK, THEN WE'VE GOTTA SALVAGE IT!

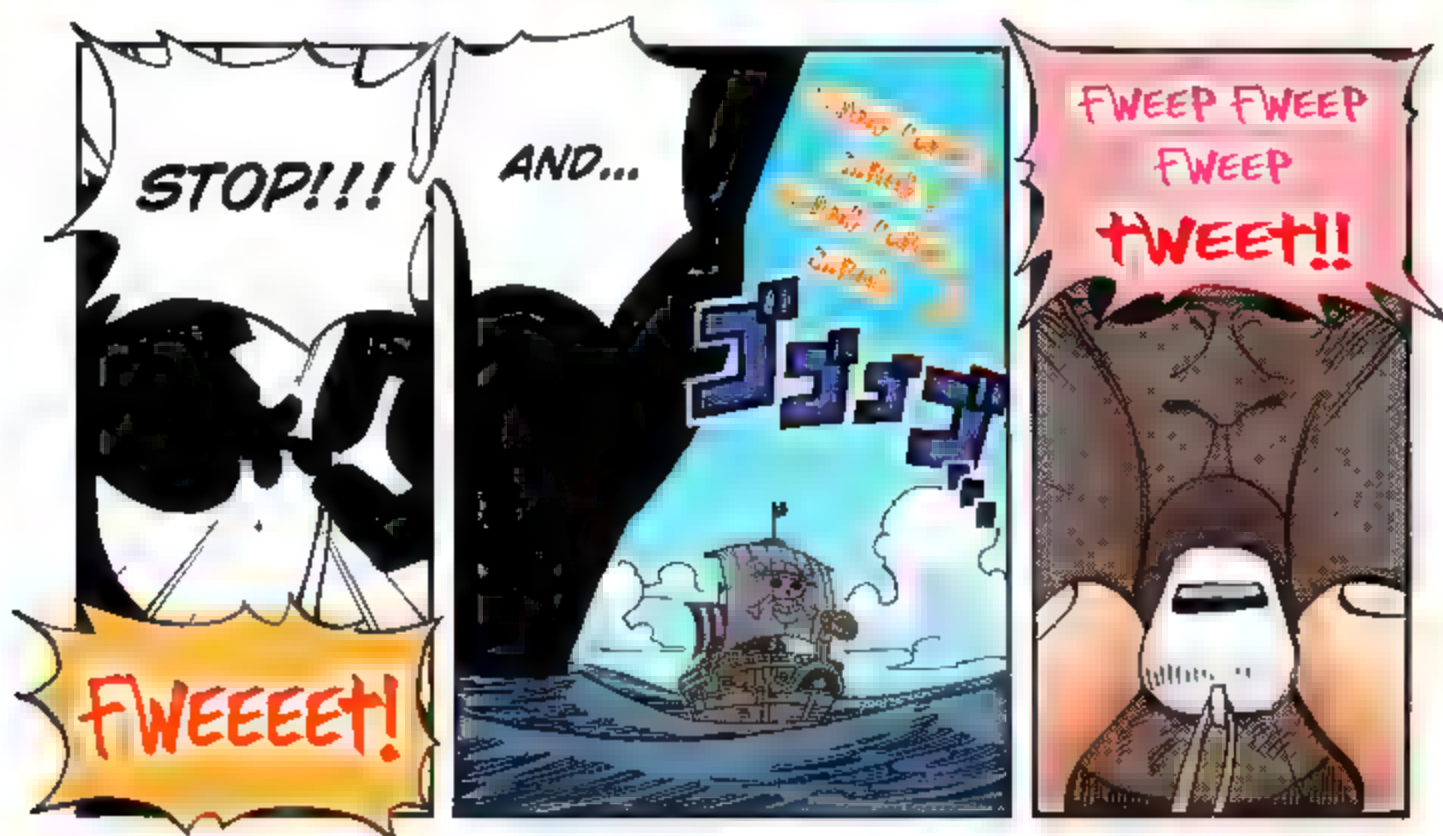

I gotta say...

Heh heh...

**AYE,
AYE,
SIR!**

**AYE, AYE,
BOSS!**

**IS THIS
WHERE
THE SHIP
SANK!?**

**THAT'D BE

Chapter 222 “Hotshot Rookie”

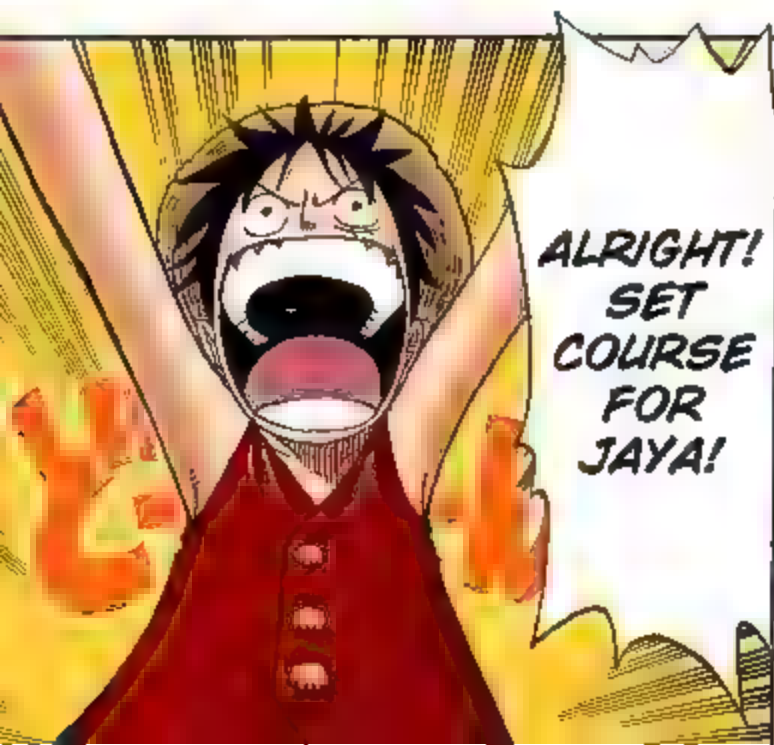

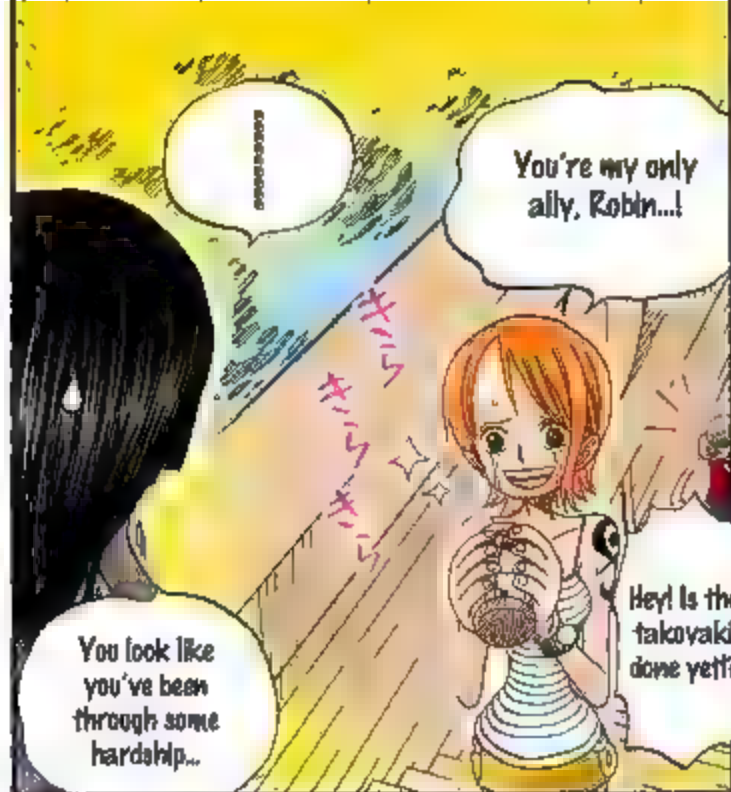

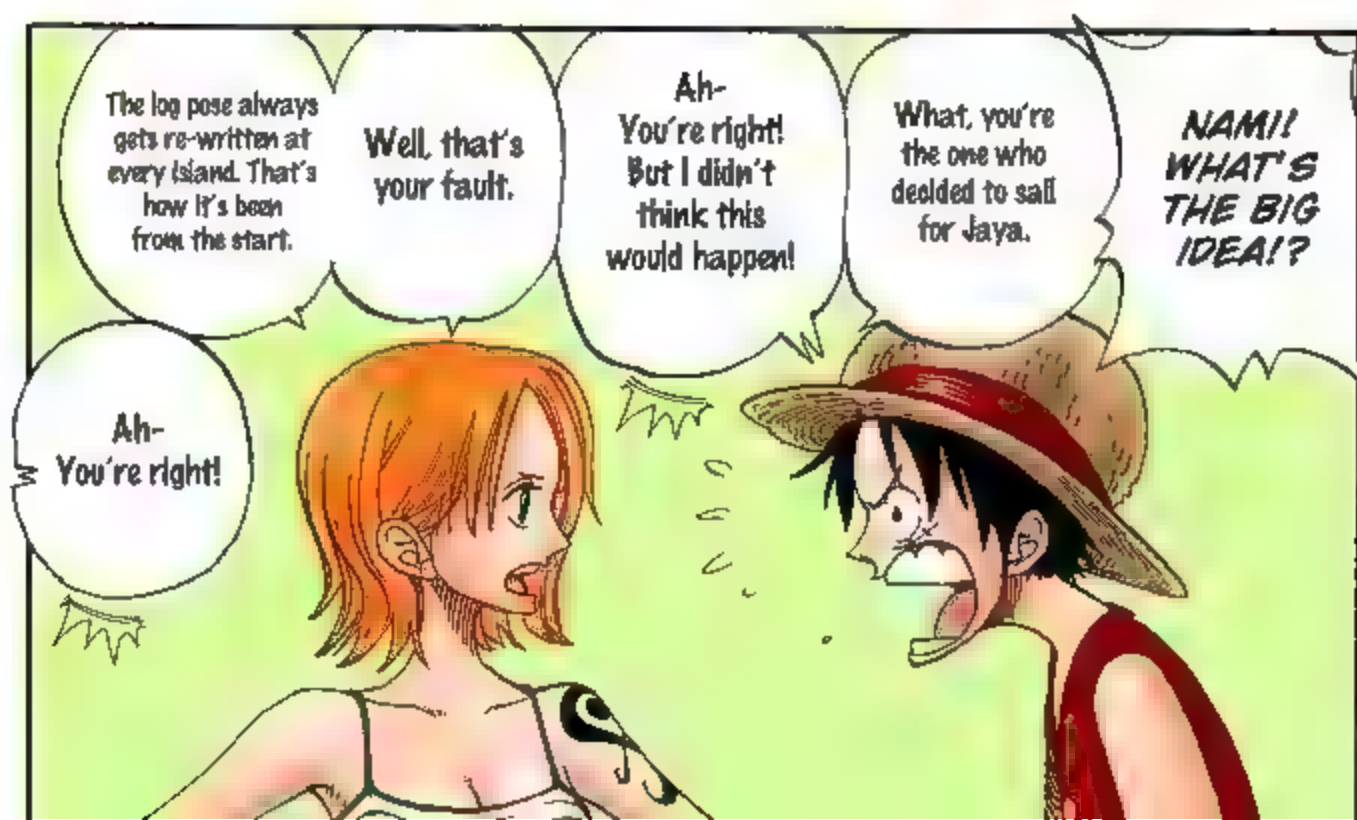

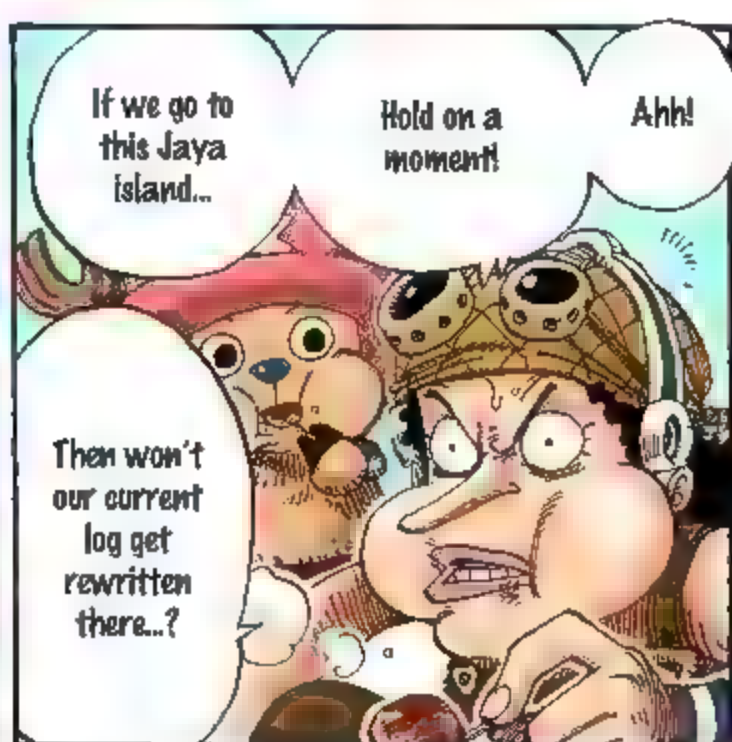

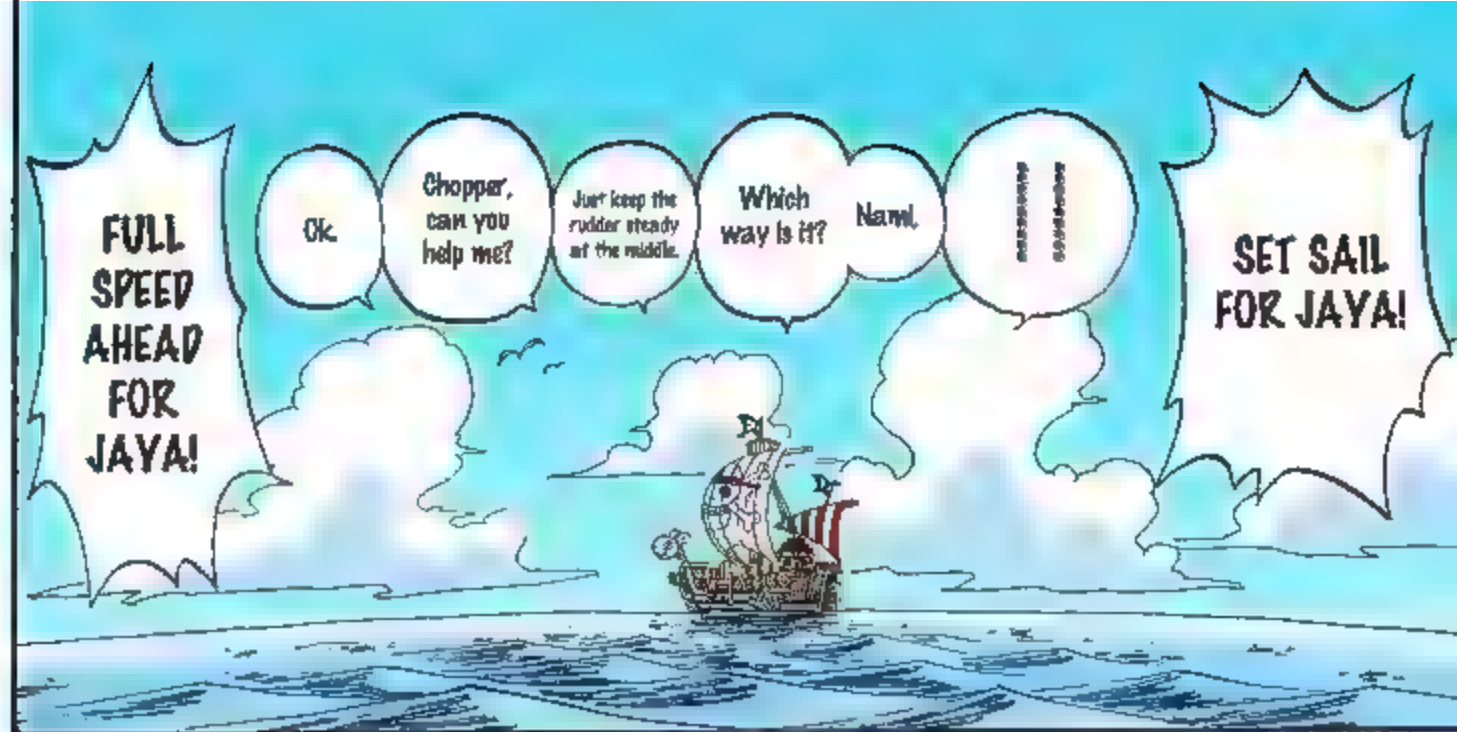

HACHI'S OCEAN FLOOR STROLL VOL. 35
"CATFISH VILLAGE ELDER ARRIVES LATE TO THE TAKOYAKI STAND"

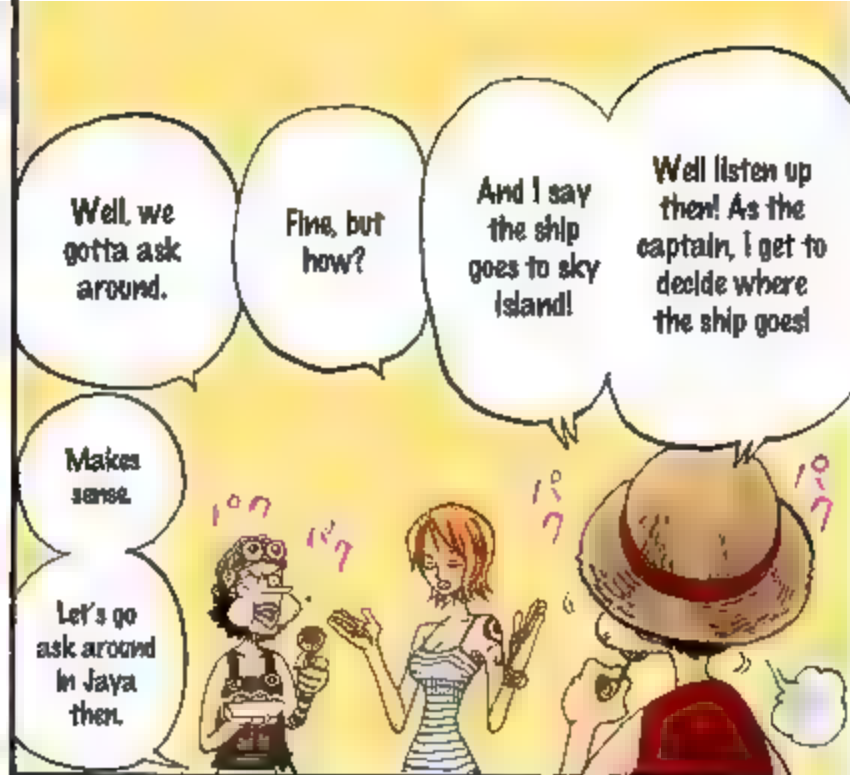

WAIT,
YOU
IDIOT!
WE WENT
IN A
CIRCLE!

SET
SAIL FOR
JAYA!

Then let's
head to
Jaya.

Well, we
gotta ask
around.

Fine, but
how?

And I say
the ship
goes to sky
island!

Well listen up
then! As the
captain, I get to
decide where
the ship goes!

Makes
sense.

Let's go
ask around
in Jaya
then.

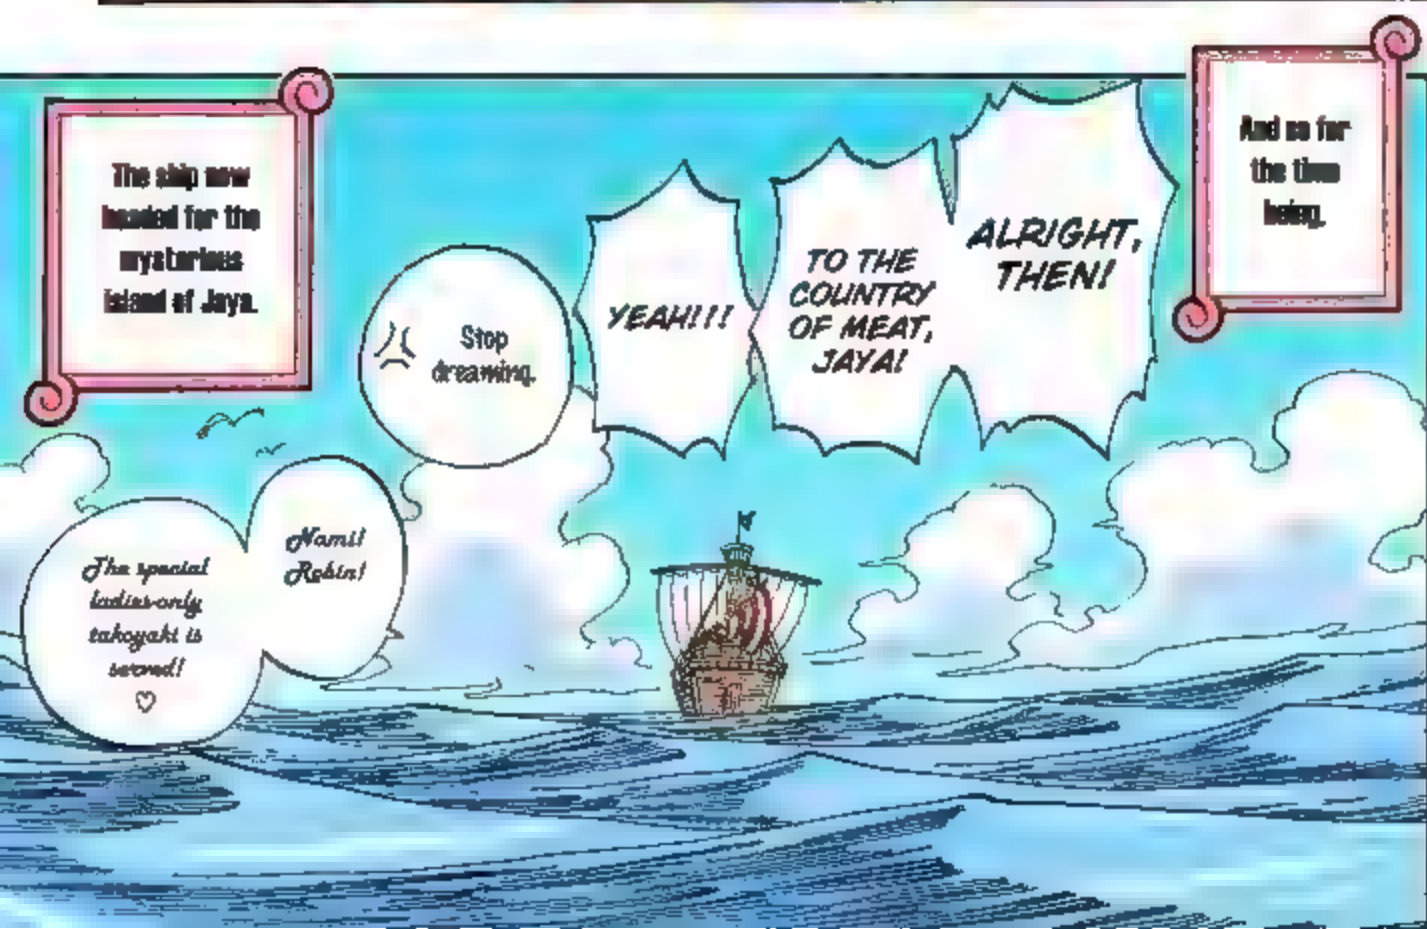

We'll need a bit
of luck though...

Yeah, that
sounds good...

The log pose won't
get re-written
as soon as we
arrive there.

We can just leave
Jaya before the log
gets re-written.

The ship now
headed for the
mysterious
island of Jaya.

Stop
dreaming.

YEAH!!!

TO THE
COUNTRY
OF MEAT,
JAYA!

ALRIGHT,
THEN!

And so for
the time
being.

The special
ladies-only
takoyaki is
served!
♡

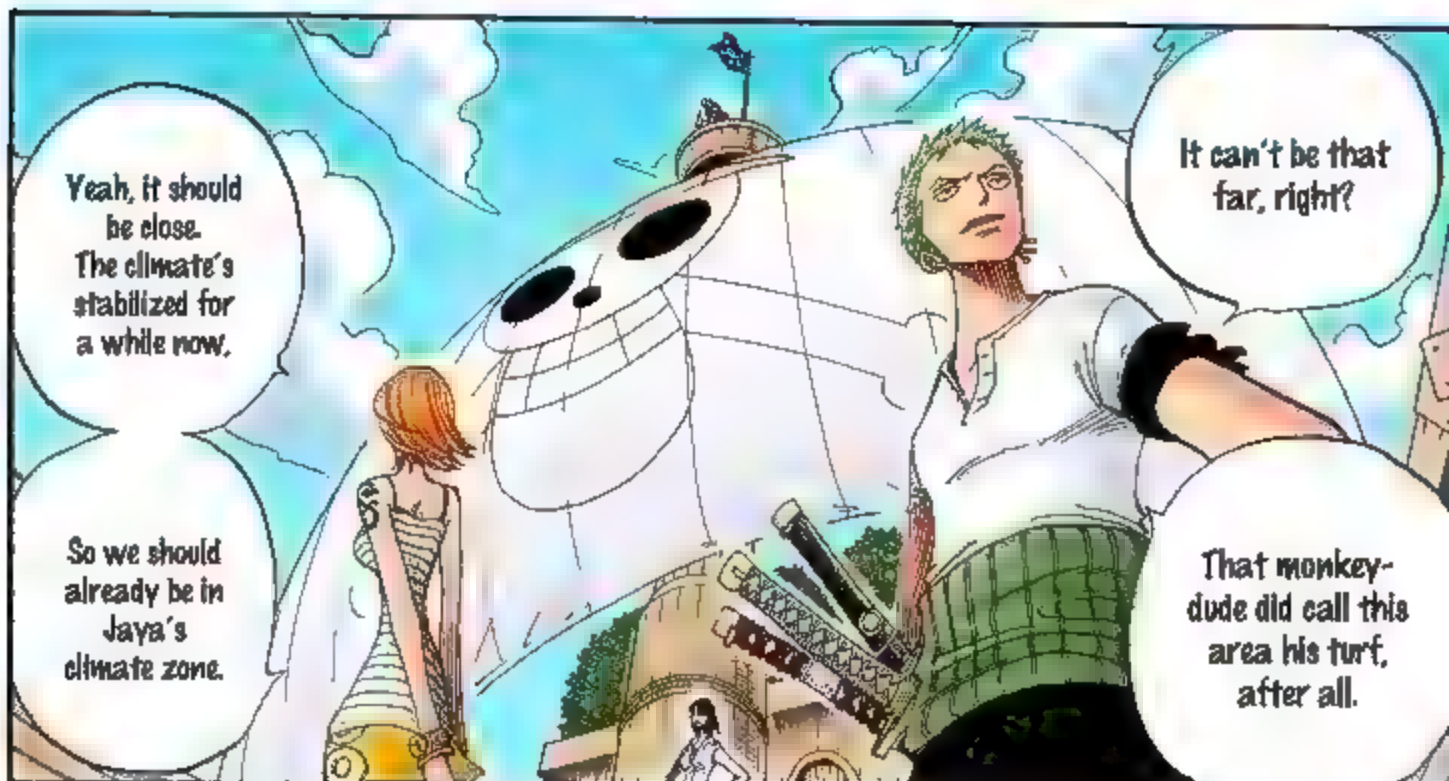

Nami!
Robin!

Yup.
Still nothing.

Still
nothing,
Usopp?

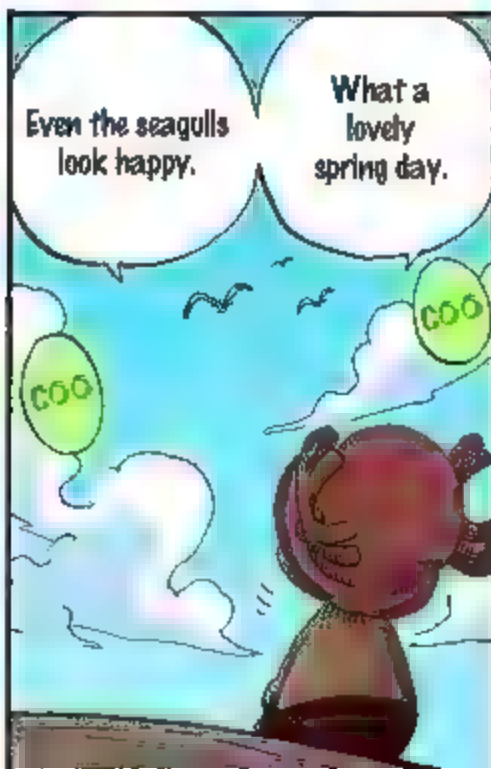

Yeah, it should
be close.
The climate's
stabilized for
a while now.

It can't be that
far, right?

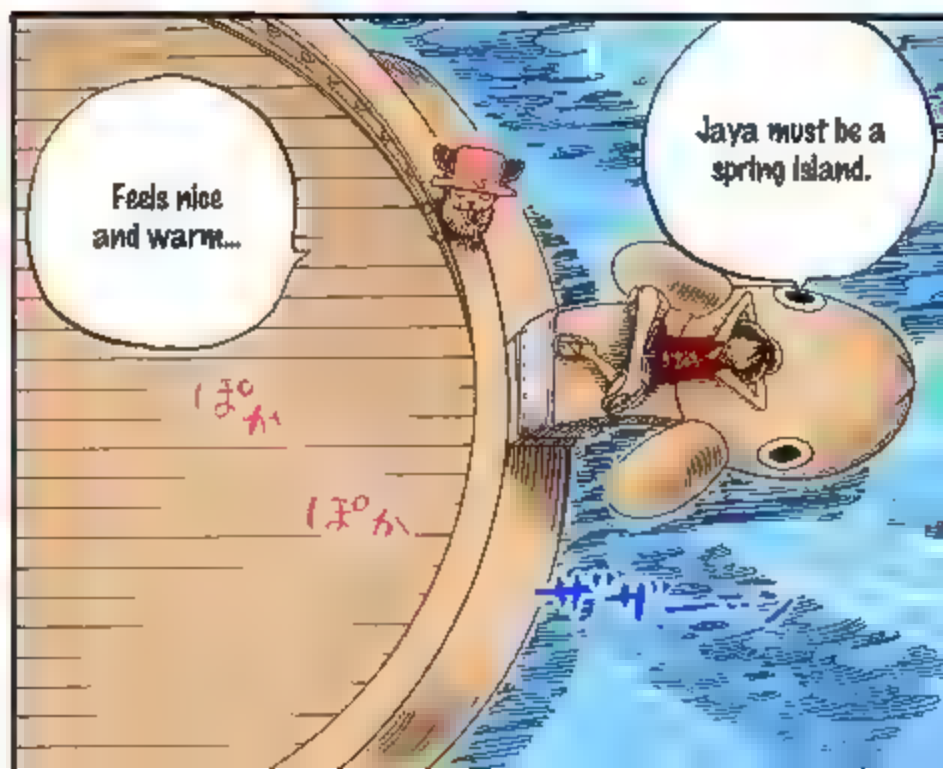

So we should
already be in
Jaya's
climate zone.

That monkey-
dude did call this
area his turf,
after all.

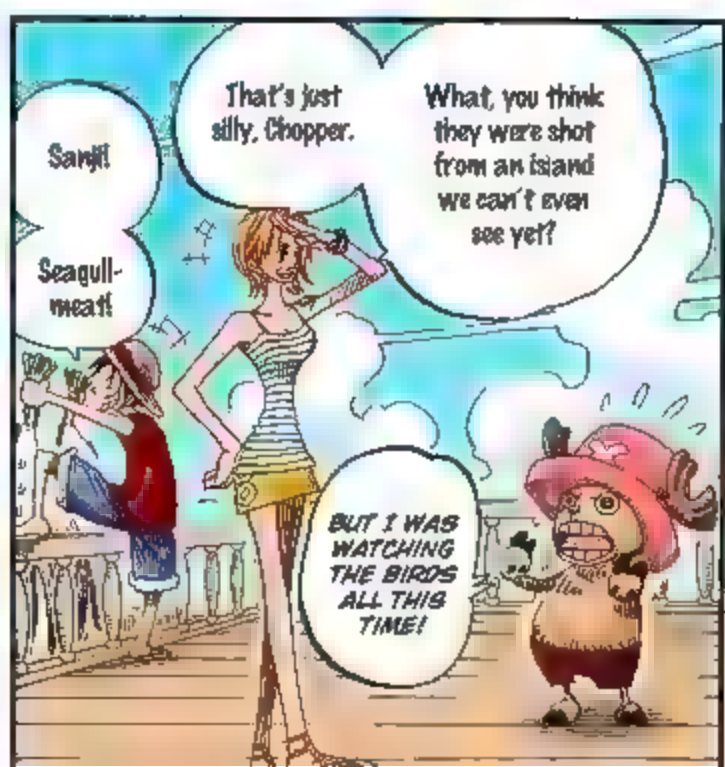

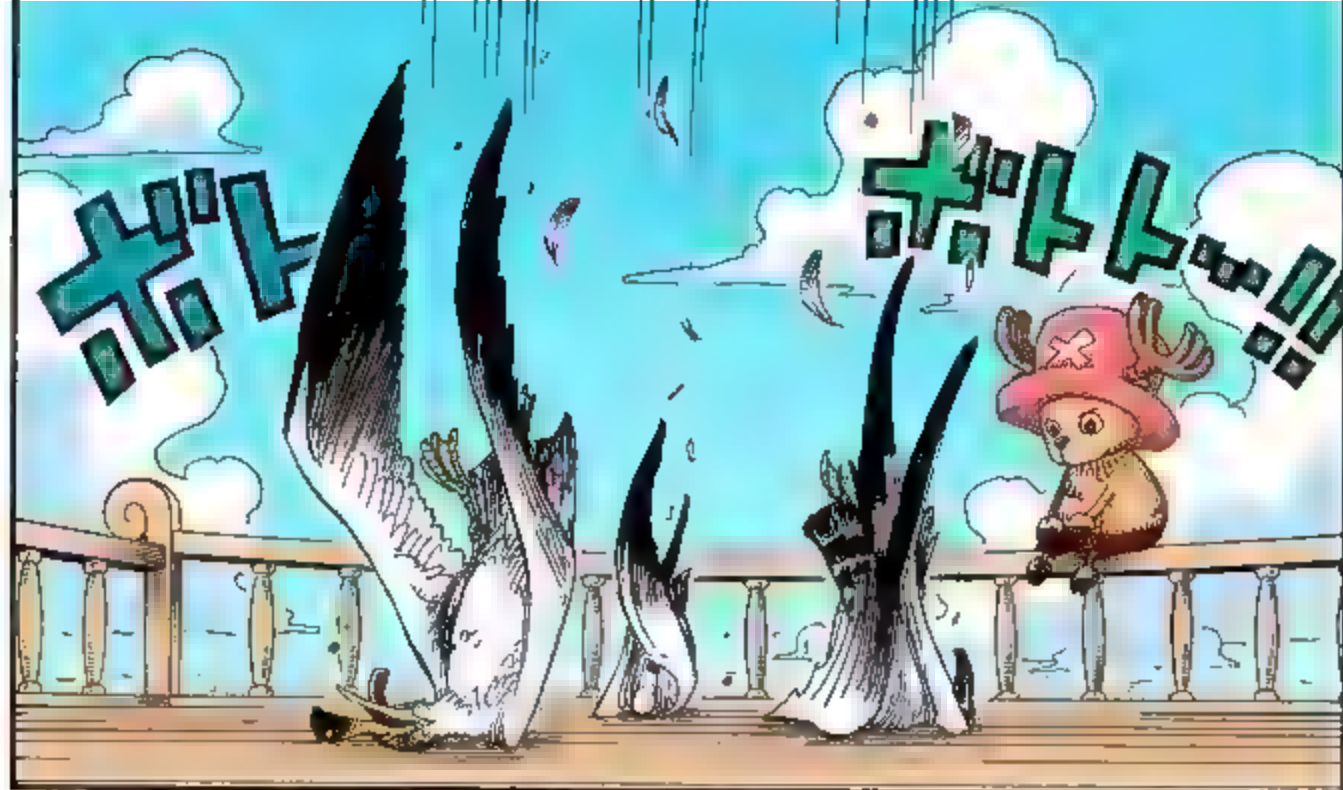

Even the seagulls
look happy.

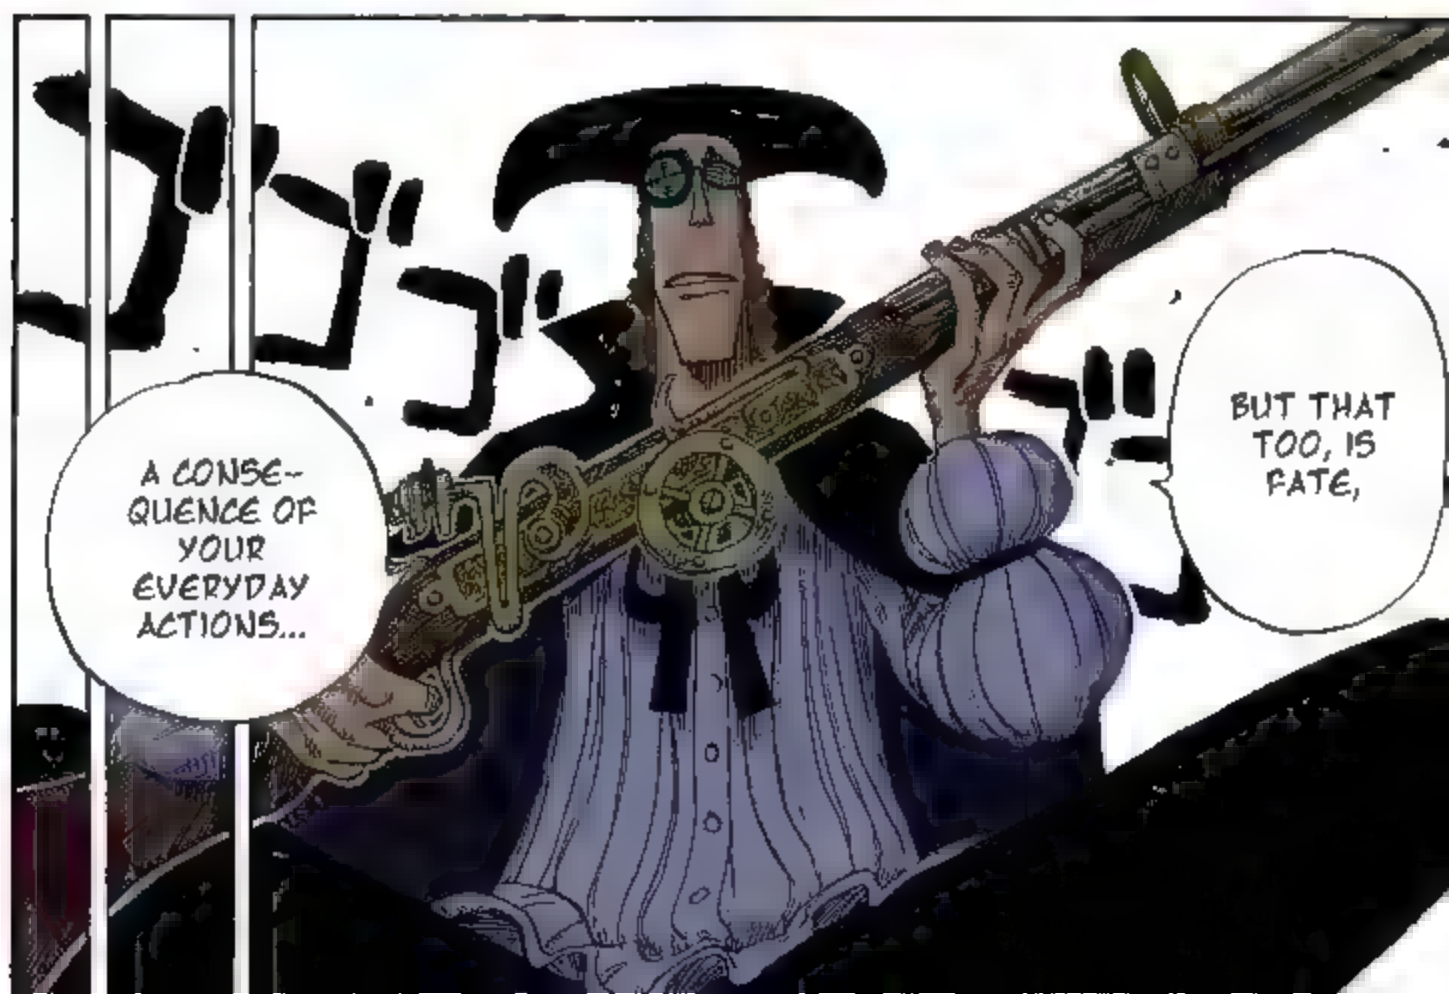

What a
lovely
spring day.

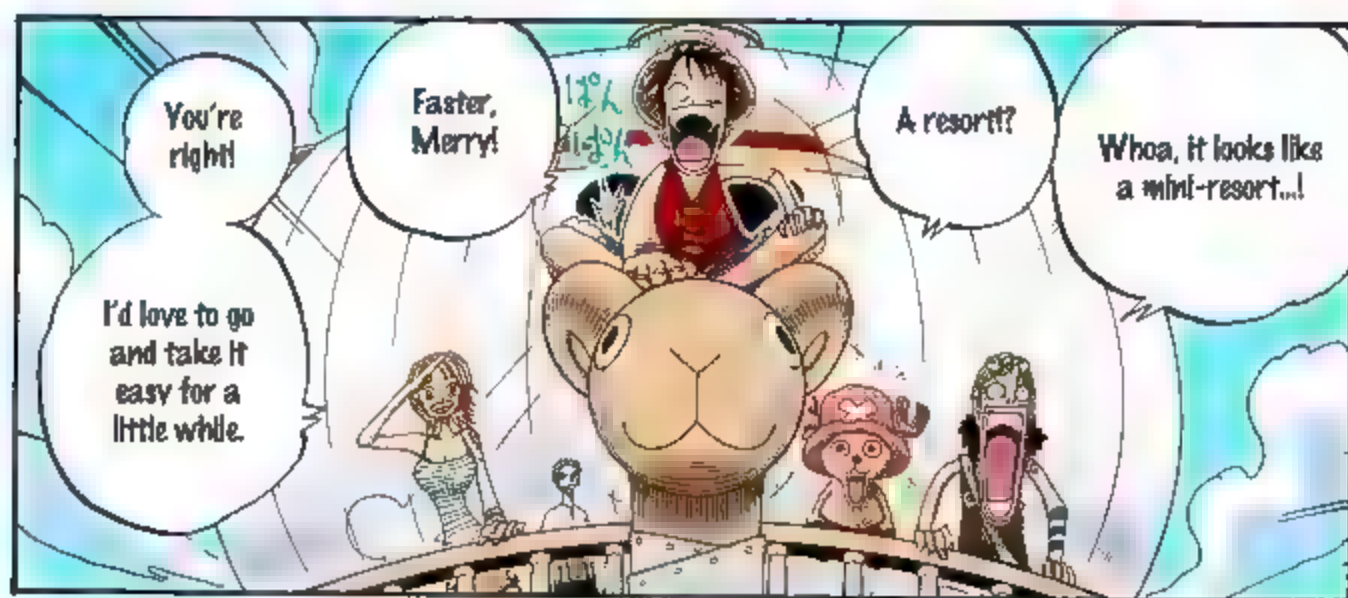

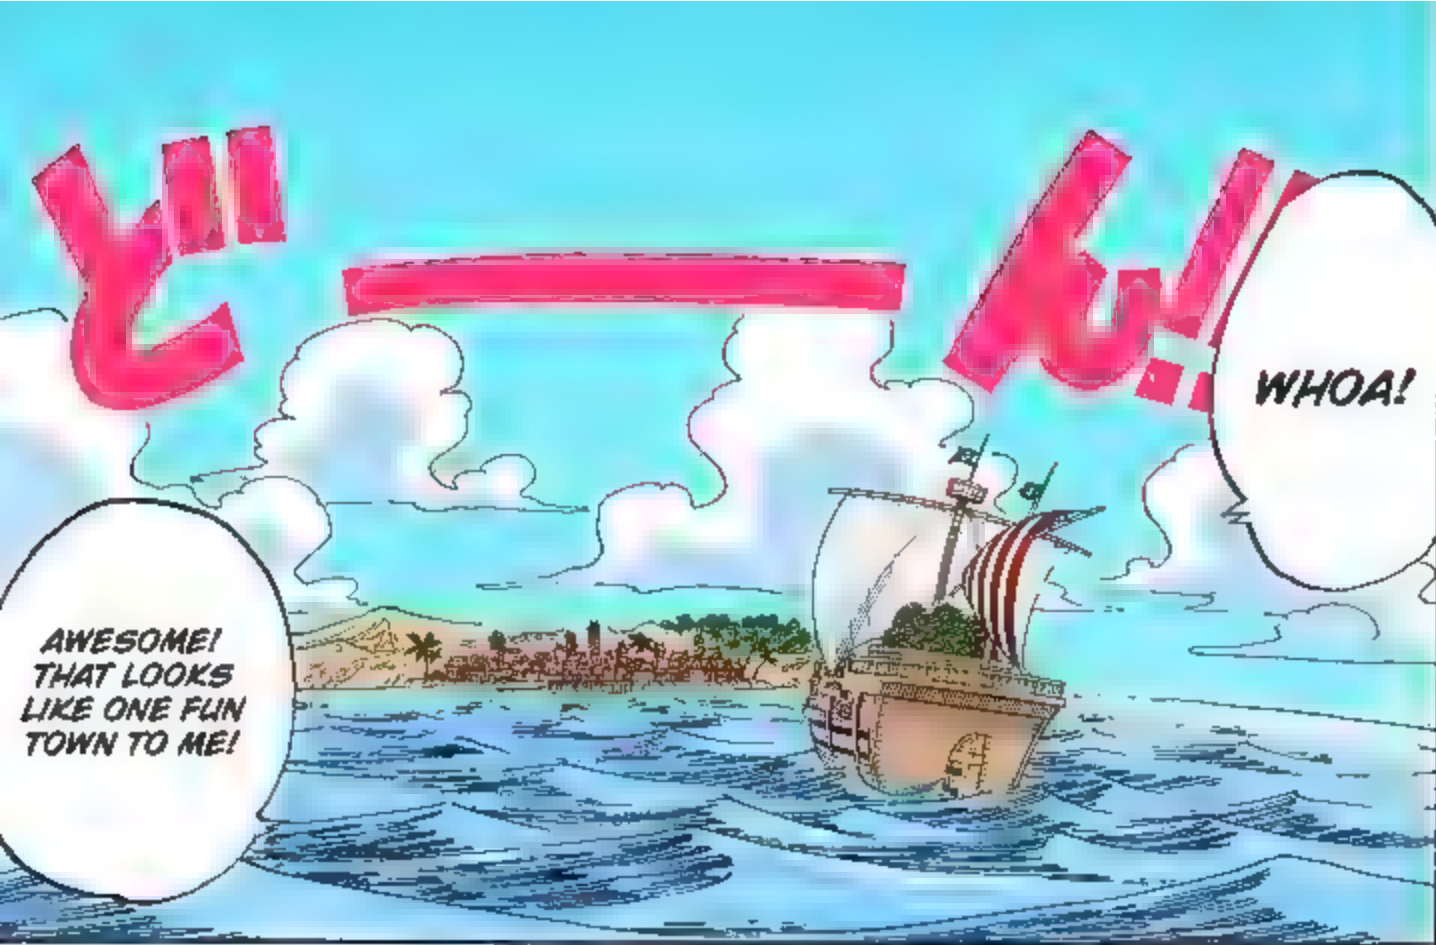

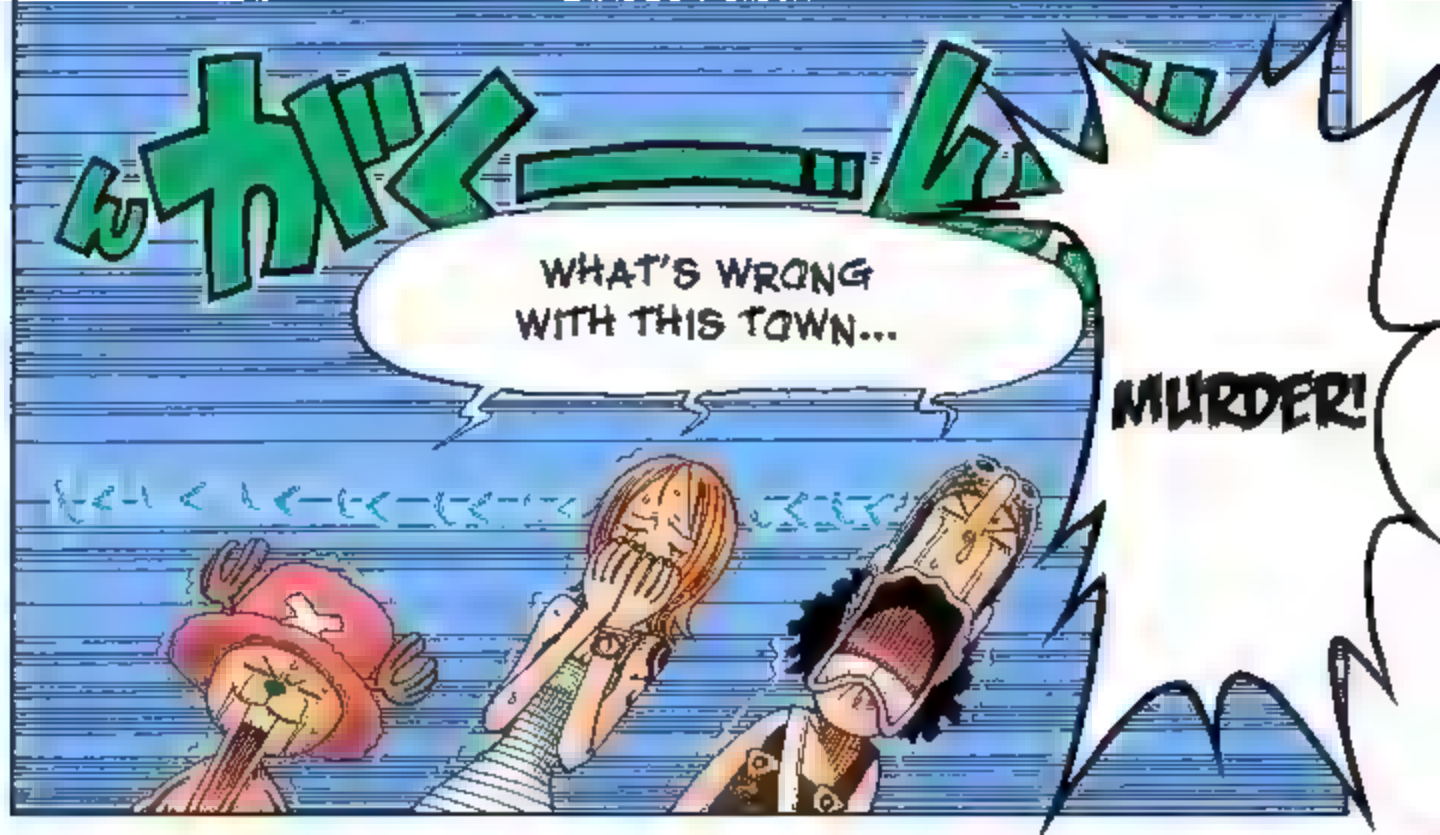

Feels nice
and warm...

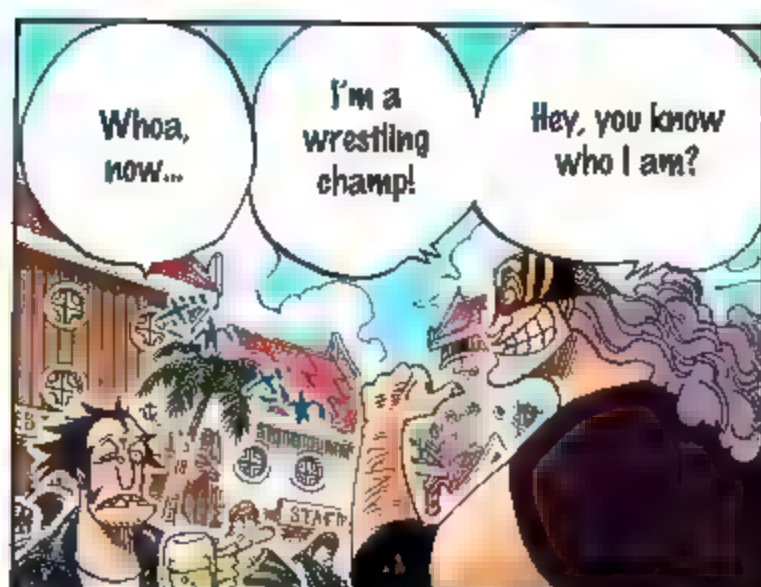

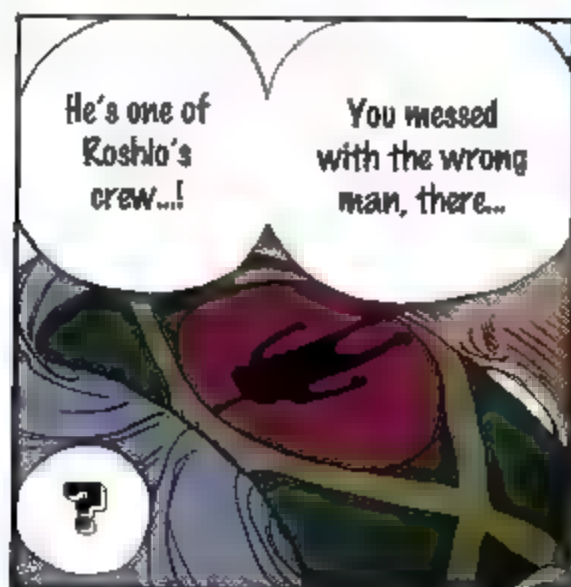

Jaya must be a
spring island.

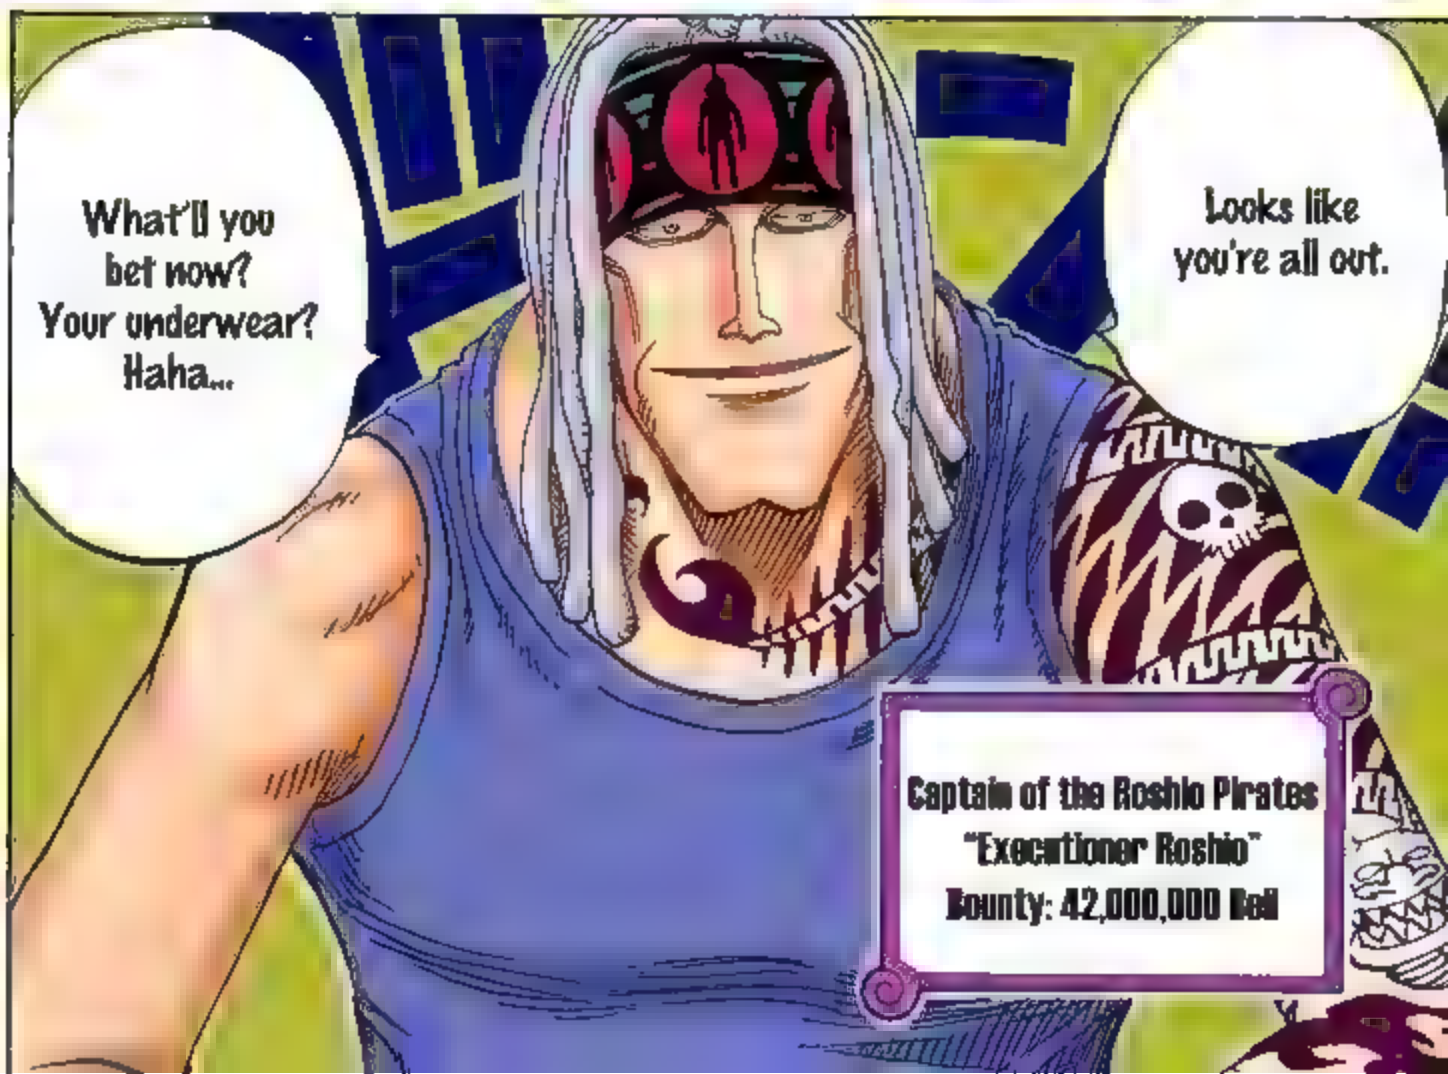

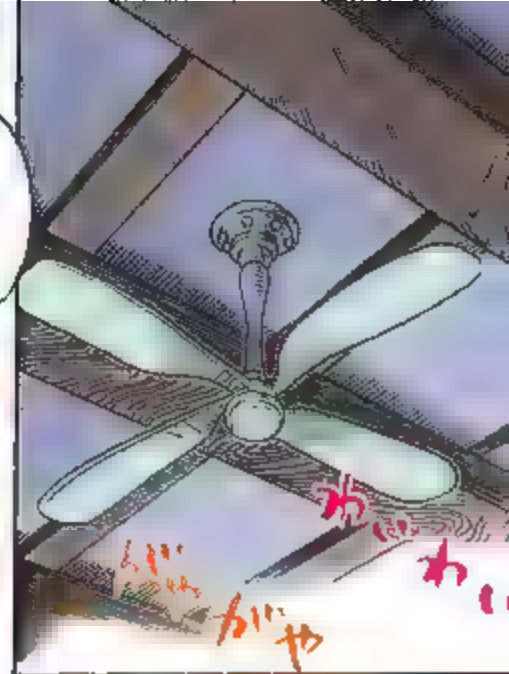

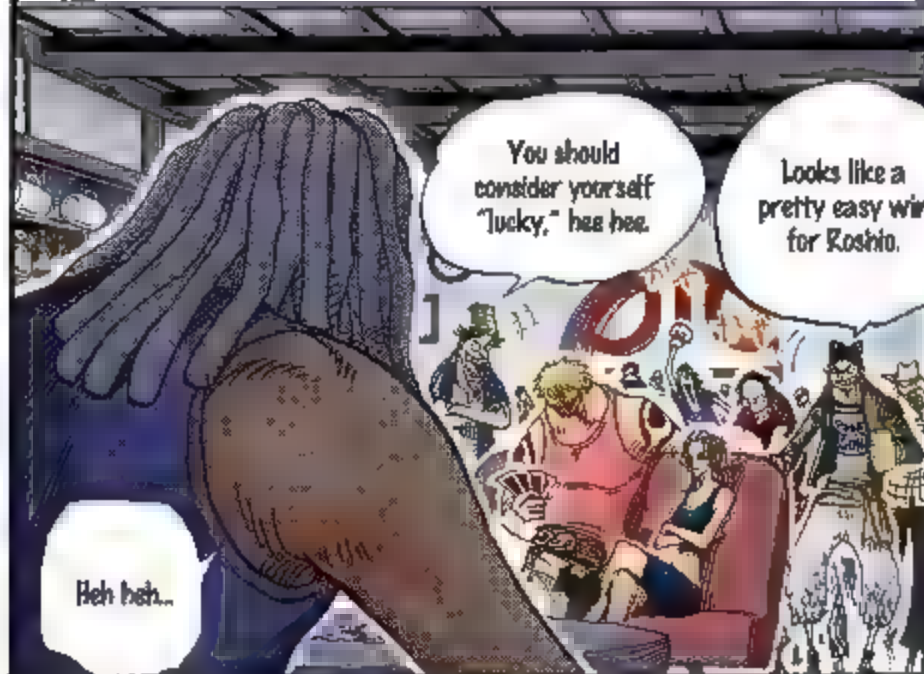

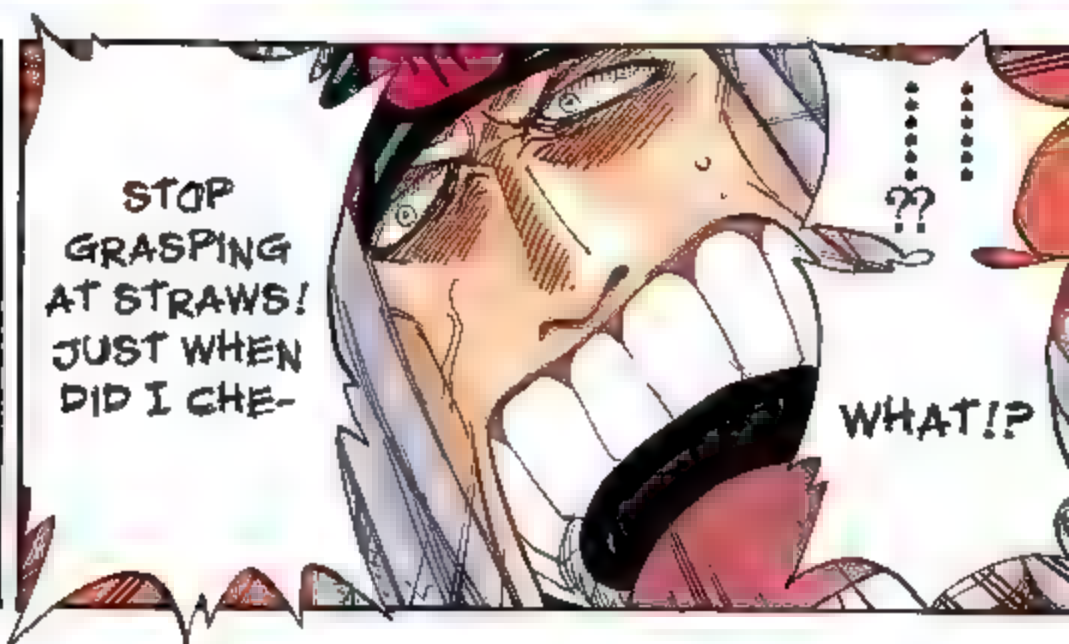

YOU CHEATED,
DIDN'T CHA...

AAAA
ARRR
GHHH

OH, YOU DID.

YOU CHEATED,
ALRIGHT...

STOP
GRASPING
AT STRAWS!
JUST WHEN
DID I CHE-

WHAT!?

とよよ!

He might be
young, but he's
already got a
bounty of over
50 million on
his head!

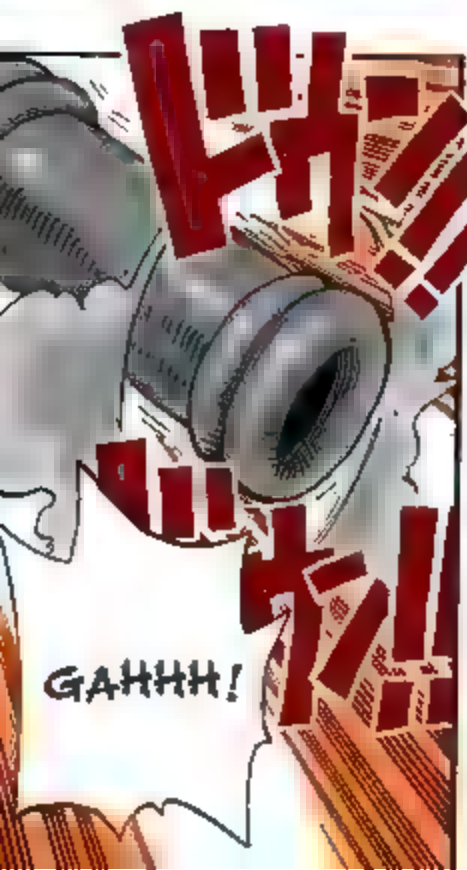

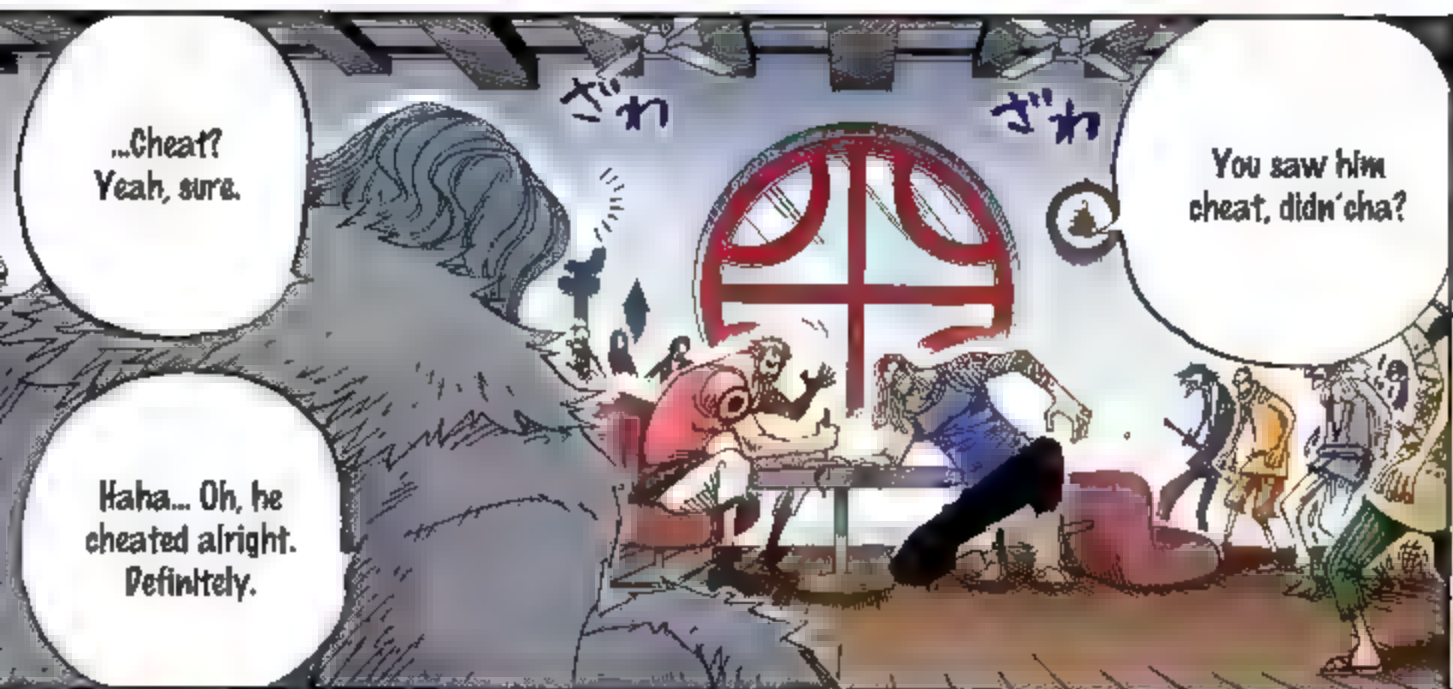

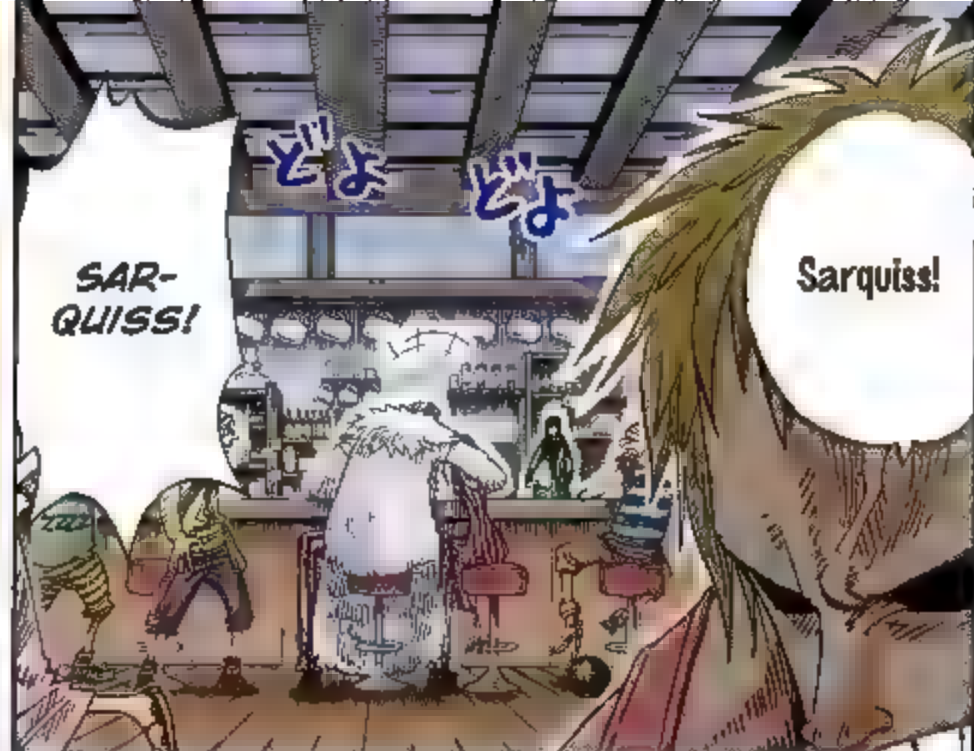

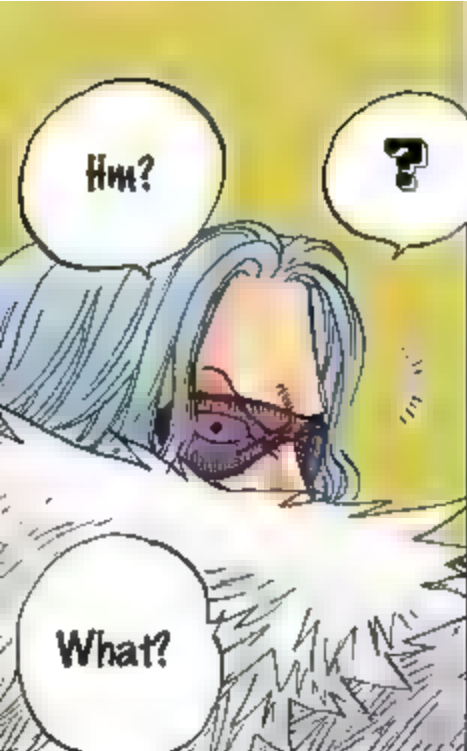

Watch your
mouth there...

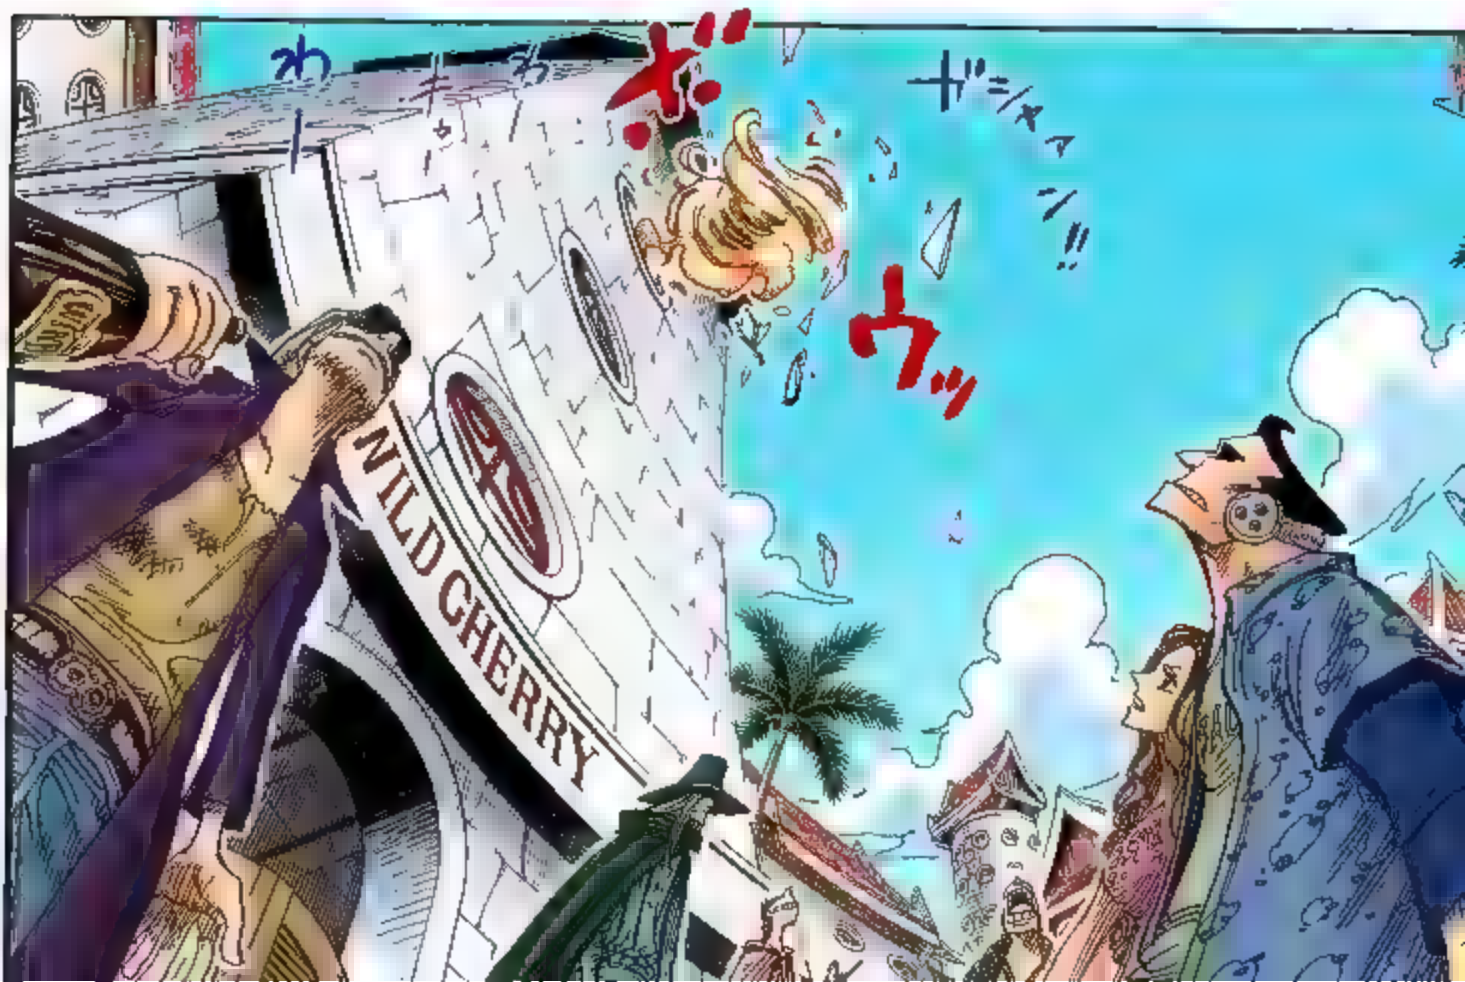

That's
Bellamy...
"Hyena
Bellamy!"

W-who the hell
does that hot-
headed brat
think he is!?

That was a fair
game, no matter
how you look at it!

HAHAHAHA!

Captain of the
Bellamy Pirates
"Bellamy the Hyena"
Bounty: 65,000,000 Bell

Seems like a
pretty fun
town.

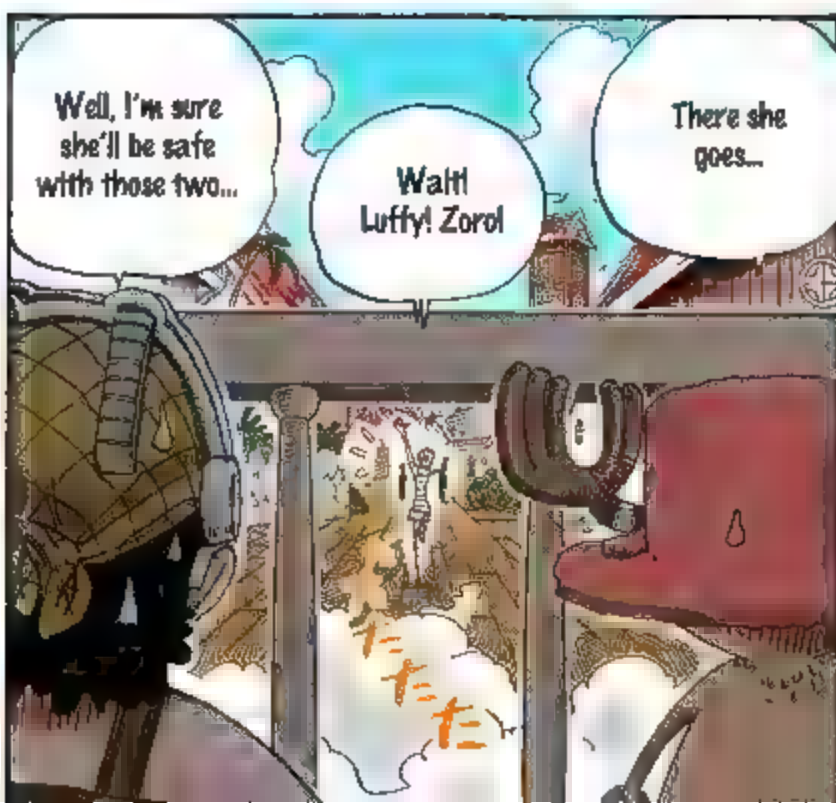

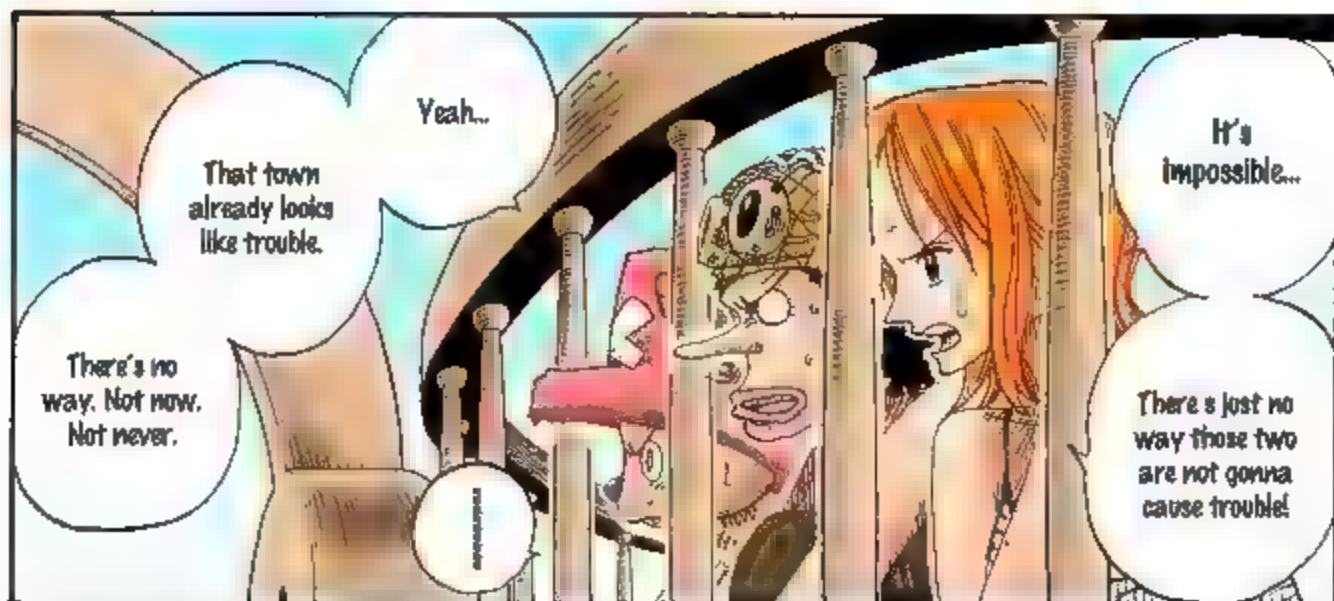

Lotta people
here.

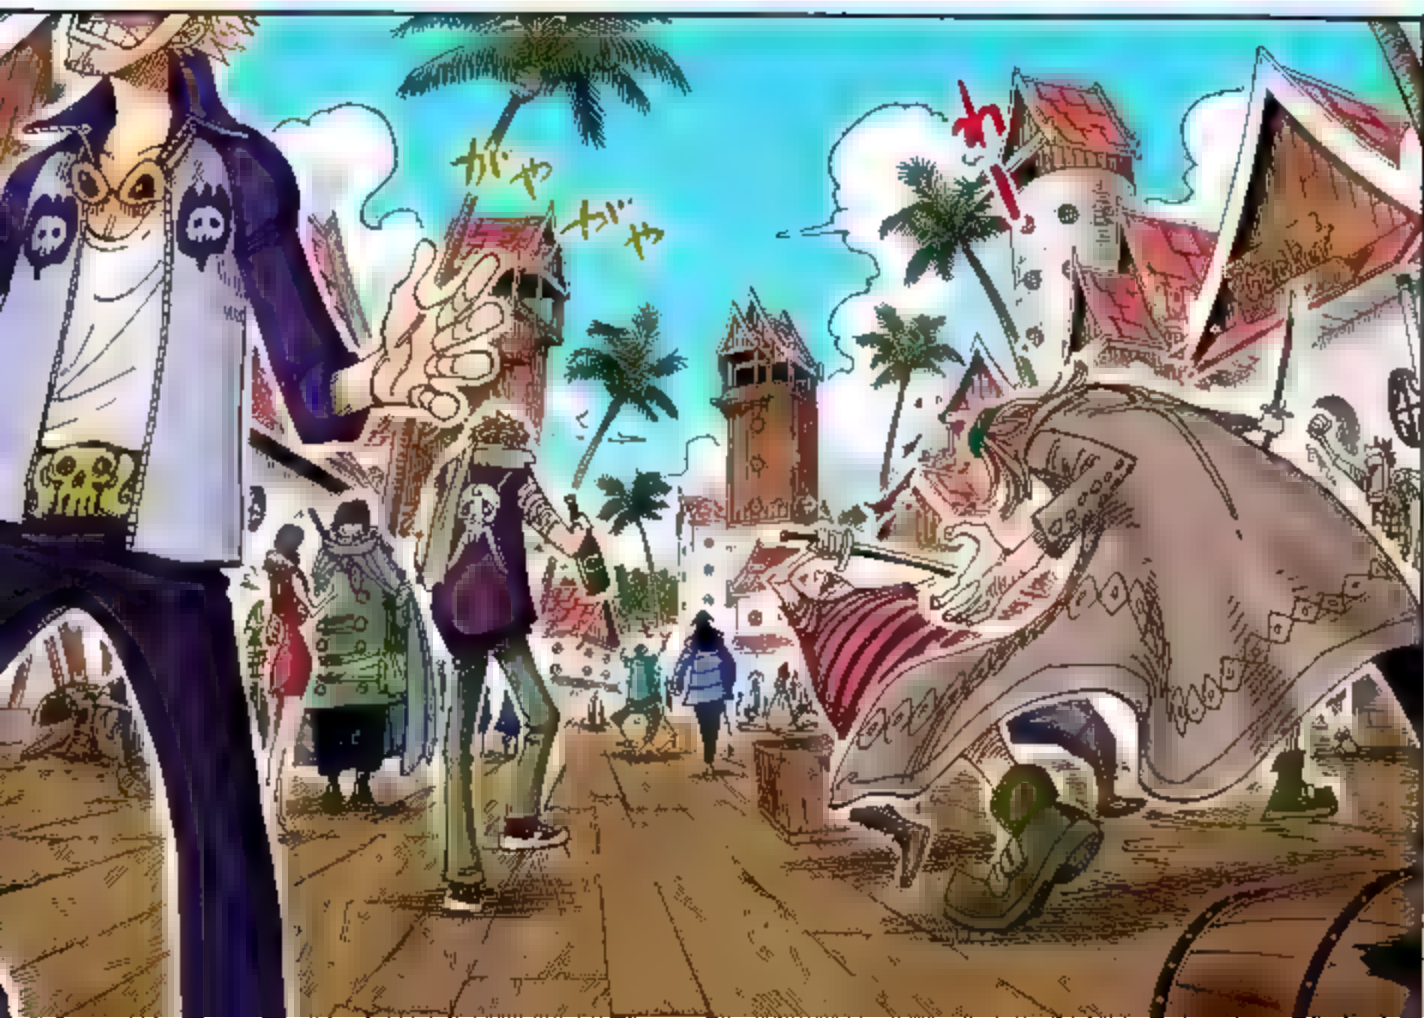

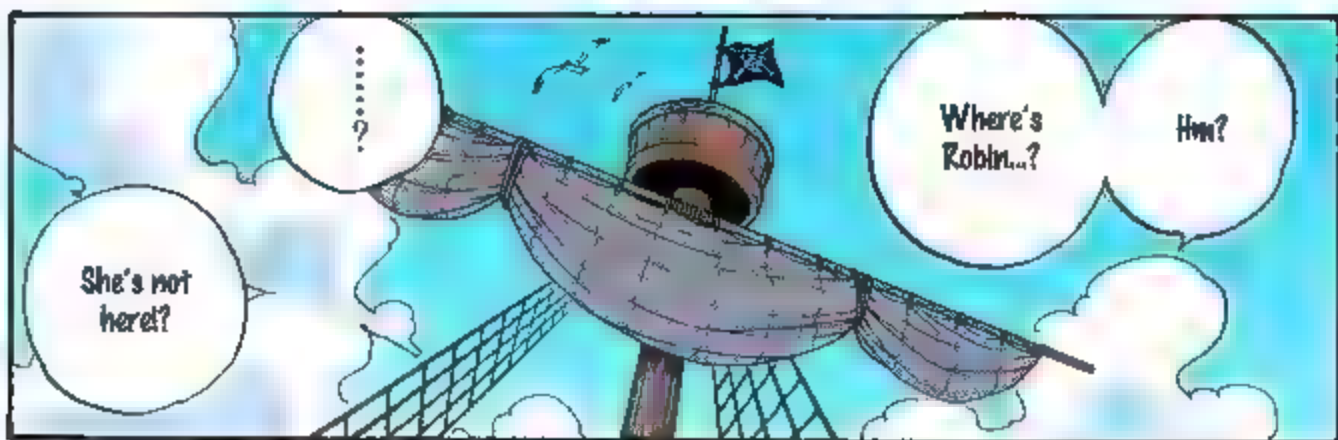

Chapter 223

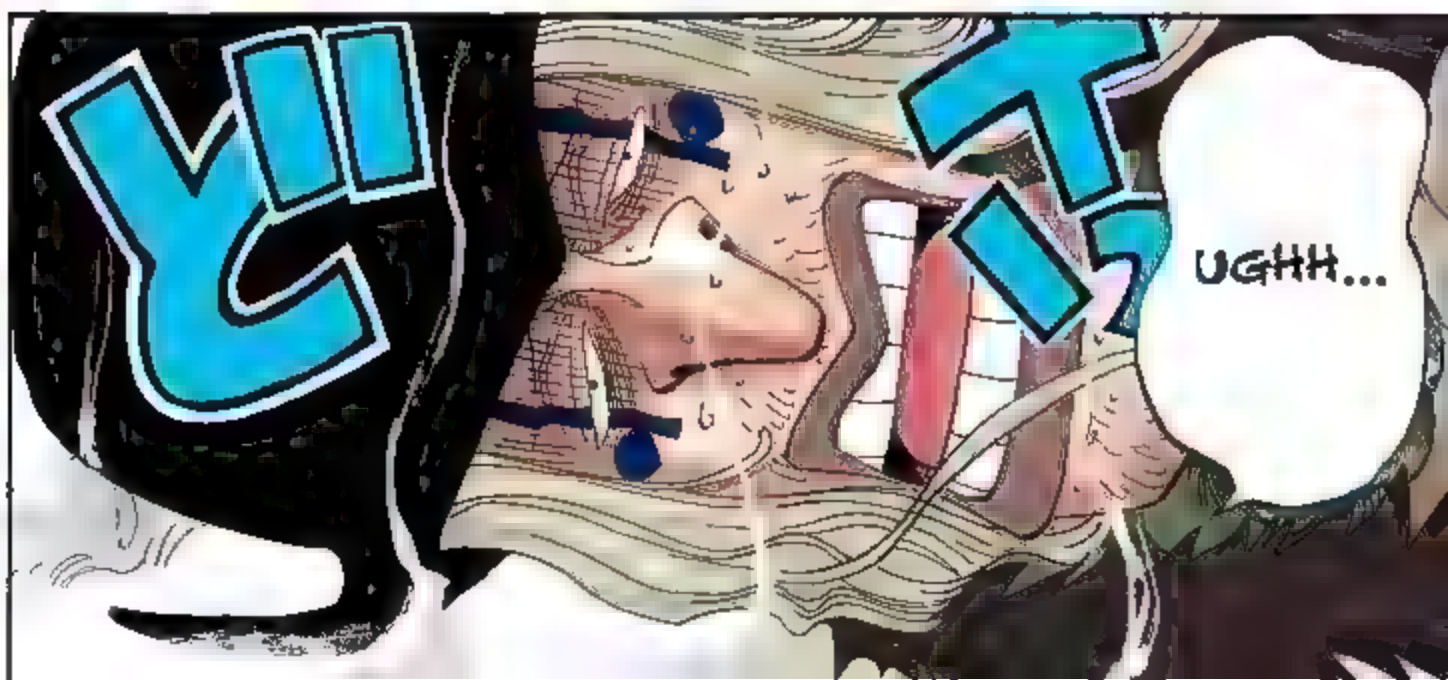

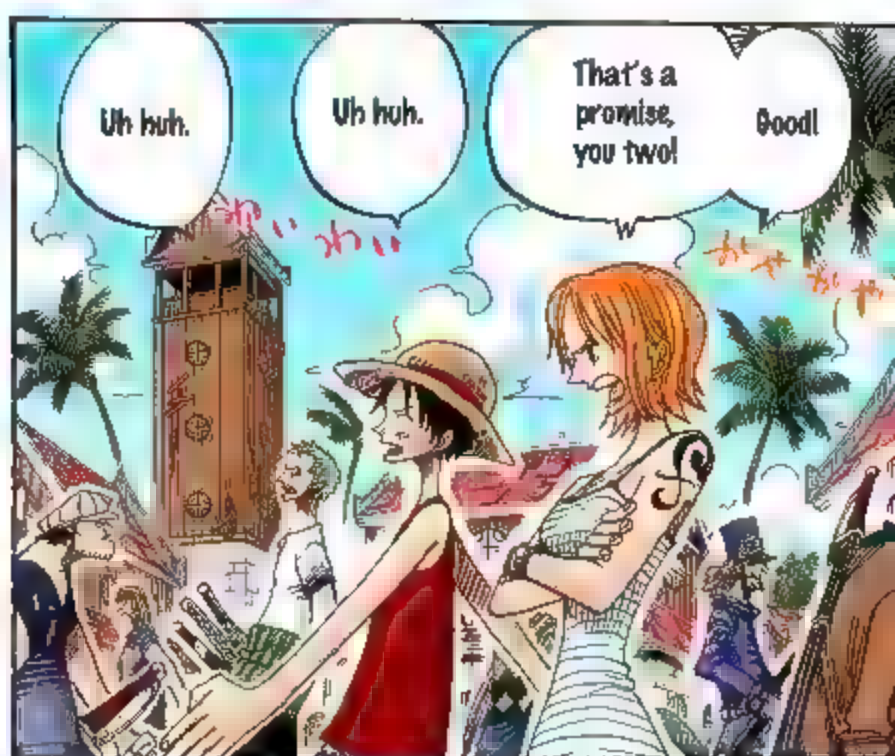

"I solemnly swear not to fight in this town"

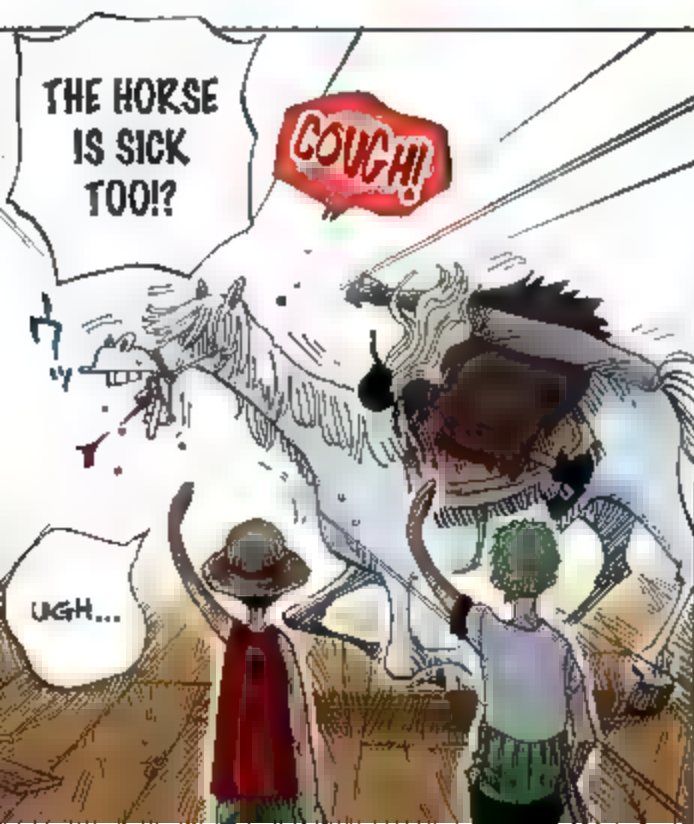

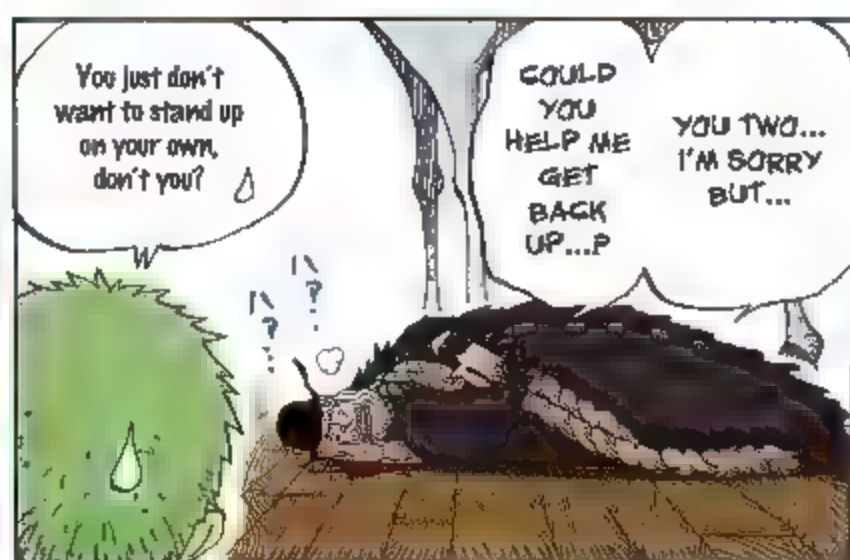

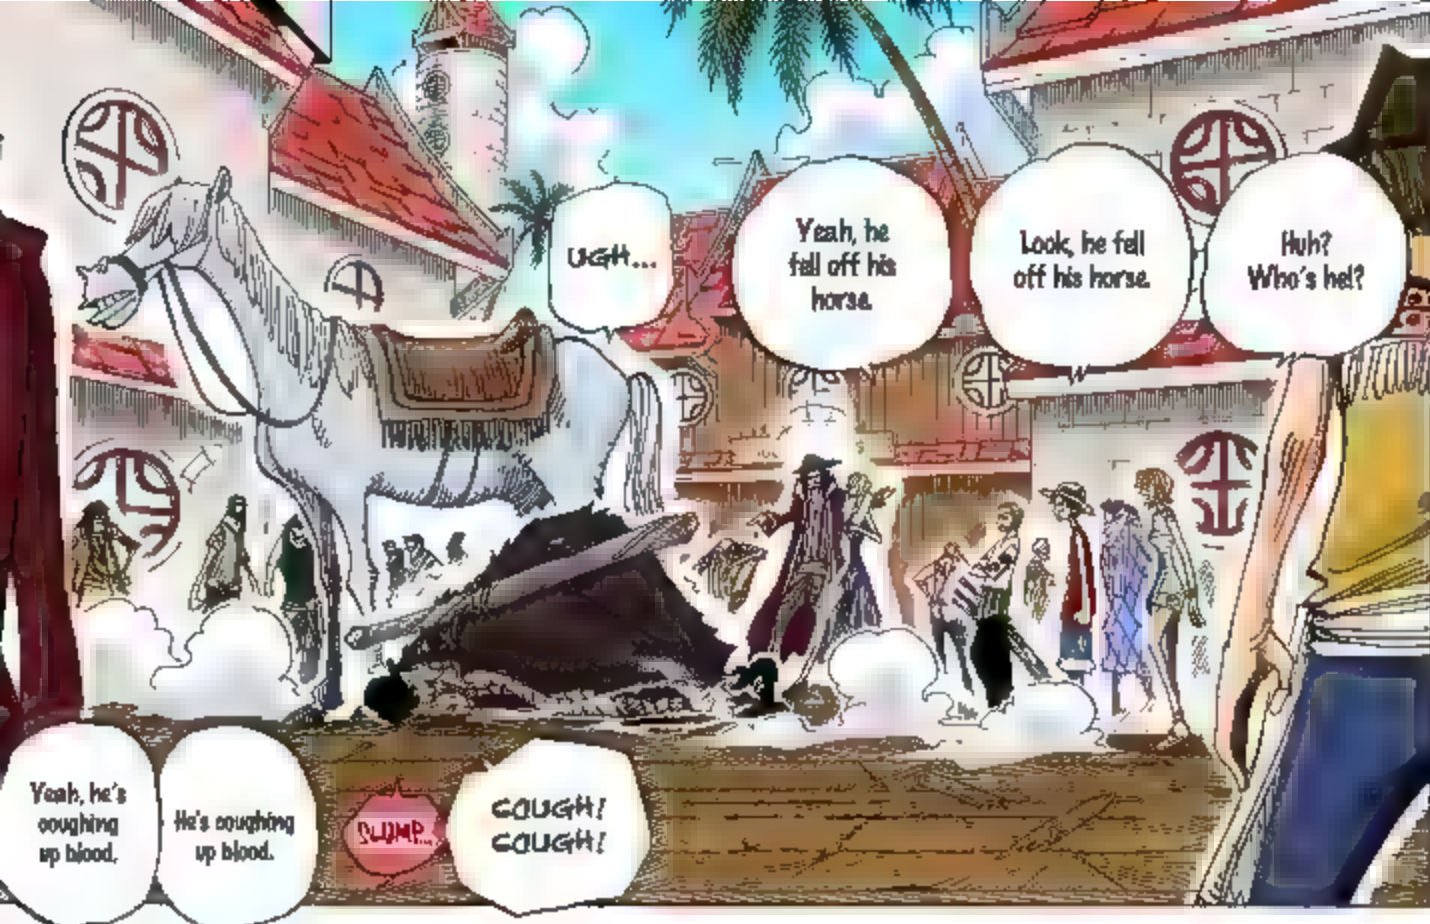

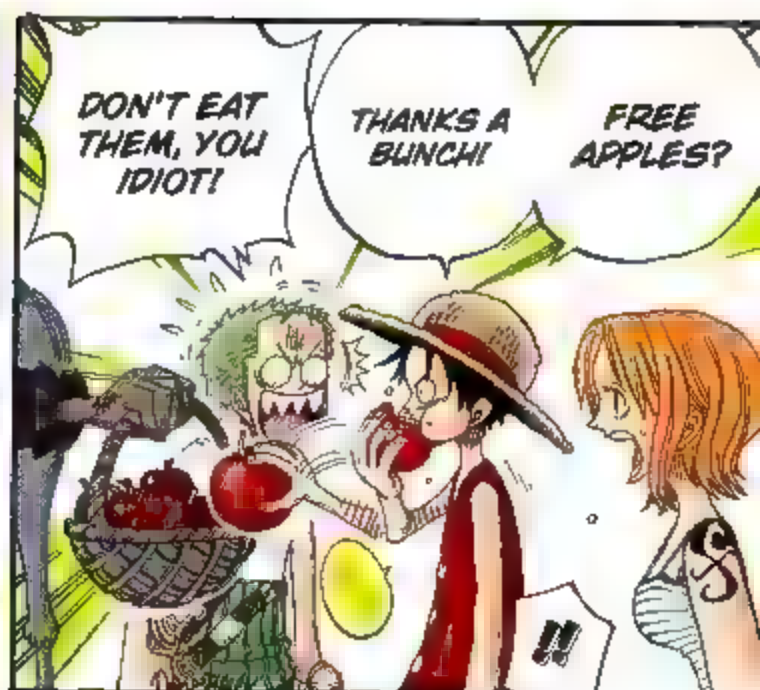

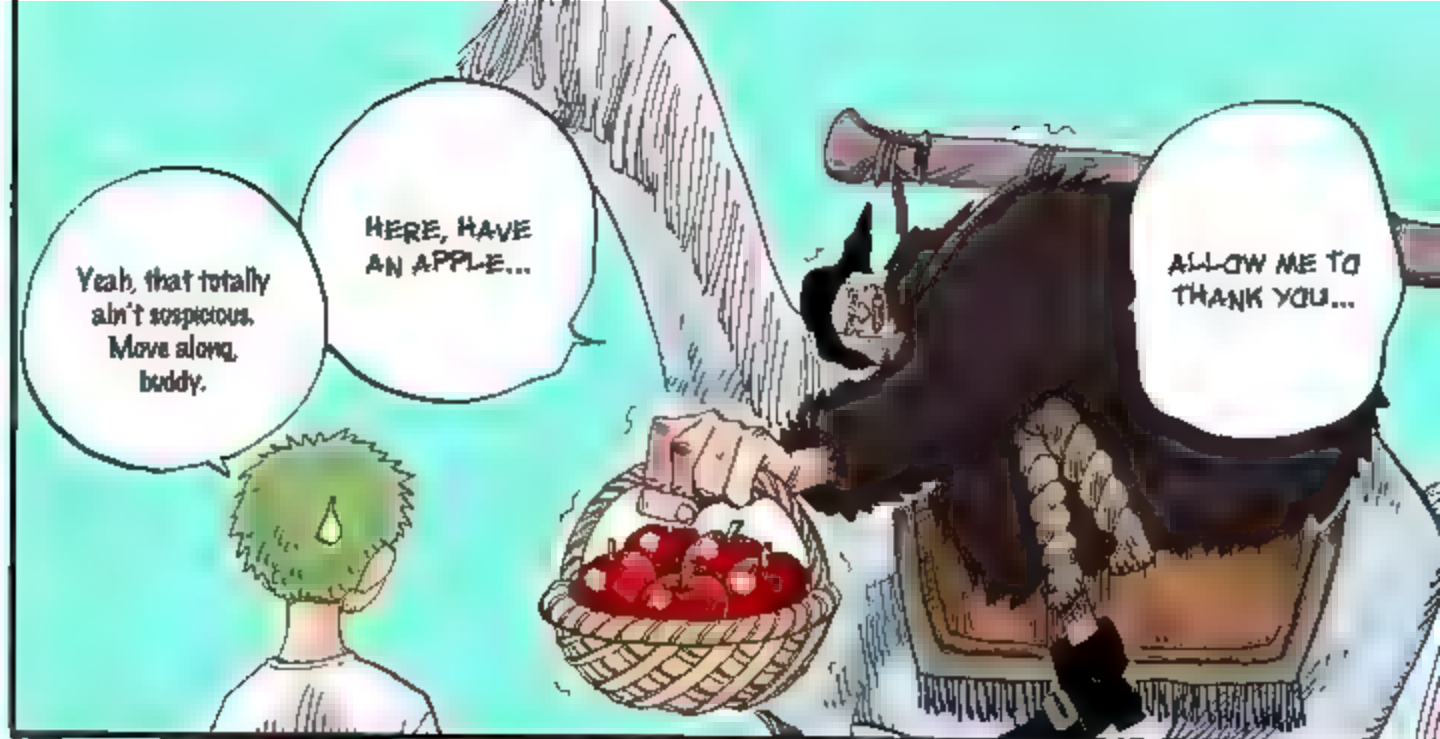

HACHI'S OCEAN FLOOR STROLL VOL. 36
"OCTO-PUNCH AND THE VILLAGE ELDER'S SMILE"

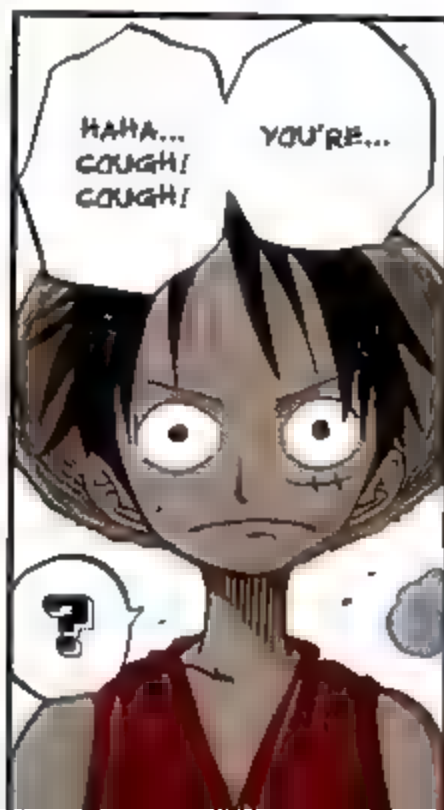

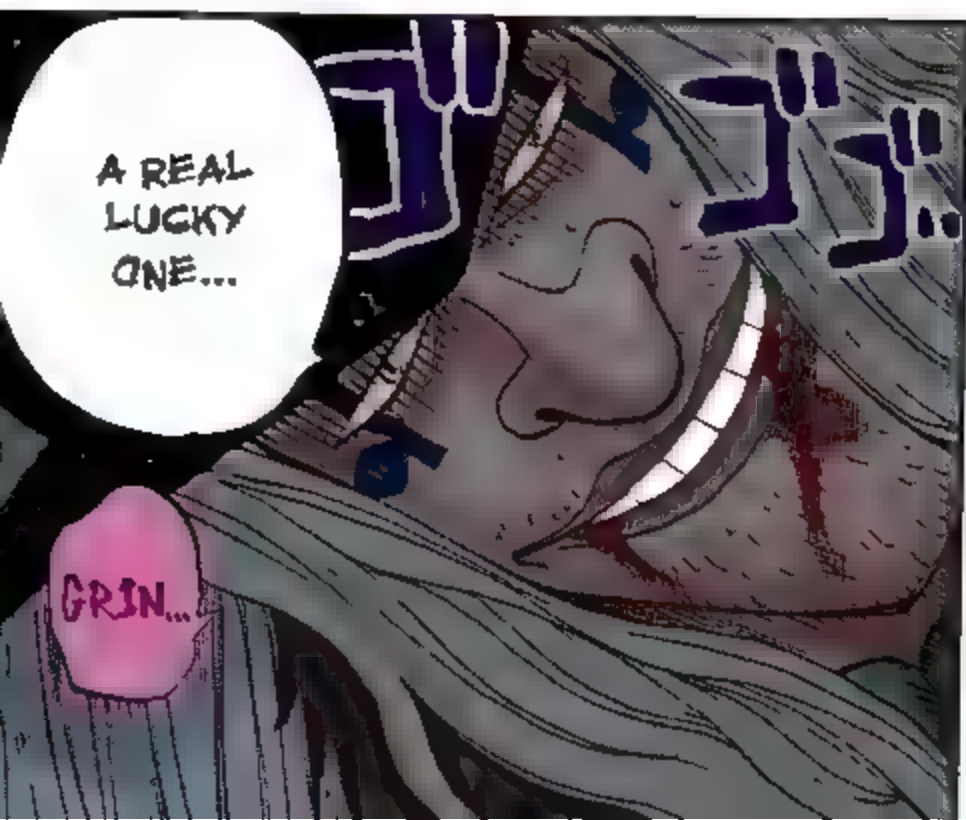

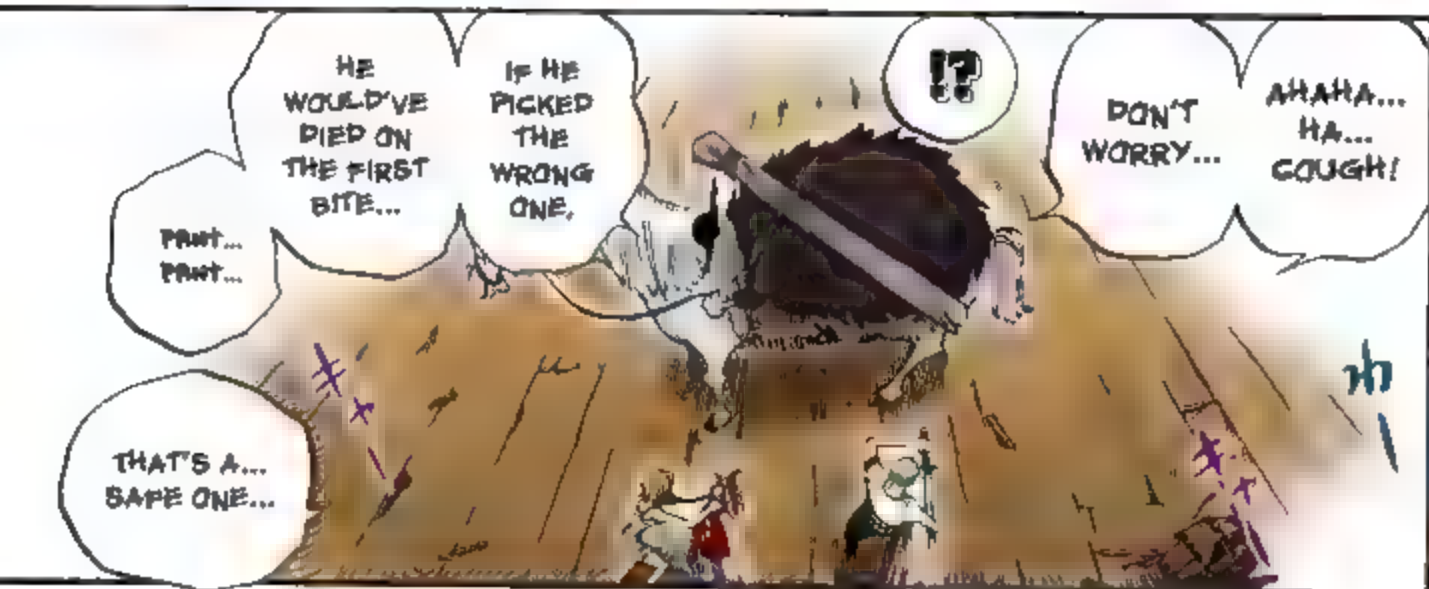

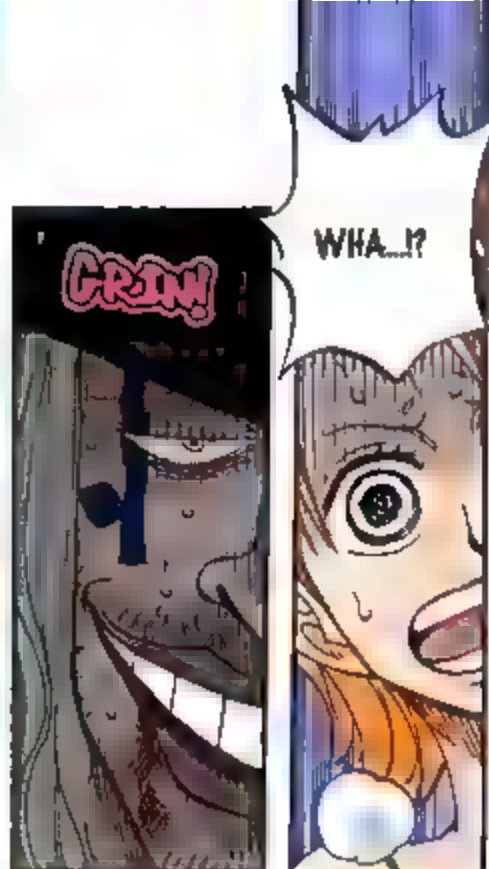

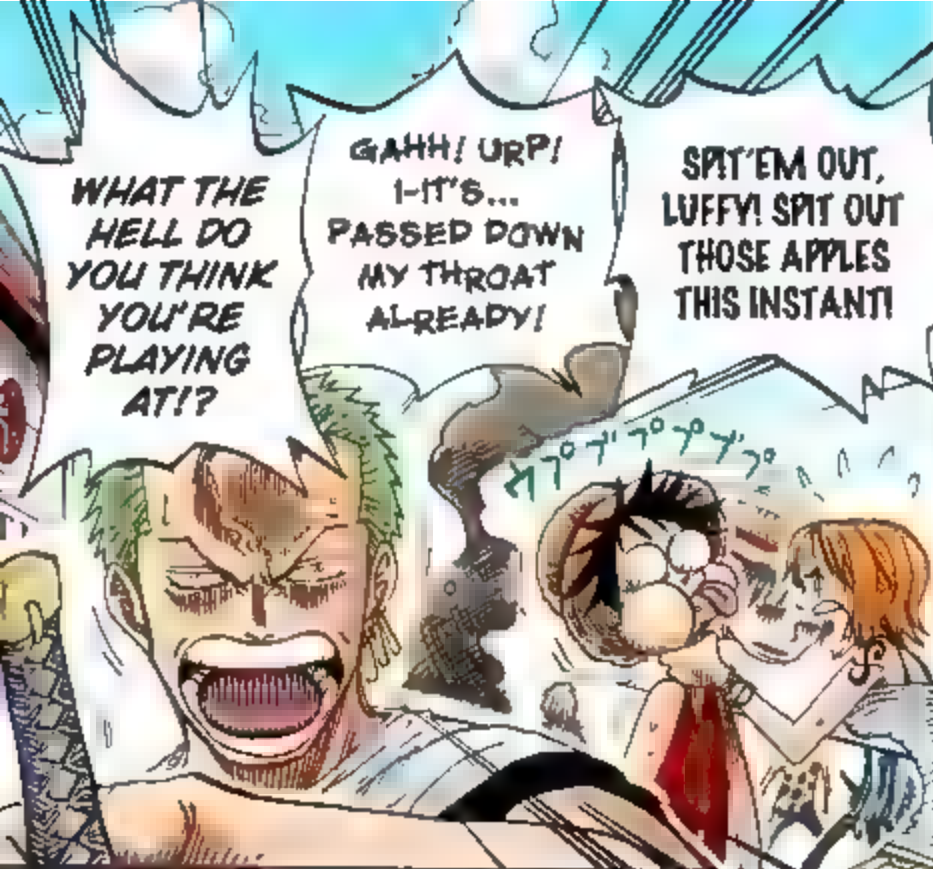

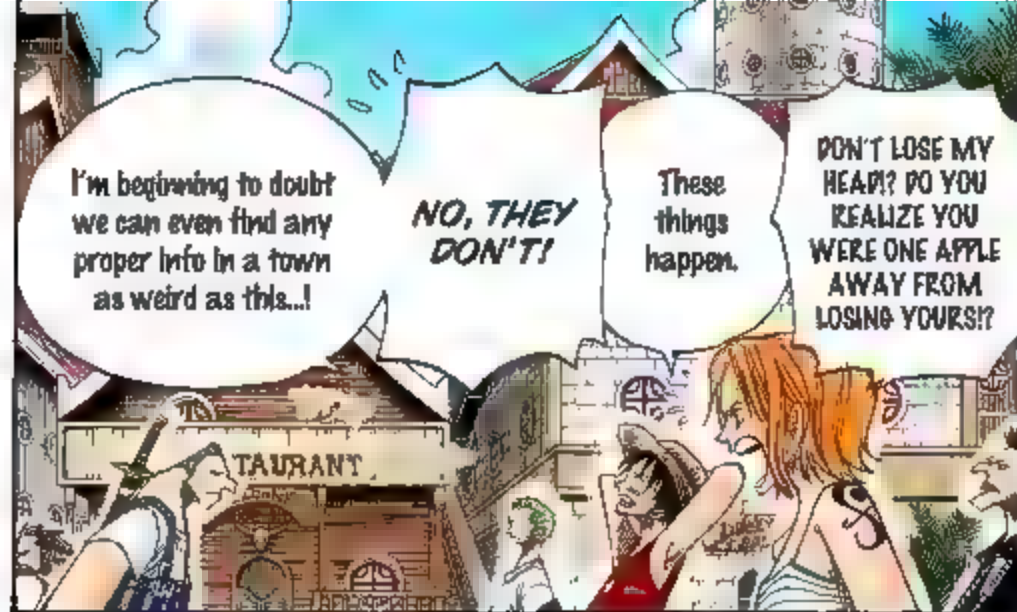

I'm beginning to doubt we can even find any proper info in a town as weird as this..!

NO, THEY DON'T!

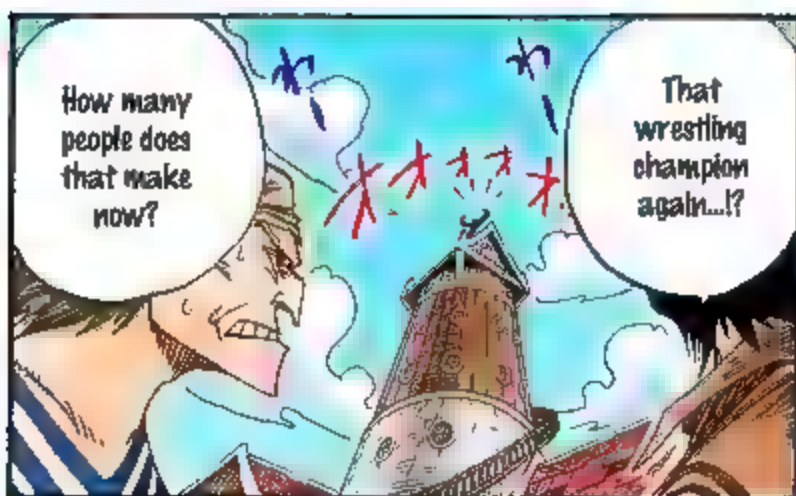

These things happen.

DON'T LOSE MY HEAD! DO YOU REALIZE YOU WERE ONE APPLE AWAY FROM LOSING YOURS?!

WHAT'S WITH THIS TOWN!?

Eh, don't lose your head over it, Nami.

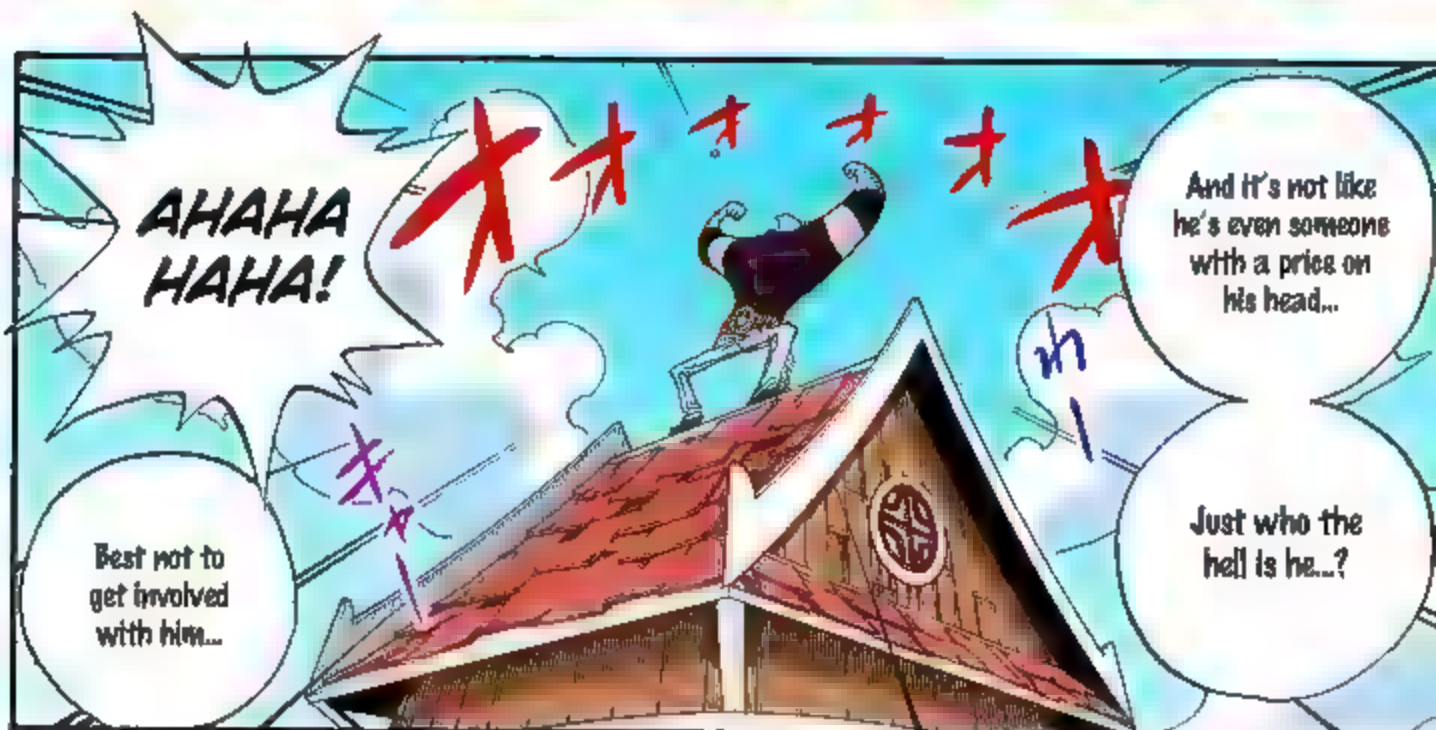

How many people does that make now?

That wrestling champion again...!?

He's beat down another one!

**AHHAHA
HAHA!**

And it's not like he's even someone with a price on his head...

Best not to get involved with him...

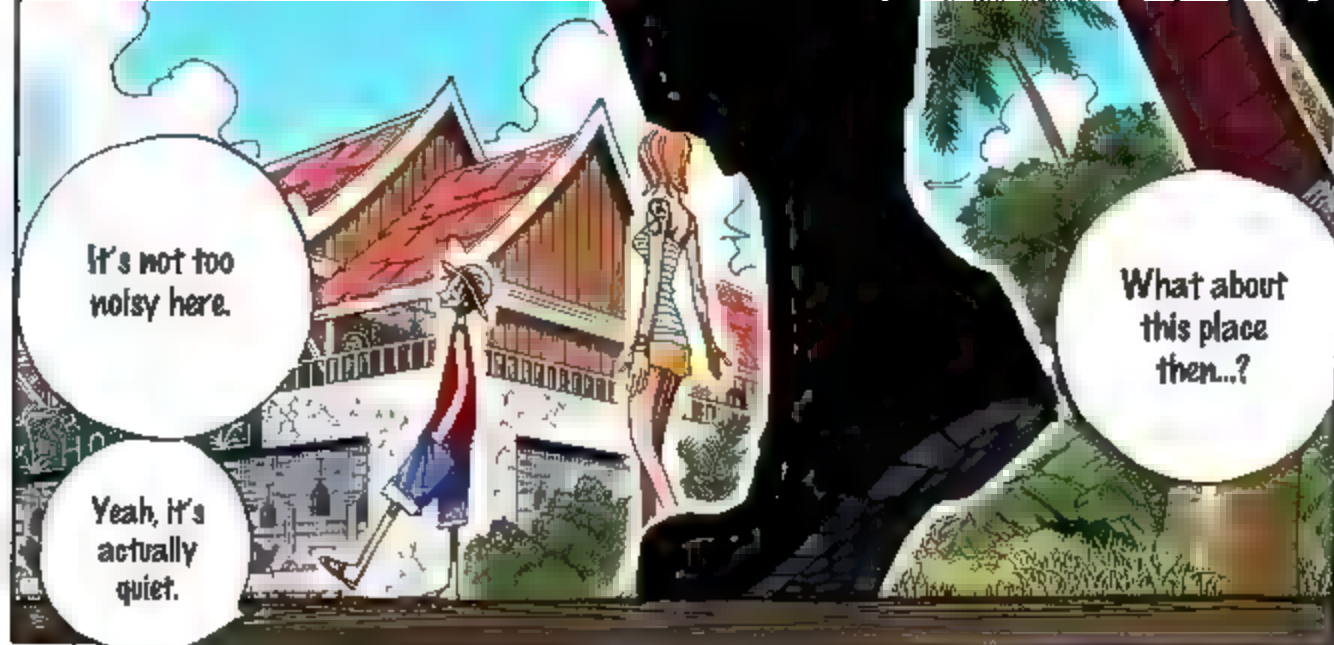

Just who the hell is he...?

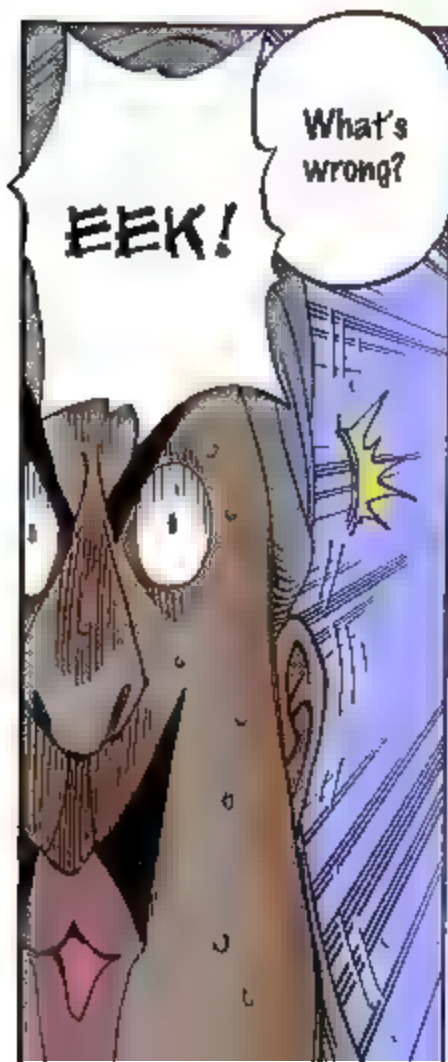

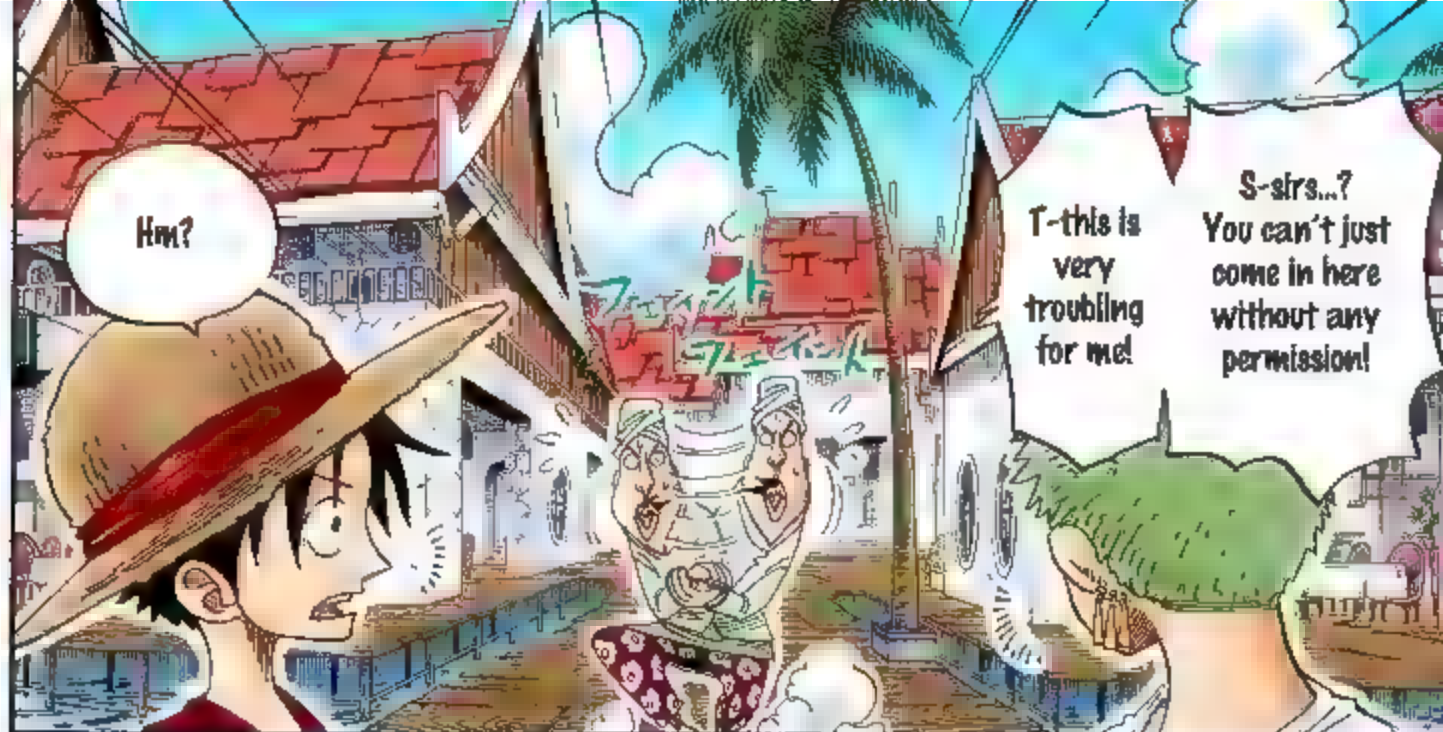

WHAT'RE YOU GETTIN' RILED UP FOR!?

CHAMPION...?

454...

M-m-mister
Sarquiss!
I... Umm...
No-
These three
are...

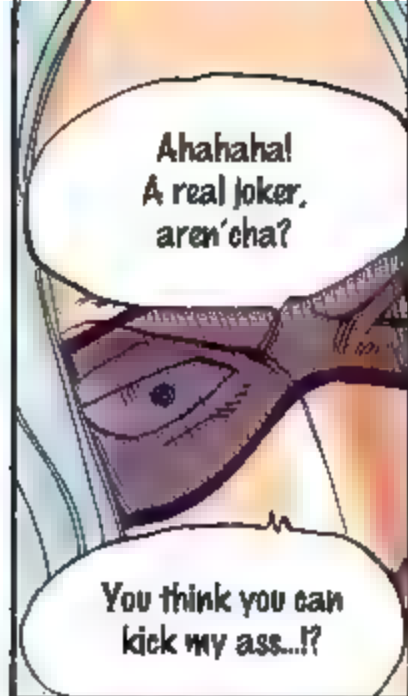

Who the hell
are these dirty
little shits?

I don't care what
your excuses are so
just drive them out
already How much
do you think we're
paying to rent out
this whole place?

That's right!

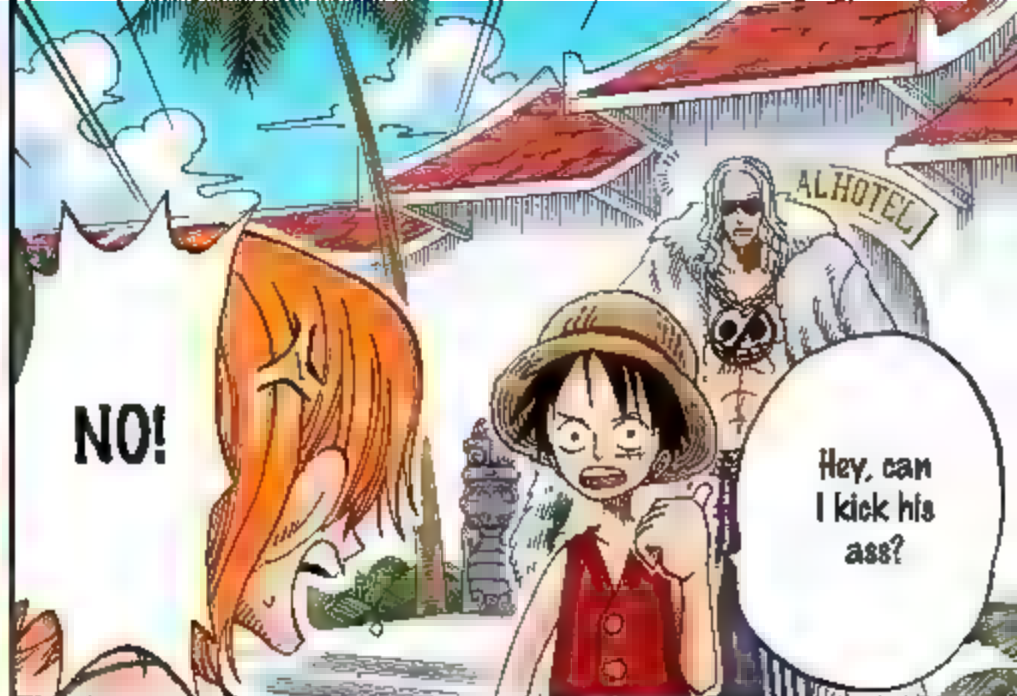

Beat it, kid...!

First Mate of the
Bellamy Pirates
"Big Knife Sarquiss"
Bounty: 30,000,000 Bell

Ahahaha!
A real joker,
aren'tcha?

You think you can
kick my ass...!?

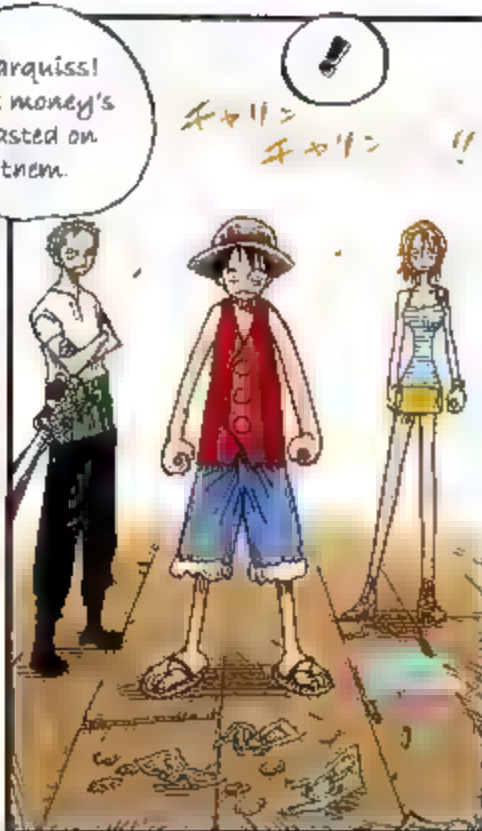

NO!

Hey, can
I kick his
ass?

Sarquiss!
The money's
wasted on
them.

Yeah, I guess
it'd have been
better to wipe
my ass with
those bills!

Really?
You're
giving it
to me?

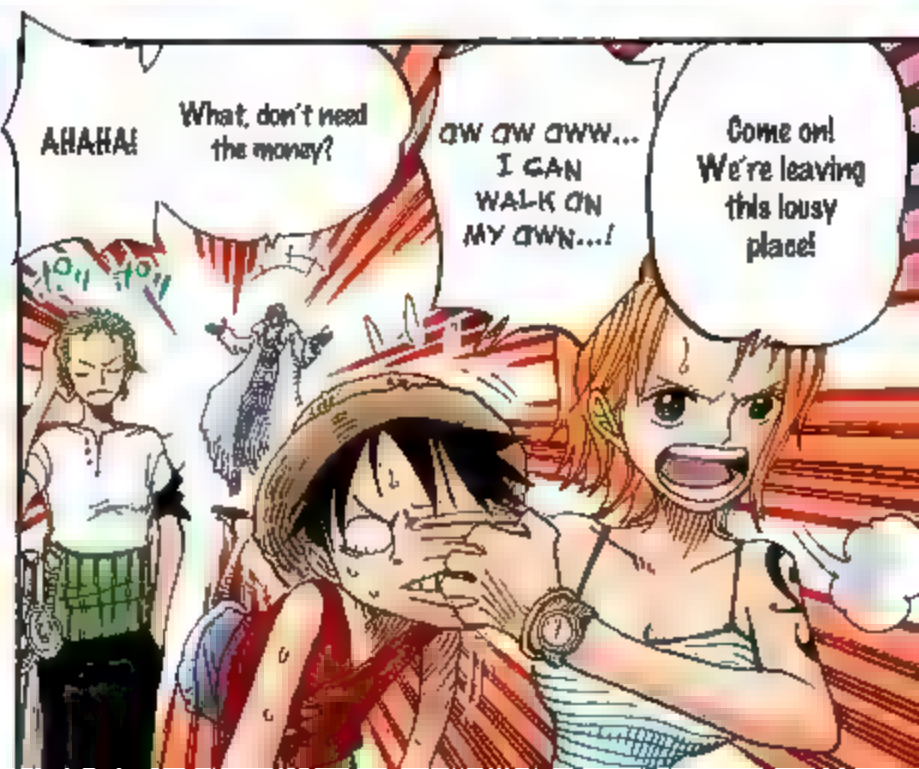

Here, get
yourself
something
decent to
wear.

What a bunch
of ragamuffins.

Anahana!
What a bunch
of losers!

Heh heh...

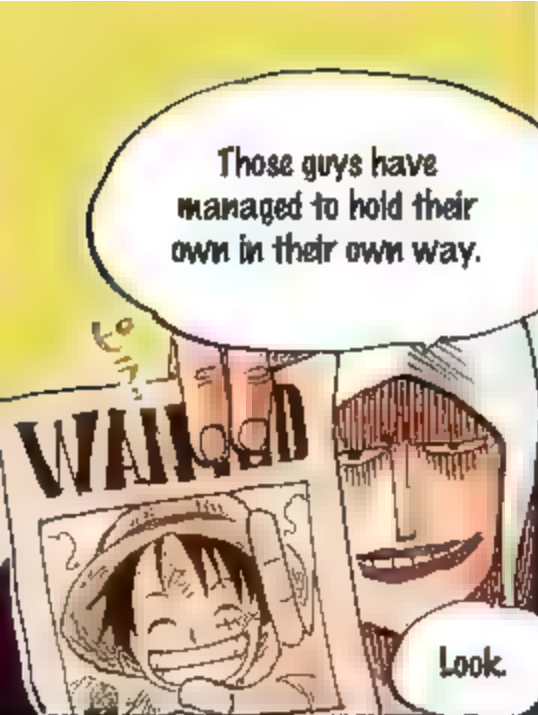

AAAAH!

What, don't need
the money?

OW OW OW...
I CAN
WALK ON
MY OWN...!

Come on!
We're leaving
this lousy
place!

Those guys have managed to hold their own in their own way.

Look.

Hm?

What, you were here?

Don't tease'em too much, now.

Sarquiss! Lilly!

Still, they won't be able to keep up in the coming "new age."

But they're doing pretty good for "normal people"...

Sure, they might be trash compared to you and Bellamy.

Bellamy Pirates

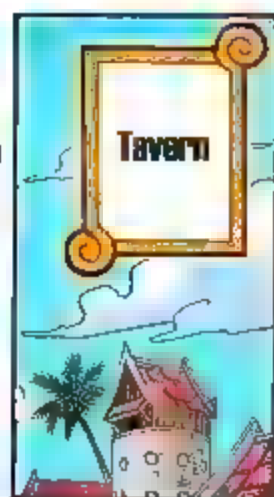

Gonna show
this to
Bellamy.

But still... 30 million
for that pipsqueak?

Is a town
built from
pirate-money.

Mocktown,

Tavern

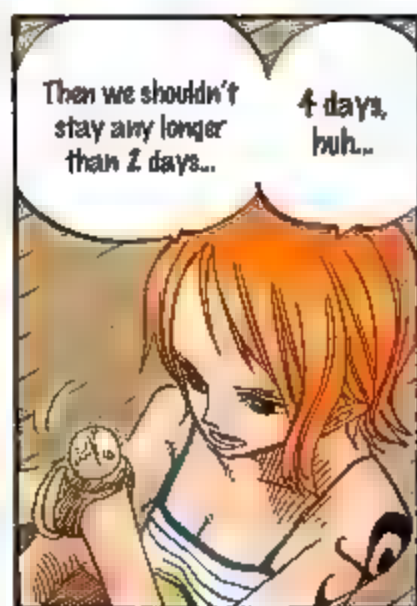

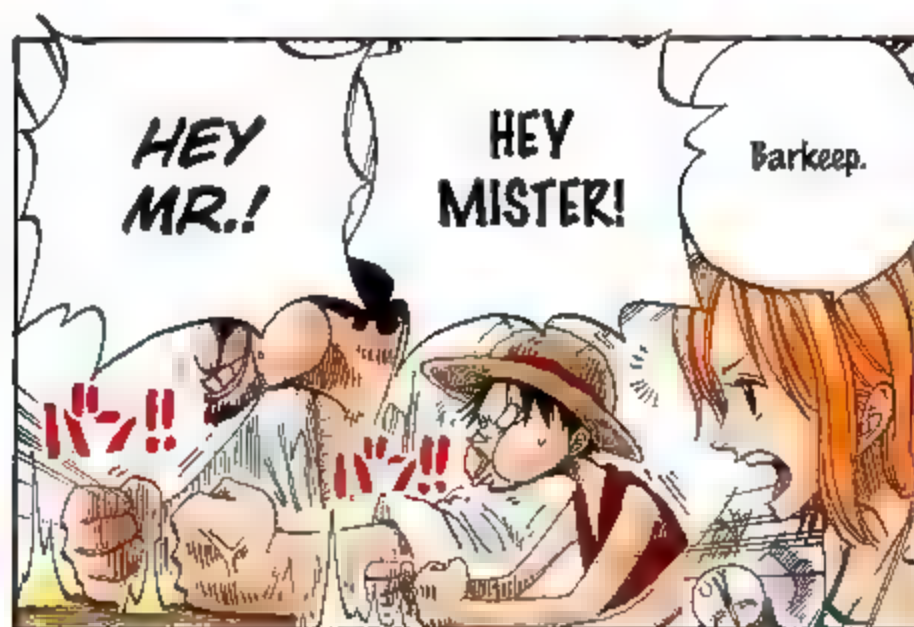

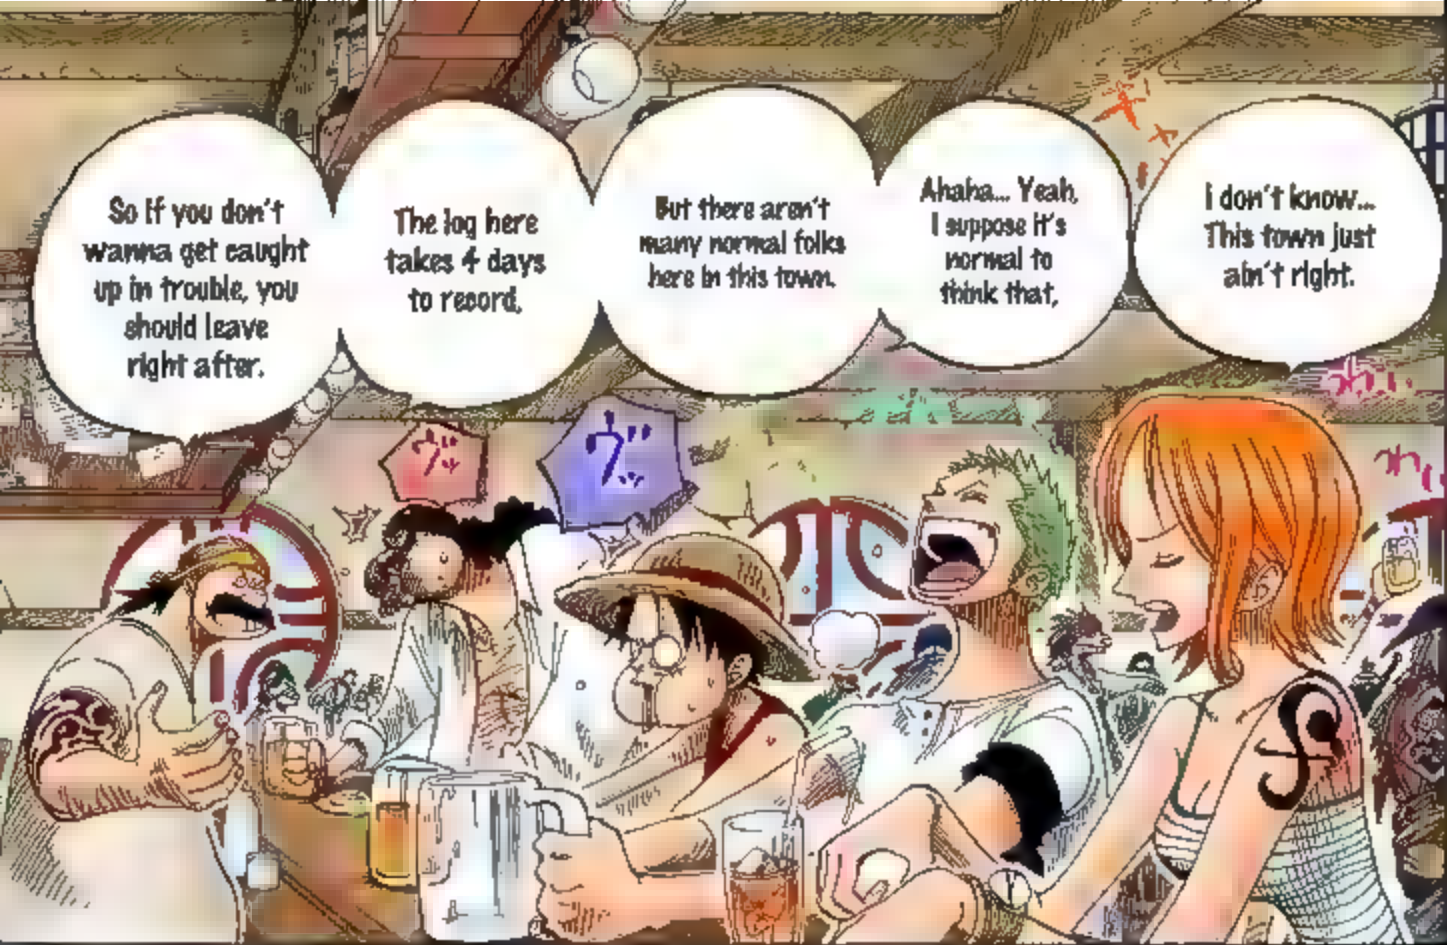

But the pirates
rarely harm
the locals here.

Fights and
killings are
everyday
occurrences
here.

Pirates spend
money like
running water,
you know.

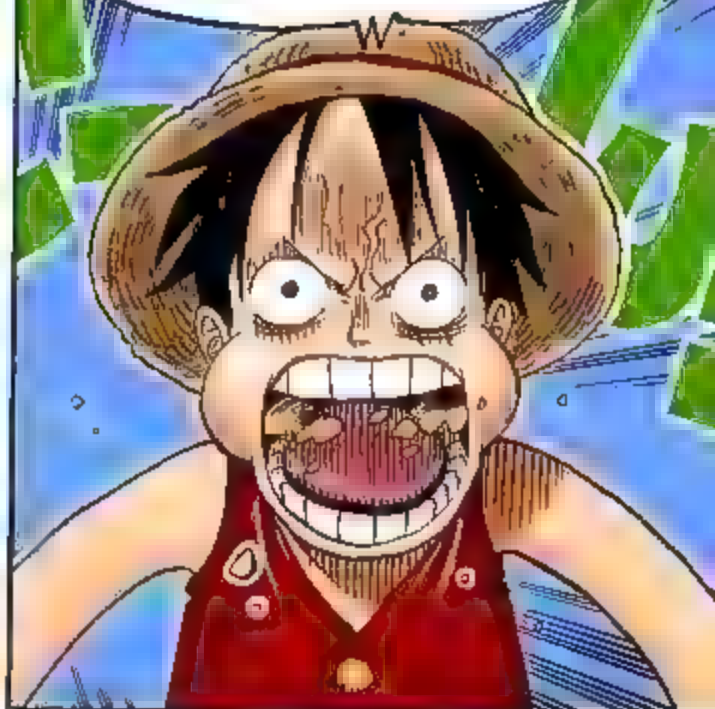

After all, what
good's money
without people
to accept it?

This cherry pie is...
TO DIE FOR!

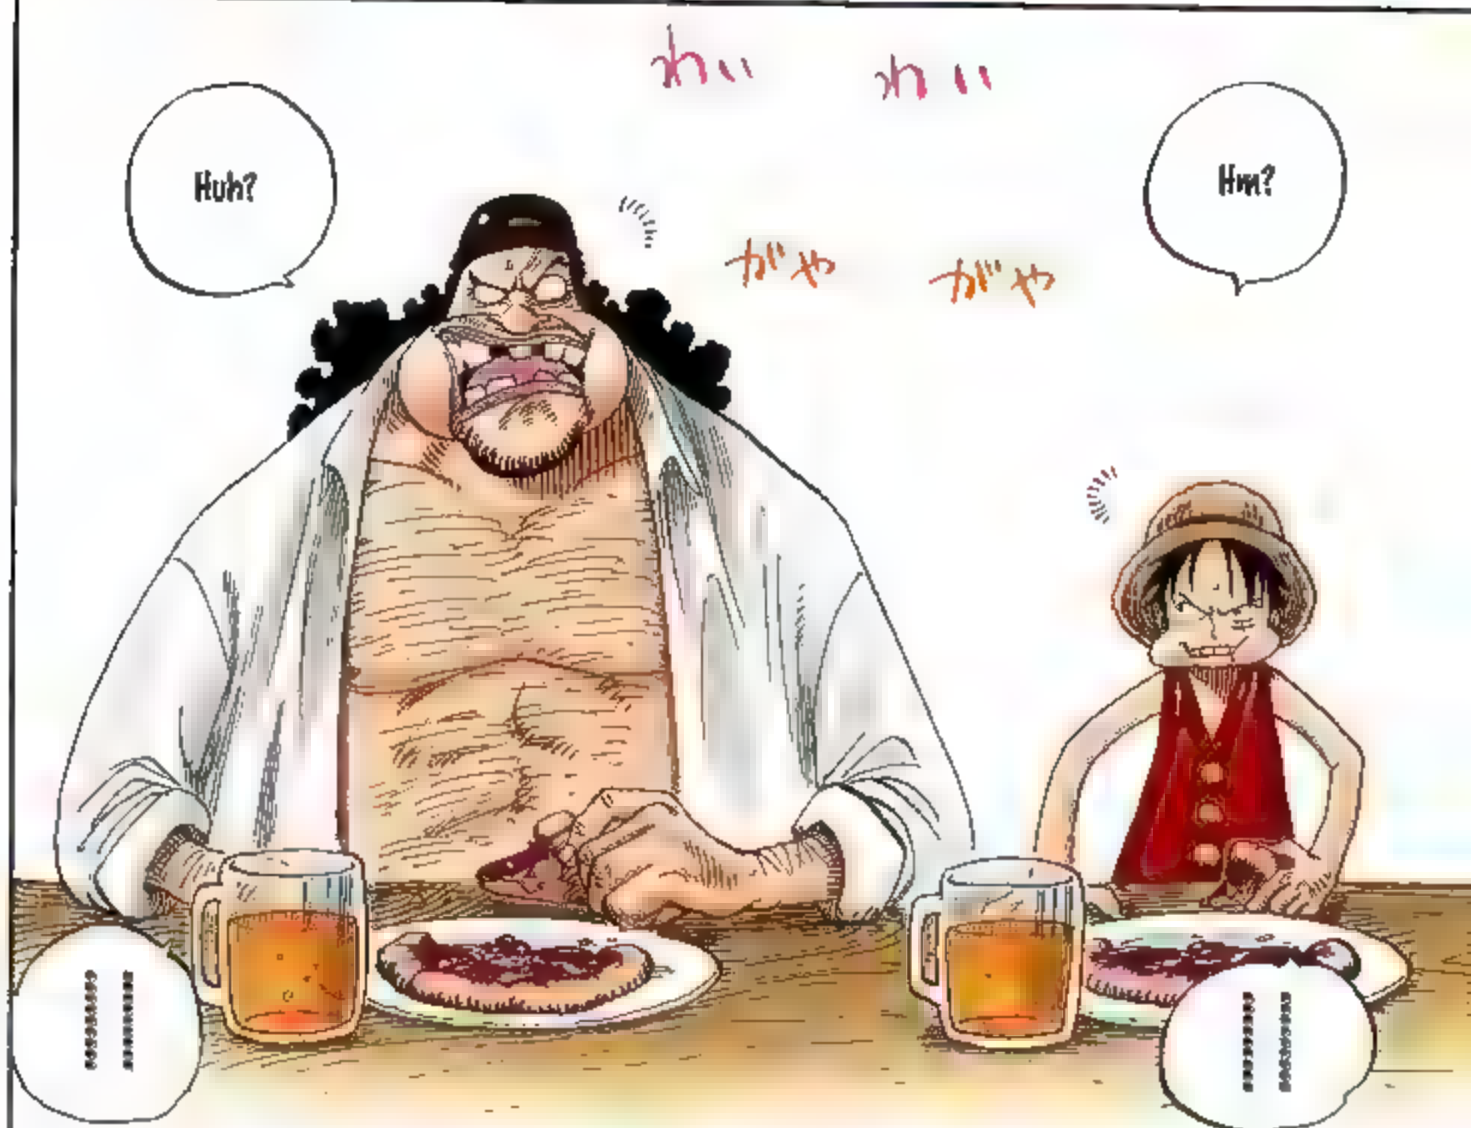

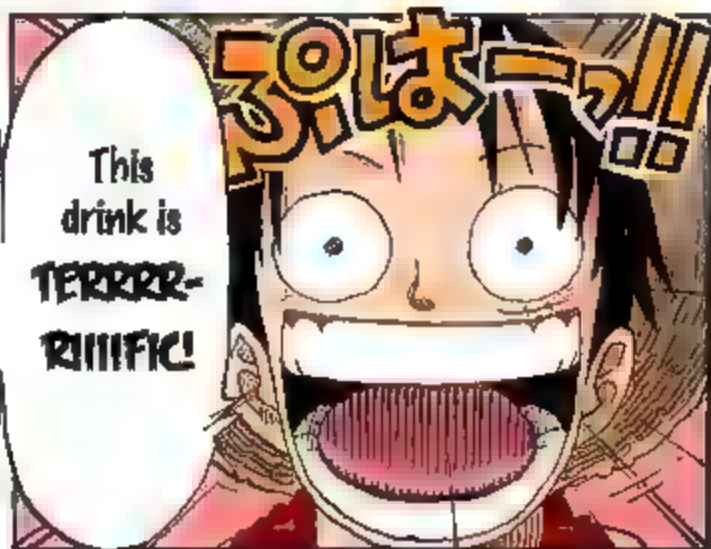

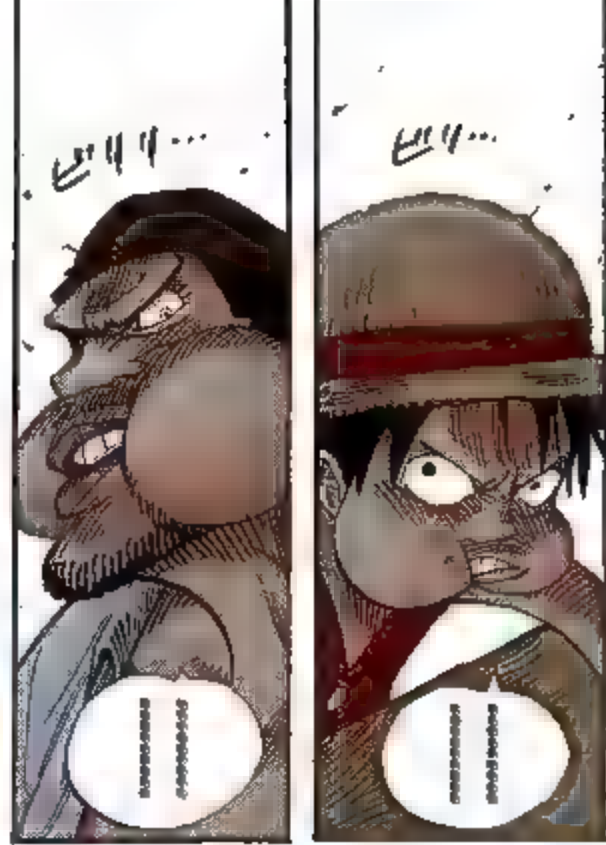

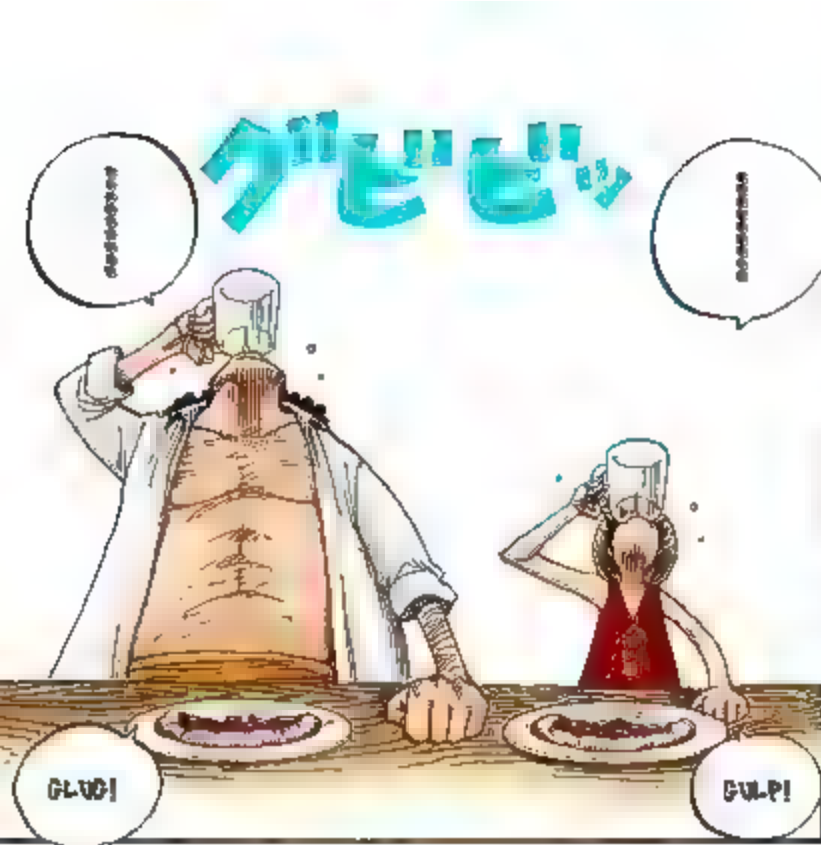

This cherry pie is
so gross I thought
I'D DIE!

Huh?

Hm?

Luffy! You promised, remember!?

We don't even have the money to buy that much meat! We didn't come here to shop!

HOW DO YOU GET A FIGHT FROM THAT!?

WHAT, YOU WANT SOME OF THIS!?

Yeah, so what!?

You a pirate...?

30 mil?
You...!?

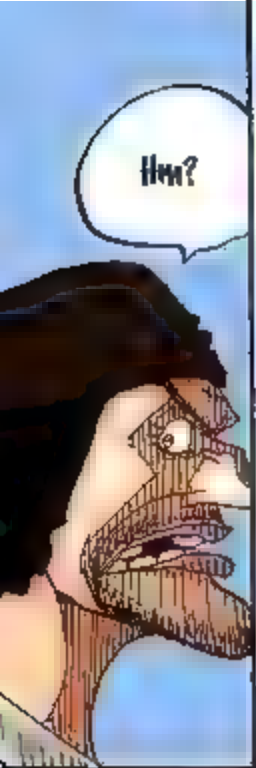

30 MIL!

Bounty?

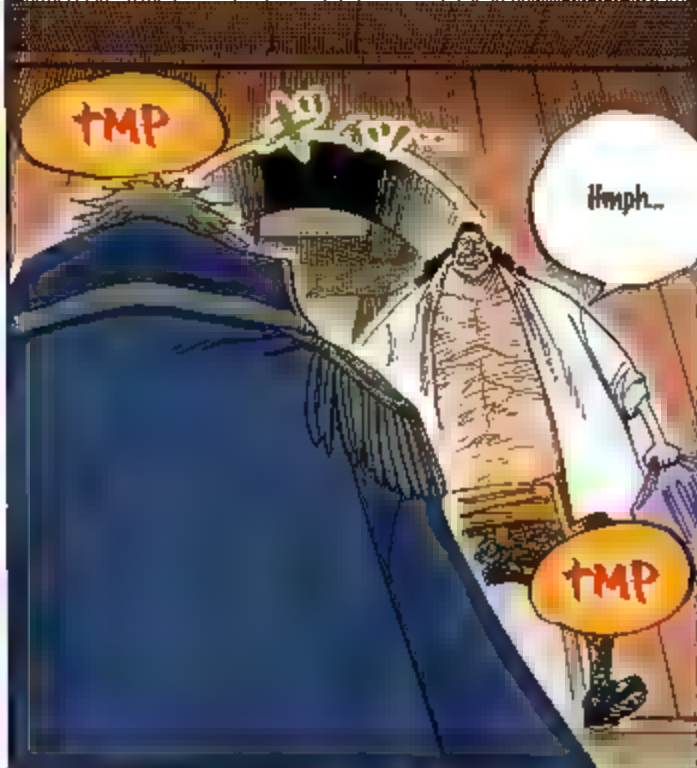

I AIN'T LYIN'!
IT'S THE TRUTH!

Cut it out!

LIKE HELL YOU ARE!
STOP LYING!

Hm?

TMP

Hmph...

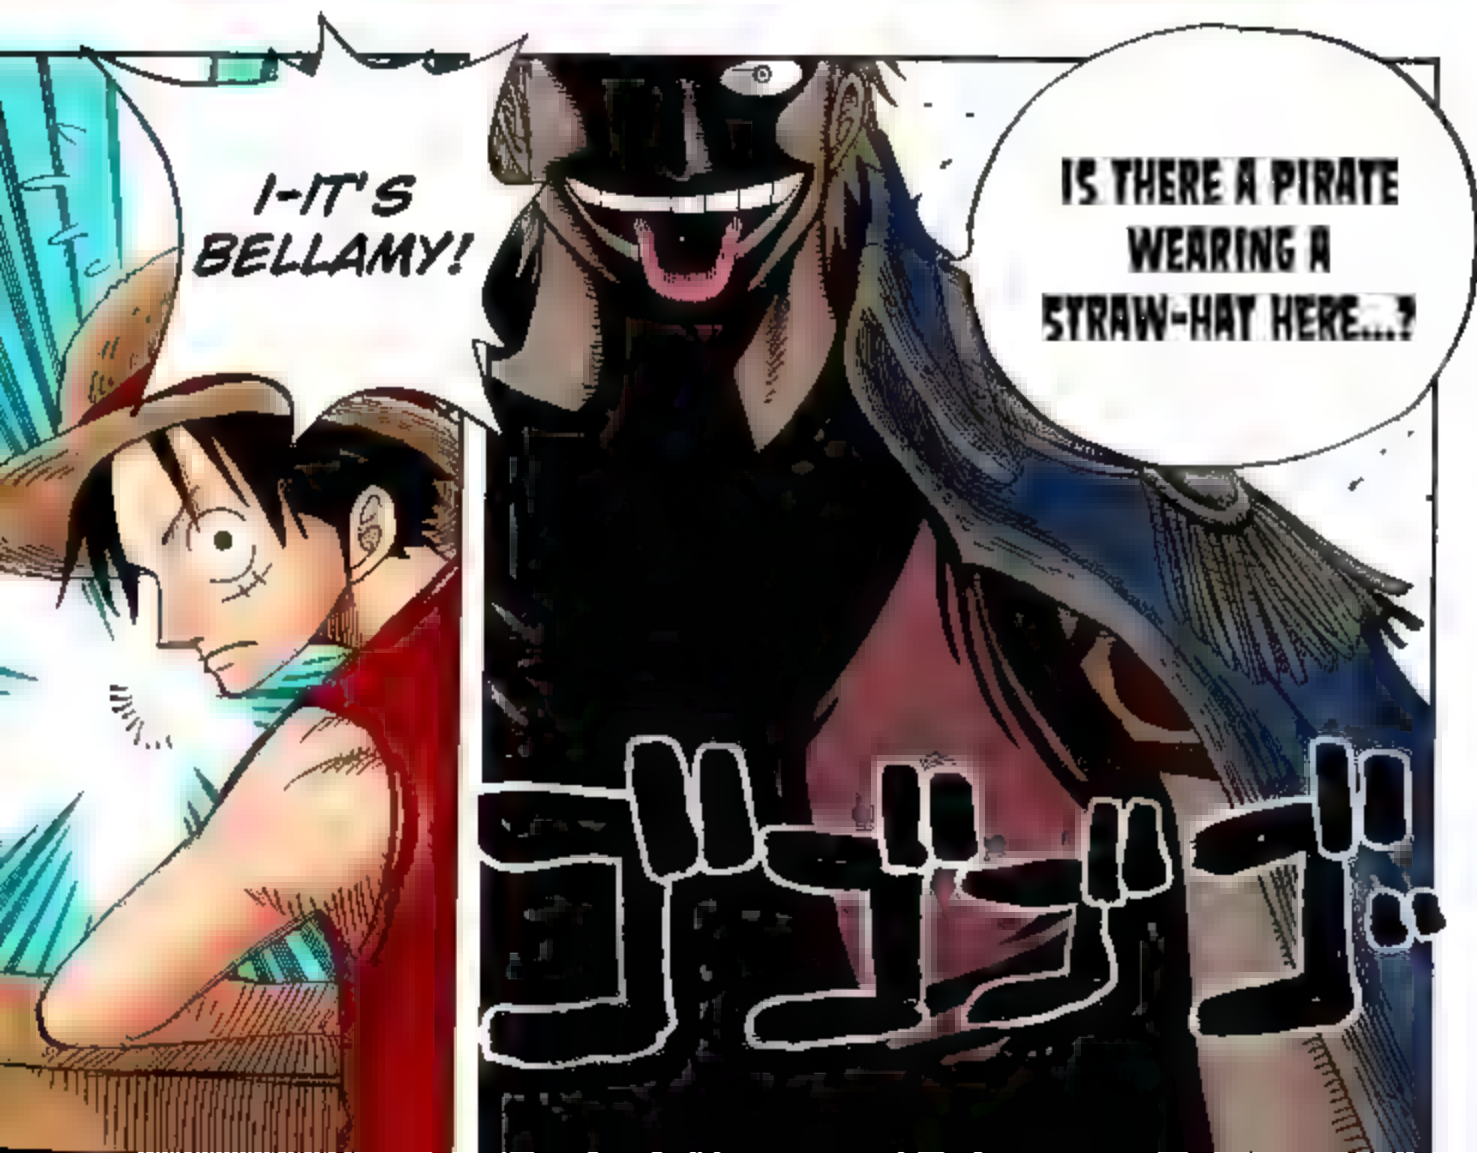

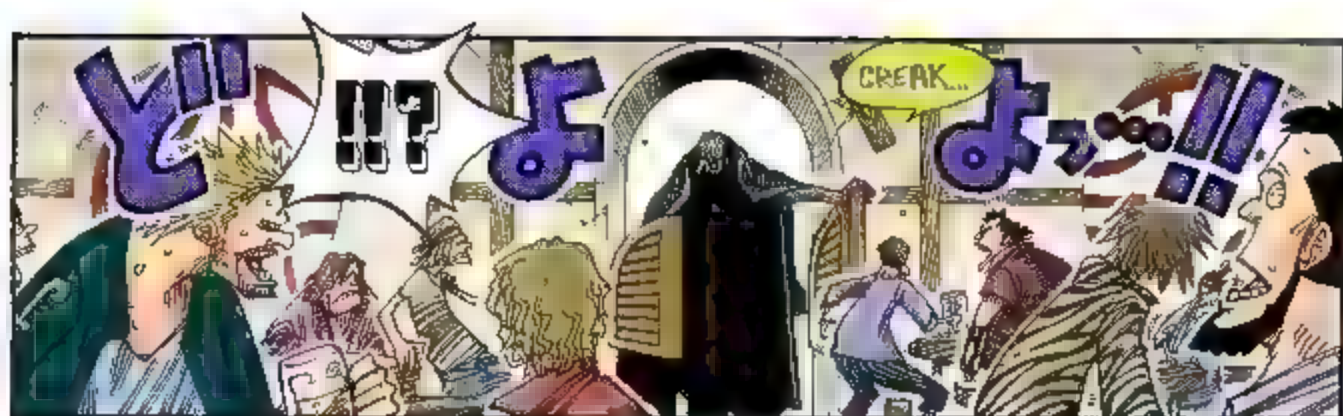

TMP

Now take this and leave.

Whoa there.
No rough-housing inside the bar.

50 cherry pies.

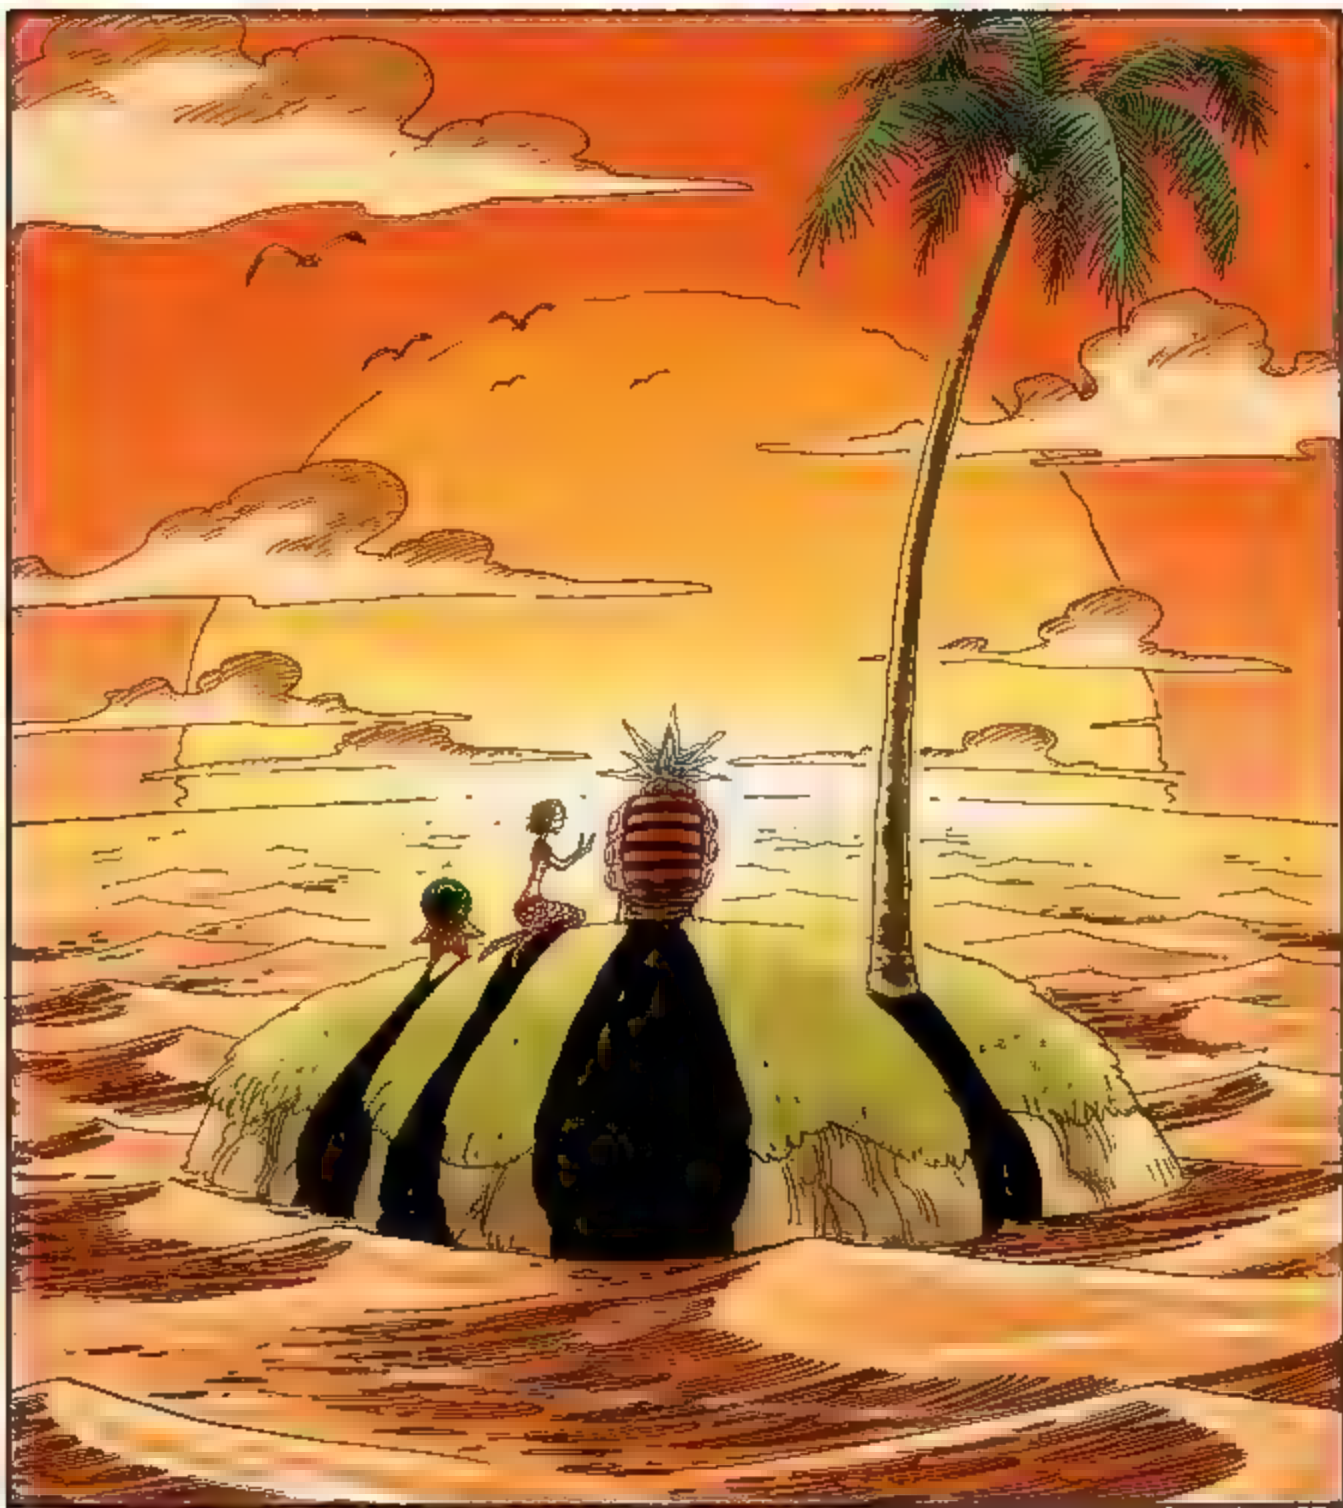

I-IT'S BELLAMY!

IS THERE A PIRATE
WEARING A
STRAW-HAT HERE...?

ゴウゴウ

Chapter 224 “Stop Dreamin’!”

The executioner
Roshio,

Was killed here...

W... What
happened
here...?

Even the guys who
saw the whole thing
have no idea what
exactly happened,

Beats me...

Were they firing
cannons in the
middle of town
or what?

This looks
more like a
warzone...

So who the
hell really
knows...?

どーん!!

どーん!!

Was fighting
Bellamy...

It's that
Roshio,

But if there's
two things we
know for
certain,

Some sort of
devil fruit
ability...

And that
"Bellamy
the Hyena,"

Definitely
has,

どよ

Bellamy loves to play around...

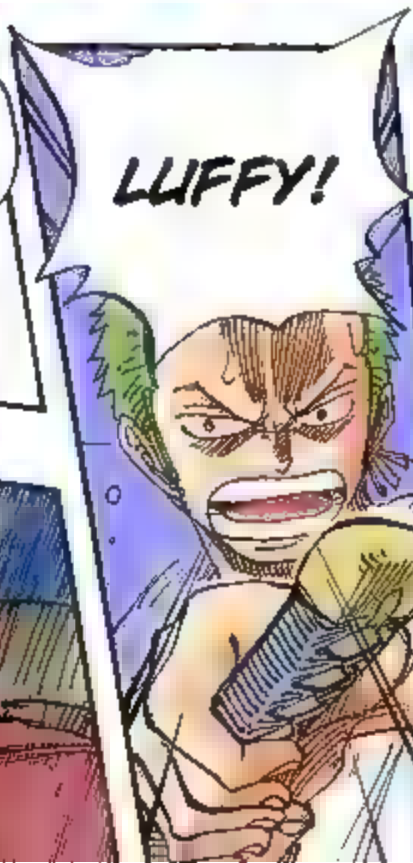

So you're a pretty nice guy, after all.

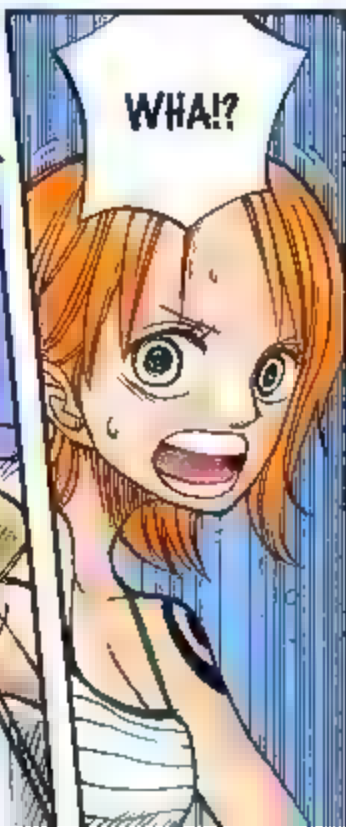

Haha.

SK...
PFFT!
SKY
ISLAND,
SHE
SAID!

About an island floating in the sky...!?

You seriously believe in an old legend like that?

Just where the hell did you hicks come from?

Whoa, boy. You sure surprised me.

Hahaha! What ERA are you from...!?

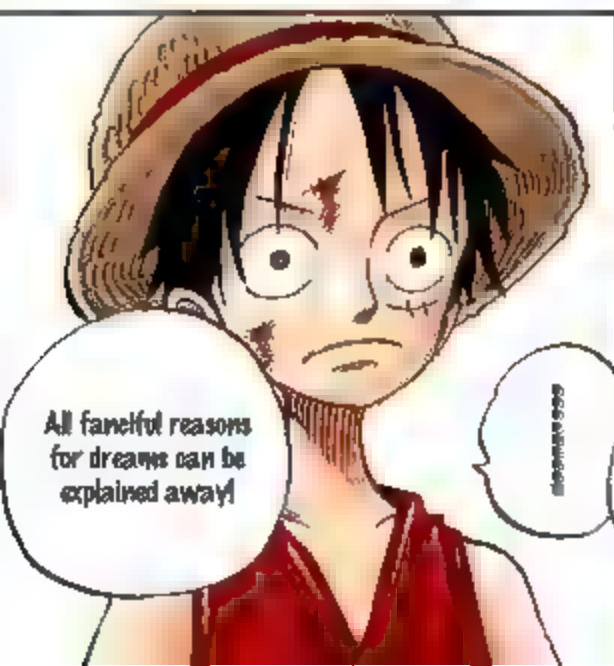

Ships that get hit by the knock-up stream are blasted high up into the sky.

But I bet you three hicks don't even know about the knock-up stream...

?

The "knock-up stream" is one such phenomenon,

Grand Line's bizarre ocean currents are being explained one by one these days.

All fanciful reasons for dreams can be explained away!

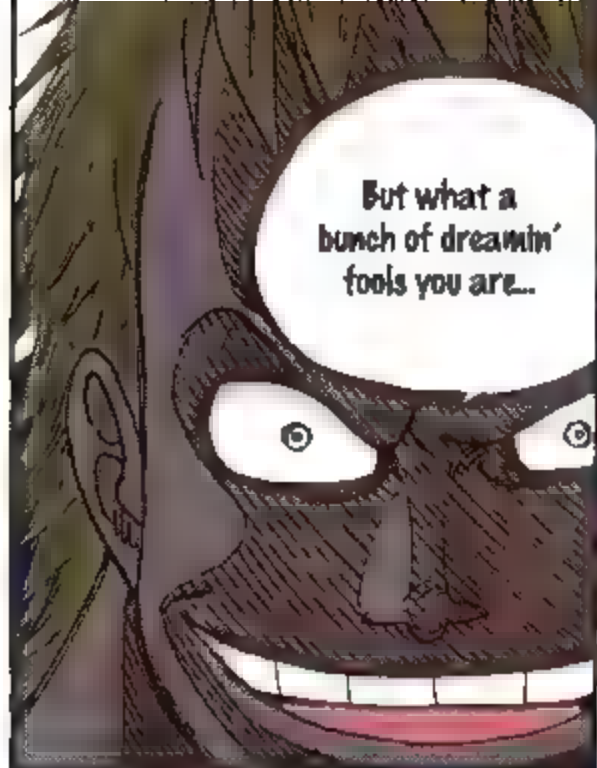

SHIRAZ

So they imagined a whole other world up in the clouds, on islands floating in the sky!

What a bunch of simpletons! There's always a logical reason for phenomena!

But for the sailors who had no idea about the phenomenon, all they saw were ships and wreckages falling from the sky,

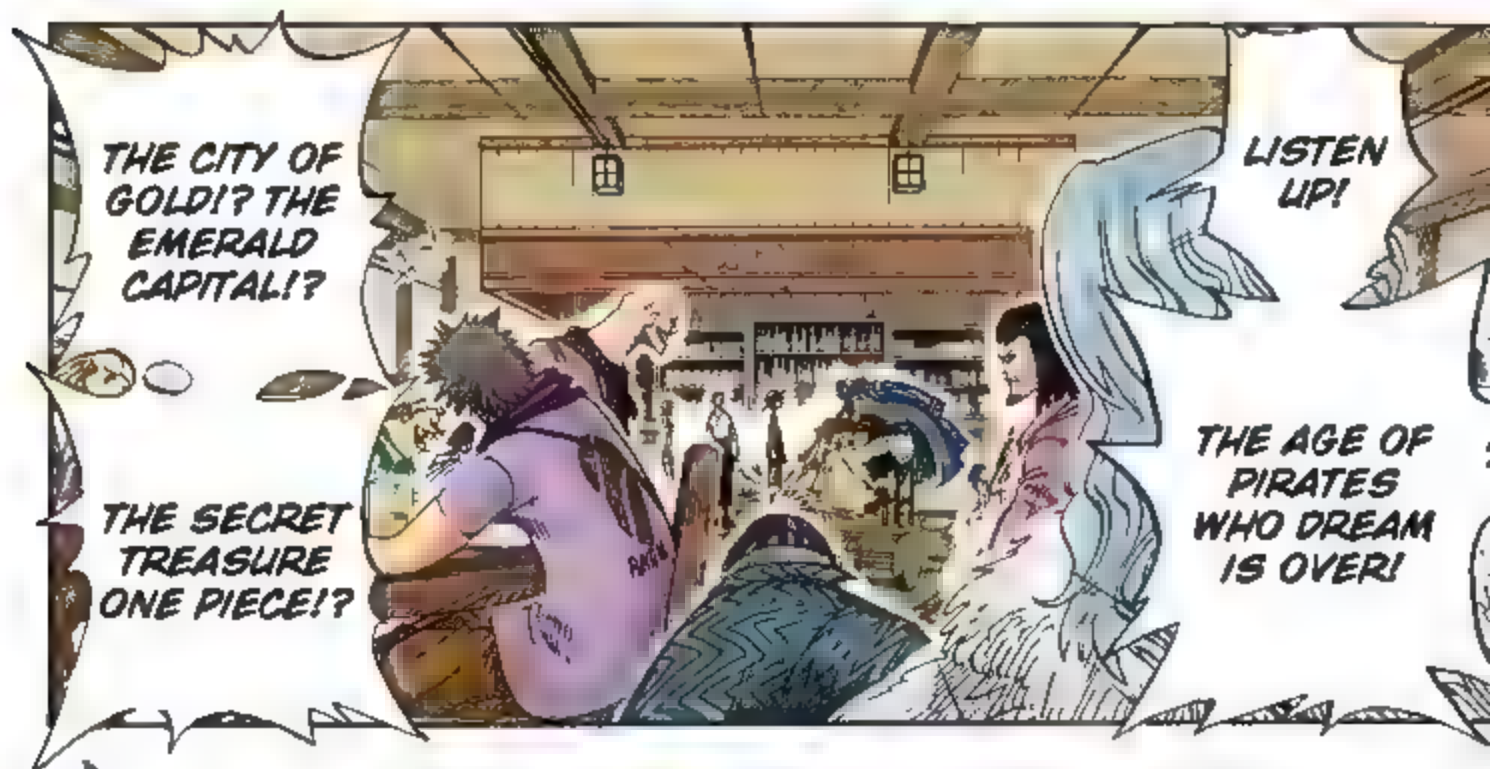

But what a bunch of dreamin' fools you are...

I came to test you to see if you were worthy of joining my crew for the coming new age...

What a letdown...

THE CITY OF GOLD! THE EMERALD CAPITAL!

THE SECRET TREASURE ONE PIECE!?

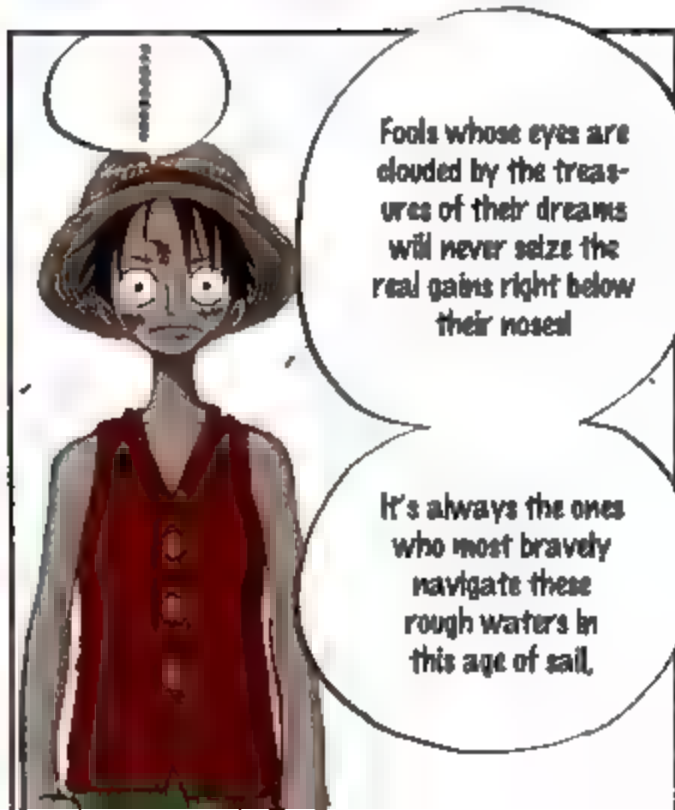

LISTEN UP!

THE AGE OF PIRATES WHO DREAM IS OVER!

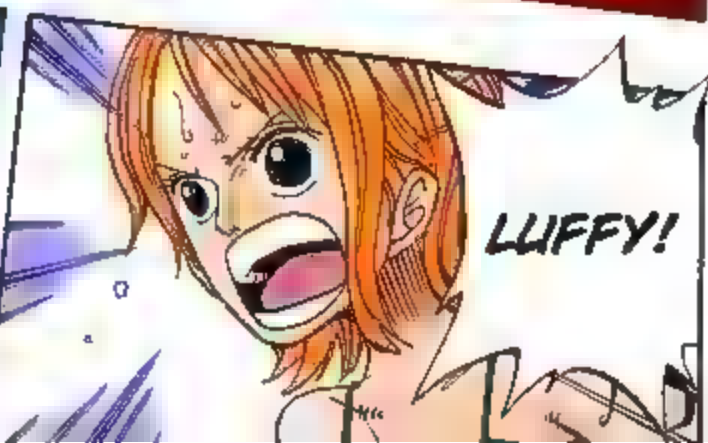

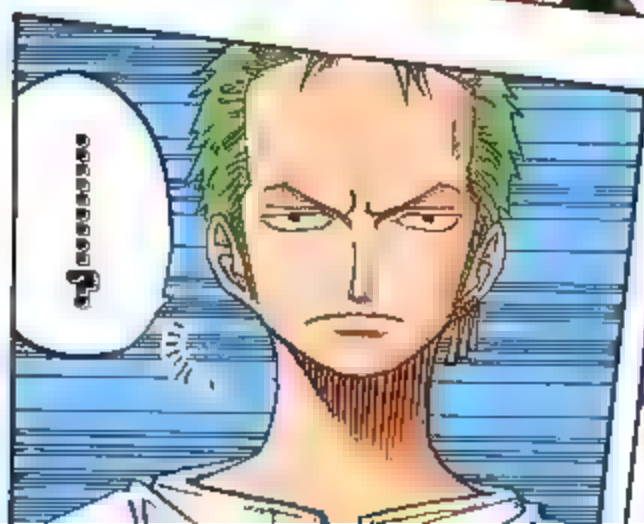

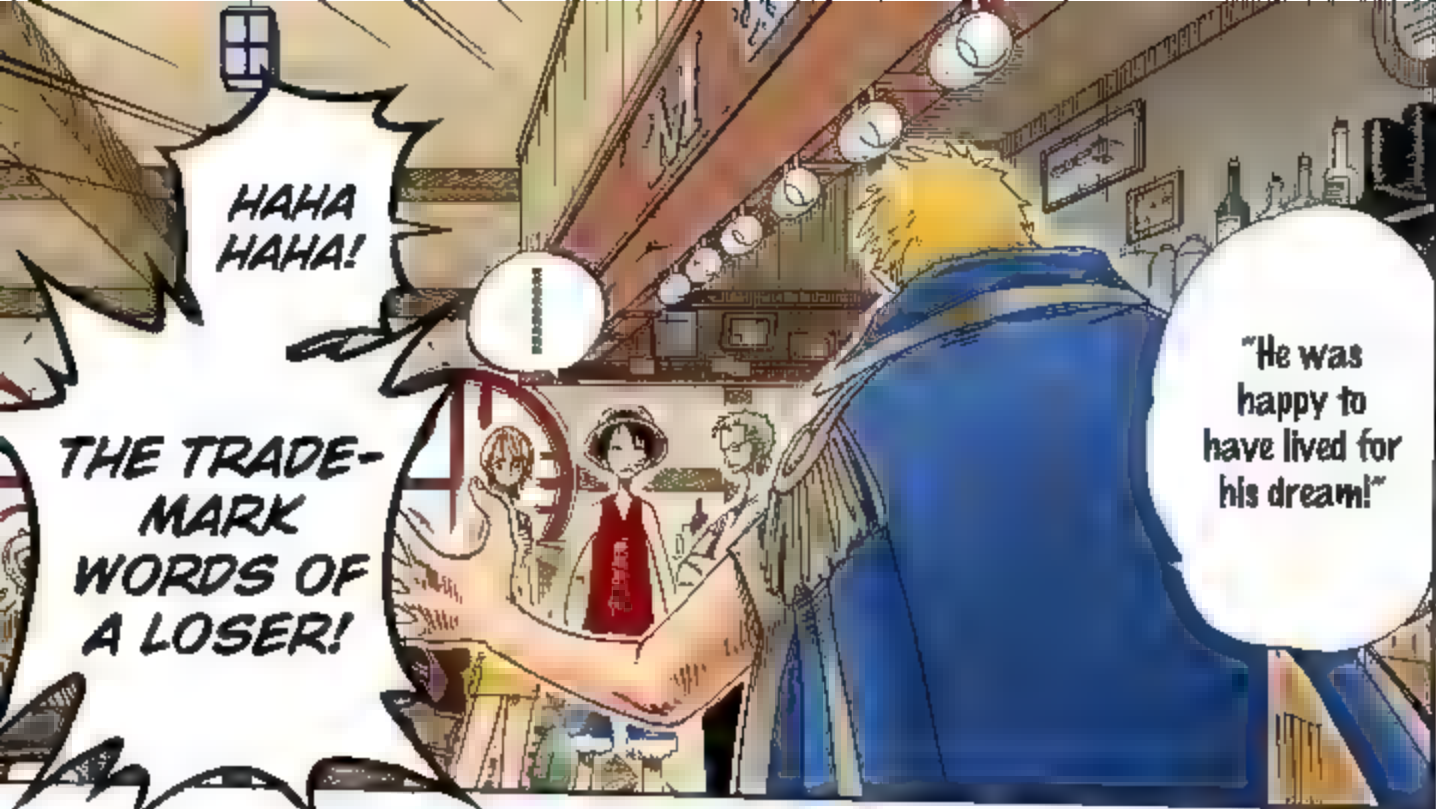

That die after being jerked around some bullshit fantasy all their lives!

And people remark on guys like them...

Fools whose eyes are clouded by the treasures of their dreams will never seize the real gains right below their noses!

It's always the ones who most bravely navigate these rough waters in this age of sail,

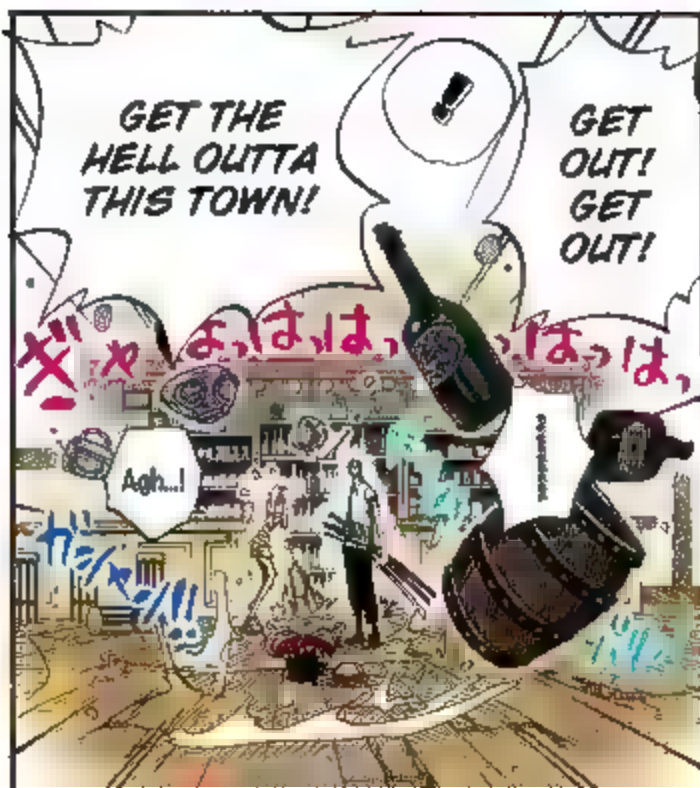

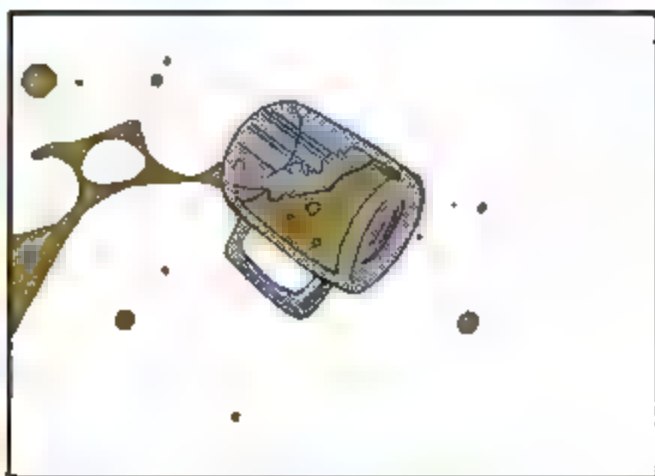

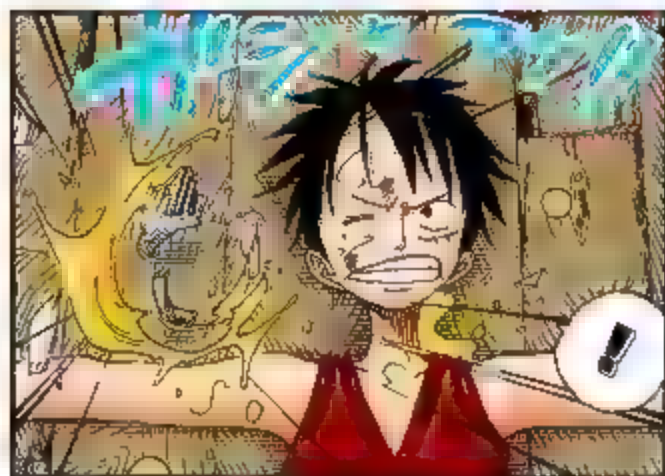

ギャー>は、は、は、は、は、

Ha, what a

Just bring down

It's just as
Bellamy
said!

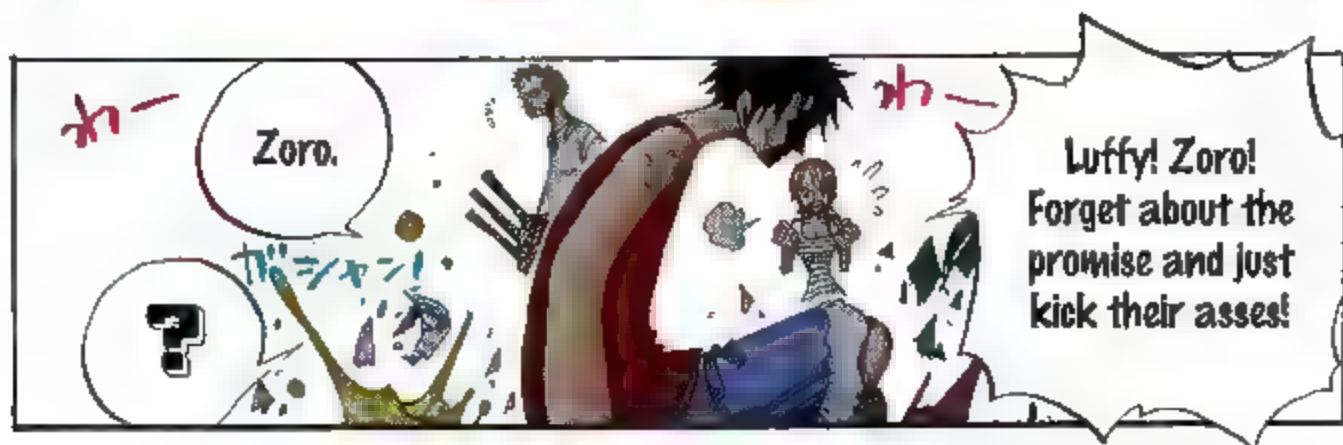

HAHA... SURE, ONE
SHOW COMING
RRRIIIIGHT UP!

HAHAHA!

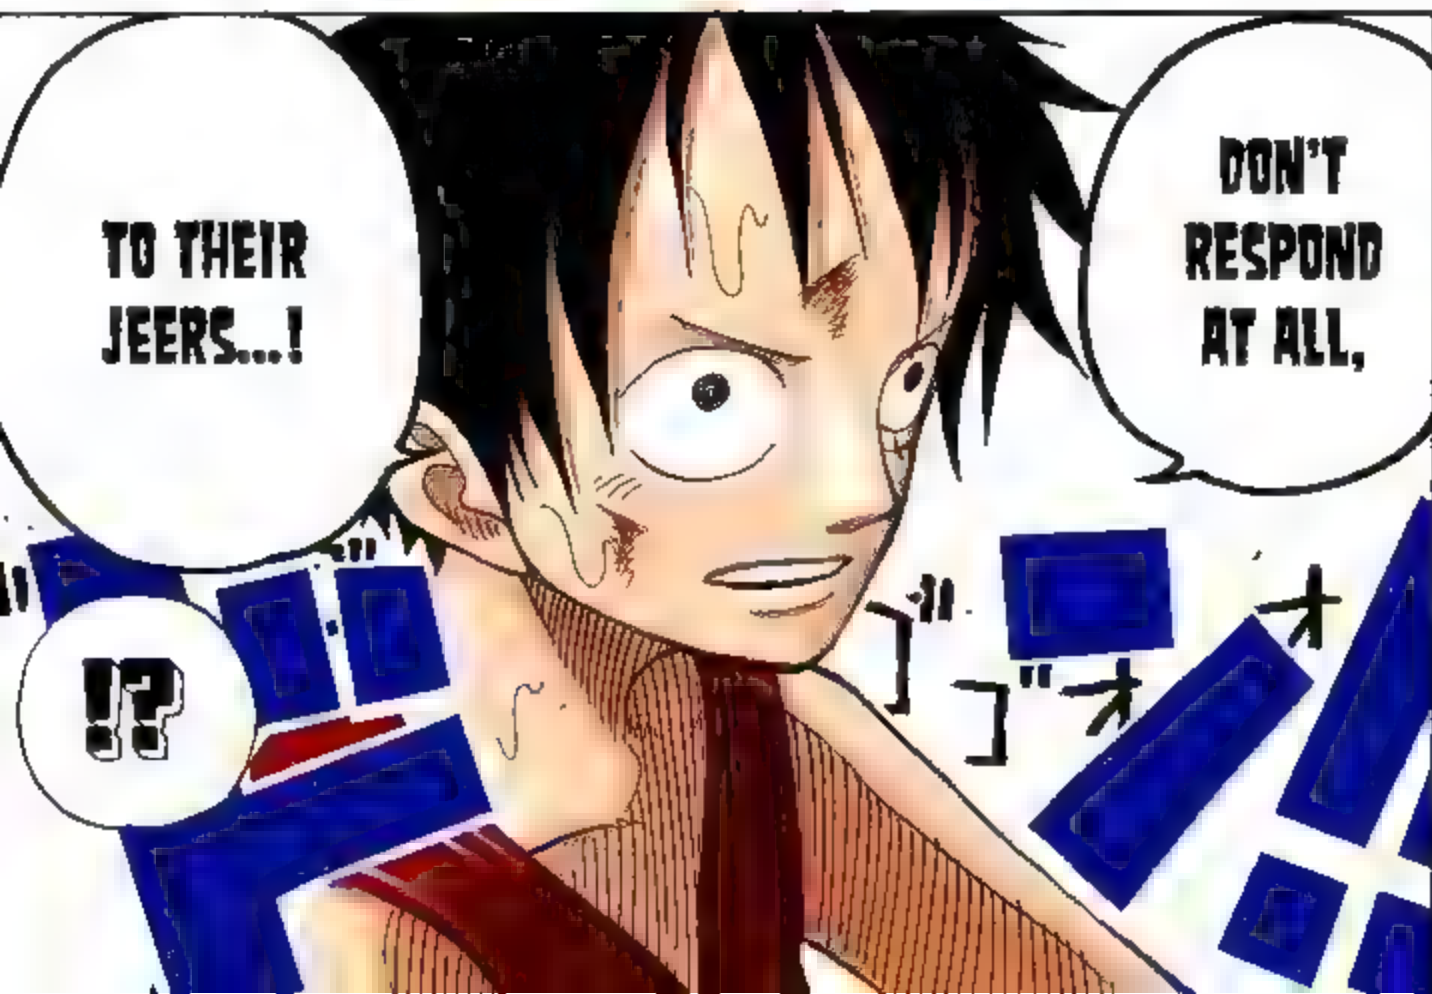

Hahaha...
Hey,
Bellamy!

Seems like
the folks
here want
a show!

Zoro.

Luffy! Zoro!
Forget about the
promise and just
kick their asses!

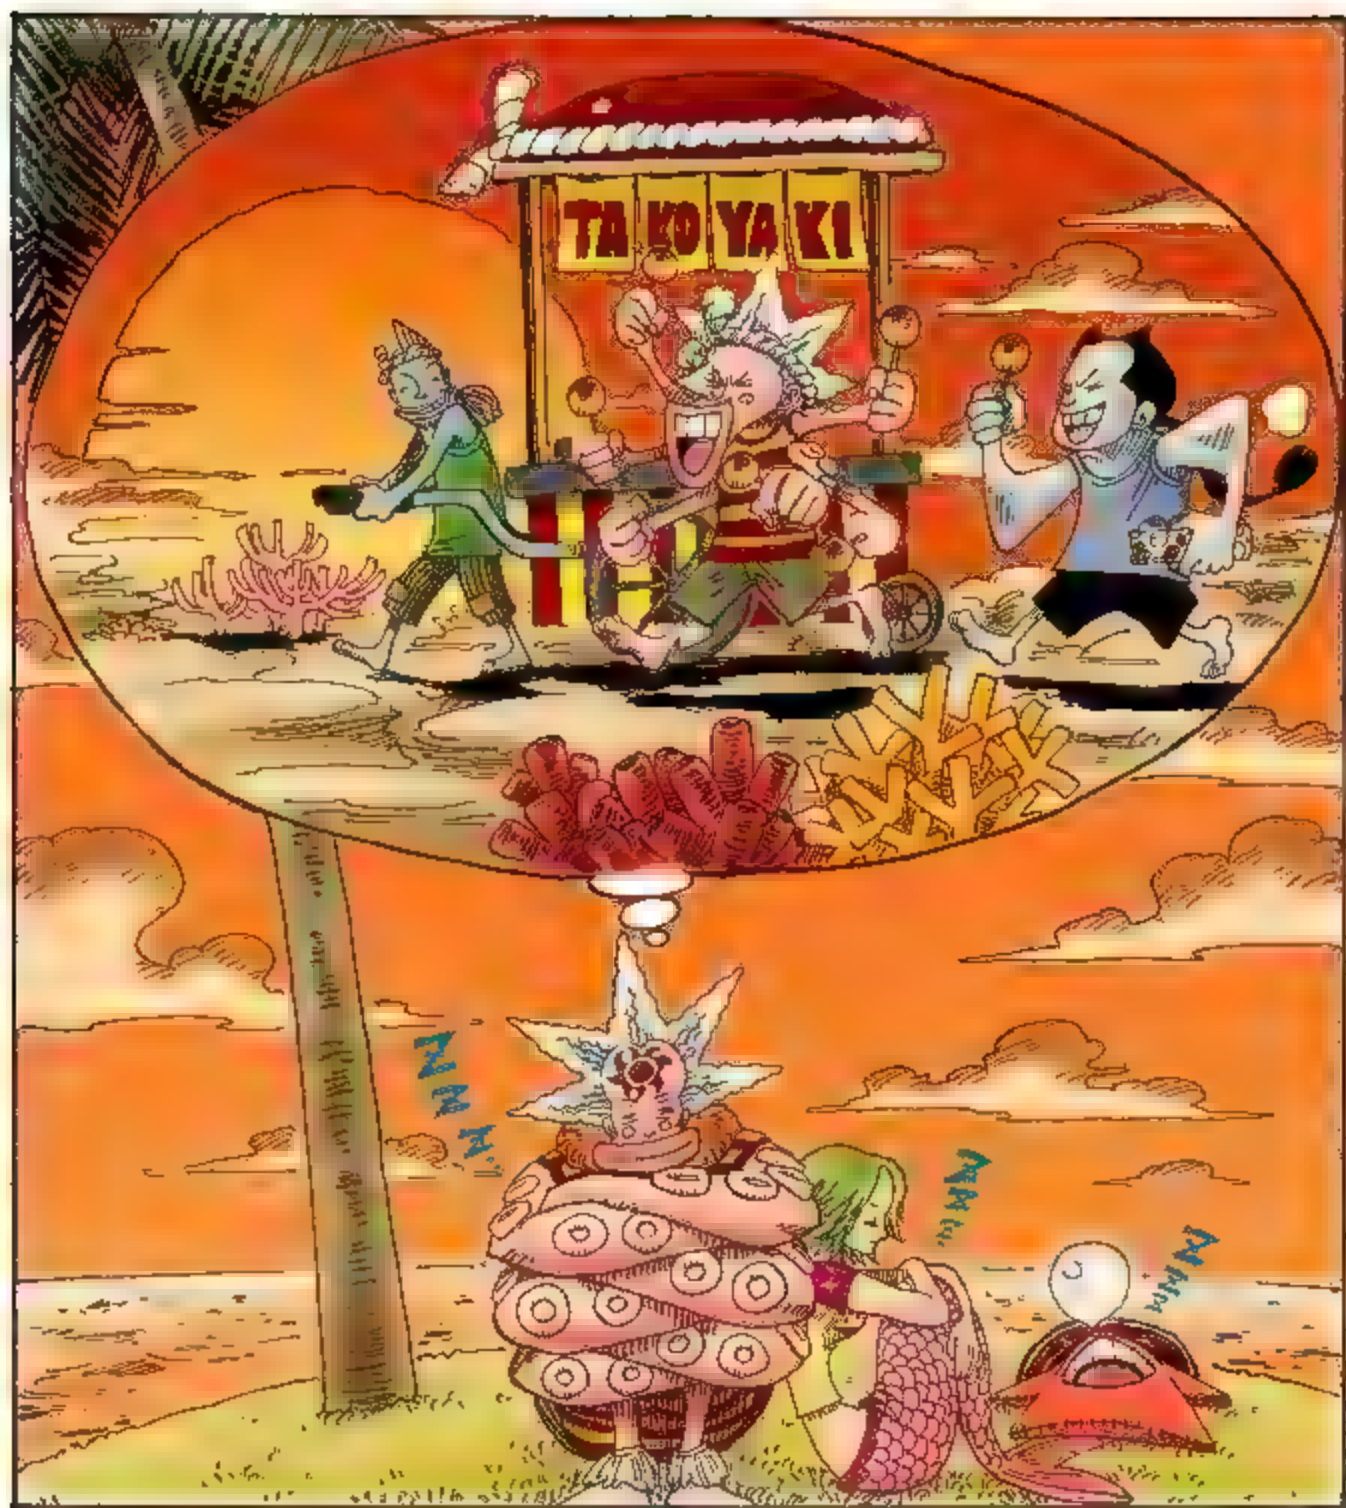

TO THEIR

DON'T

Hahahahal

Hoho! Just
kill'em!
Spineless idiots
are better off
dead!

These two are
smarter than you
think. They
realized they were
no match for us.

Haha... It's
no use, missy.

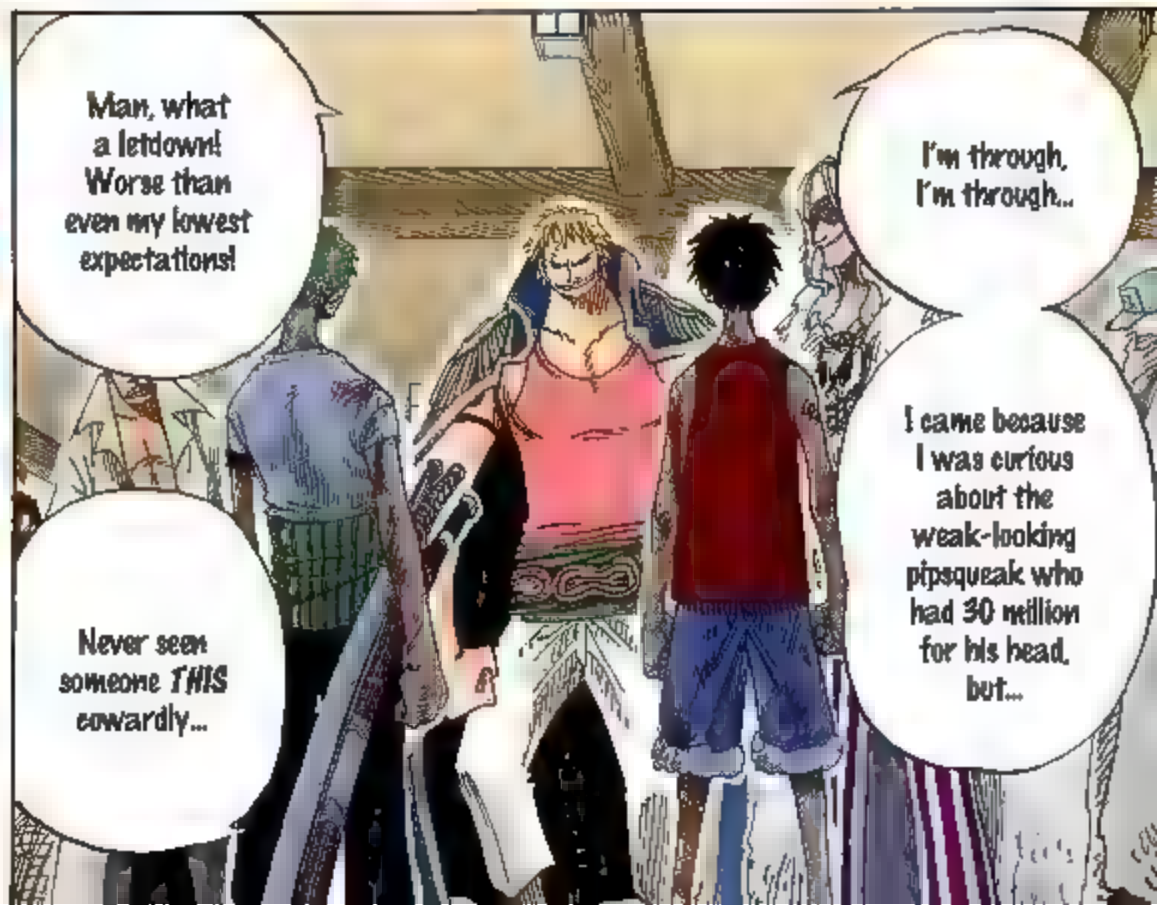

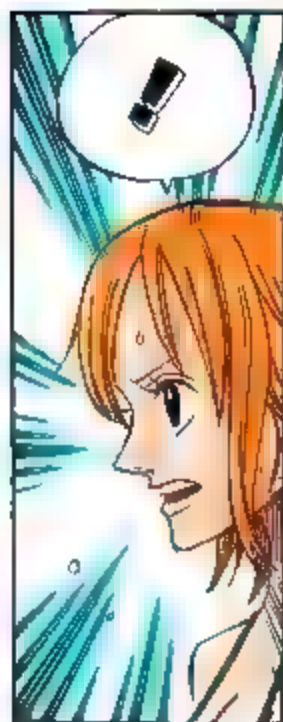

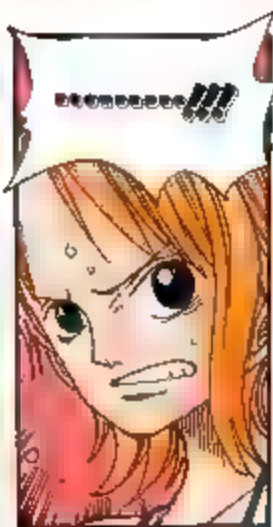

Avoiding fights with strong

spineless choice, I have to say!
